### **Summary Explanation/Background**

THE PORT EVERGLADES DEPARTMENT RECOMMENDS APPROVAL.

This action supports the Broward County Board of County Commissioners' ("Board") Value of "Ensuring economic opportunities for Broward's diverse population and businesses," and the Goal to "Increase the economic strength and impact of revenue-generating County enterprises balancing economic, environmental, and community needs."

GAC Shipping (USA), Inc., d/b/a GAC North America ("GAC"), has been providing steamship agent services at Port Everglades under a series of approved franchise agreements since 2010. On April 26, 2016 (Item No. 4-PH), the Board granted renewal of a nonexclusive franchise to GAC to provide steamship agent services at Port Everglades for a five-year term, from June 27, 2016, through June 26, 2021. GAC has applied for renewal of the franchise.

Staff reviewed the steamship agent franchise renewal application against the enumerated renewal criteria set forth in Chapter 32 of the Administrative Code. Staff's due diligence included corresponding with GAC's representative to clarify franchise requirements and reviewing GAC's corporate status, resumes of executive staff and list of managerial personnel, business history/experience, litigation history, insurance, financial documents and creditworthiness, discharge of previous financial obligations to the County, compliance with all franchise terms and conditions and established rules and regulations of the County, required licenses and certificates, company programs and policies, list of equipment to be used at Port Everglades, statement of activities and actions indicating that GAC has maintained a favorable service performance record in Port Everglades during the term of the franchise, and that it has promoted and developed growth in the business activities, projects, or facilities of Port Everglades. GAC's safety and environmental history was also reviewed, and no infractions were found.

No false or misleading information was submitted as part of the franchise renewal application. Through the submission of the signed franchise renewal application, GAC has agreed to comply with all franchise conditions set forth in Section 32.24 of the Administrative Code.

Based on the review of information provided in the franchise renewal application, staff recommends renewal of the steamship agent franchise. Steamship agent franchises may be granted for any period of time up to five years. Past practice has been for staff to recommend granting the renewal of a steamship agent franchise for a term of five years. Accordingly, staff is recommending that the franchise be renewed for a five-year term.

The complete application and supporting documents are on file in the Port Everglades Business Administration Division.
