On October 20, 2020 (Item No. 39), the Broward County Board of County Commissioners (BOCC) authorized the County Administrator to take all budgetary and administrative actions to enter into Interlocal Agreements (ILA) to Implement the City of Coconut Creek's CDBG Grants. Similarly, the BOCC approved the HFCRD's implementation of the City's HOME grants during the Yearly Consolidated and Annual Action Plan Agenda Items (December 8, 2020, Item No. 15) and (June 2, 2020, Item No. 20) for the HOME grants. The County's Housing Finance and Community Redevelopment Division (HFCRD) subsequently entered into the ILA's to implement the referenced grant programs. After further fiscal reconciliation, the City notified the County that there were some balance adjustments that needed to be made to the current ILA's. In addition to those adjustments, the City has Fiscal Year 2016 HOME grant funding balance and program income (PI) that needs to be recognized and included in the current ILA in the form of an amendment. The HOME Fiscal Year 2016 and PI funds were not part of the above referenced Agenda Items.

B. As such, Broward County provides the administration and implementation for various municipalities' CDBG, HOME and SHIP grants, which includes Housing Rehabilitation and Down Payment/Purchase Assistance programs. The program's mortgages and promissory notes sometimes erroneously named Broward County as the Mortgagee. The mortgages and promissory notes should name the funding municipality as the mortgagee. These assignments take corrective action in order to reflect the appropriate funding municipality. The Assignment of Mortgage and Note forms, Exhibit 2 and Exhibit 3, were created, and approved by the office of the County Attorney.
