Summary Explanation/Background

THE PURCHASING DIVISION AND THE PUBLIC WORKS DEPARTMENT/ WATER AND WASTEWATER SERVICES RECOMMEND APPROVAL OF THE ABOVE MOTION.

The Office of Economic and Small Business Development (OESBD) established a 25% County Business Enterprise (CBE) program requirement for this project. Mainguy Environmental Care, Inc. dba Mainguy Landscape Services (Mainguy), a certified CBE, has committed to 100% CBE participation, which has been reviewed and approved by OESBD (Exhibit 2).

The purpose of this contract is to provide all labor, materials, equipment, and incidentals necessary to provide ground maintenance services at various locations throughout Broward County identified in Group 2 for the Water and Wastewater Services (WWS).

The allowance incorporated in the contract in the annual amount of \$3,500 is for permit fees, direct costs for chemicals, herbicides and pesticides, and replacement parts and materials. Expenditures under these allowance items must be approved by the contract administrator and will be reimbursed at the contractor's actual incurred cost, without markup (Exhibit 1).

Bid No. BLD2121876B1 consisted of two groups: Group 1 for Facilities Management Division (FMD) and Group 2 for WWS. Upon review of the bids, OESBD determined that Superior Landscaping & Lawn Service, Inc. and YRY Homes did not meet the CBE program requirement; thus, the vendors were non-compliant to the bid's CBE program requirement. Based upon OESBD's determination, the Director of Purchasing deemed Superior Landscaping & Lawn Service, Inc. and YRY Homes non-responsive to the solicitation's CBE program requirement (Exhibit 2). Group 1 for FMD was approved by the Board under a separate agenda item and presented to the Board on May 4, 2021 (Item No. 21).

In accordance with the Broward County Workforce Investment Program, Broward County Administrative Code, Section 19.211, these services are subject to the Workforce Investment Program. Mainguy has agreed to be bound to the contractual obligations of the Workforce Investment Program.

In accordance with the Broward County Living Wage Ordinance, Section 26-101 (i), these services are covered services. Mainguy has agreed to be bound to the contractual obligations of the Living Wage Ordinance.

WWS reviewed the bid submitted by Mainguy and concurs with the recommendation for award for Group 2 (Exhibit 3). There are no performance evaluations for Mainguy.

Upon review, the Purchasing Division discovered a significant disparity with the \$1 unit price offered by Mainguy compared to the unit price offered by the other vendors for Item No. BLD2121876B1-02-

12, trimming services at the North Regional Wastewater Treatment Plant. The Purchasing Division requested clarification and/or an explanation for the significant price variation of Mainguy's offered price. Mainguy responded that the unit price was a keying error and should have been \$100; but the company would still honor the \$1 unit price. The Purchasing Division has researched the prices submitted by the recommended bidder, Mainguy; and it determined that the prices submitted, with exception to the forementioned Item No. BLD2121876B1-02-12, are fair, reasonable, and aligned with the estimate (Exhibit 4). The difference between the apparent low bidder, YRY Homes, and the recommended bidder, Mainguy, for the total bid for Group 2 is \$149,582. Additionally, YRY Homes, the apparent low bidder, for Group 2, did not bid all the line items within the bid; but bid only 60 out of 94 items.
