Funding a tree planting project promotes environmental protection through sustainable practices.

The Town of Lauderdale-By-The-Sea (Town) has submitted a request for funding from the Tree Preservation Trust Fund for the purchase and installation of trees for a tree planting project along Seagrape Drive. The Town will provide for the future maintenance of the trees. The Tree Preservation Trust Fund currently contains approximately \$18,168 intended for use within the Town (See Exhibit 2). The funds were collected from contributions in lieu of tree replacement for Tree Removal Licenses issued within the Town.

The Tree Preservation Trust Fund Committee has reviewed and approved this request. Funds will be paid to the Town on a reimbursement basis pursuant to the attached agreement (Exhibit 1). The agreement has been reviewed and approved as to form by the Office of the County Attorney.
