This item supports the Board's Value for "Cooperatively delivering an efficient and accessible regional intermodal transportation network"; its Goals to "Provide a safe, sustainable, integrated and efficient transportation system to enhance Broward County's economy and livability" and "Support the development, design and construction of sustainable, multi-modal transportation facilities throughout the County, to meet the demands of residents, travelers, and businesses."

The Office of Economic and Small Business Development (OESBD) established a County Business Enterprise (CBE) participation goal of 30% for this project. R.J. Behar & Company, Inc. has committed to 31% CBE participation, which has been reviewed and approved by the OESBD (Exhibit 2).

The purpose of this Agreement is to provide consulting services to prepare and provide a complete contract package associated with the design of widening Pine Island Road from Griffin Road to Nova Drive, to expand from four to six lanes with bicycle lanes and sidewalks in each direction. The duration of services will be approximately 18 months (Exhibit 1).

On June 16, 2020 (Item No. 78), the Board approved the Request for Proposals (RFP) No. PNC2120376P1, Consulting Services for Pine Island Road from Griffin Road to Nova Drive. Seven firms submitted proposals in response to the RFP.

On October 8, 2020, a Final Evaluation Meeting was held. After evaluation and ranking, the Evaluation Committee named R.J. Behar & Company, Inc. as the first-ranked firm.

On October 21, 2020, an email was sent to the Board with the Low Bids Report/RLI/RFP - Committee Member Score Sheets for its review. There were no objections, protests or pulls from the Board for this RFP ranking.

The Evaluation Committee's proposed recommendation of ranking was posted on the Purchasing Division website from October 21 - 23, 2020, which provided an opportunity for any proposer or interested party to present any new or additional information regarding the responsibility of the proposers.
