Board of County Commissioners' approval is required pursuant to Florida case law for conveyance of interest in property to Broward County.

What Action Accomplishes

Provides Broward County with utility easements for the maintenance of water and sewer mains serving the public.

Is this Action Goal Related

No

Previous Action Taken

None.

Summary Explanation/Background

PUBLIC WORKS DEPARTMENT/WATER AND WASTEWATER ENGINEERING DIVISION
RECOMMENDS APPROVAL.

Motion A allows the County to accept two separate utility easements lying over and across a parcel of land lying in tract "Y", of Broward Estates, Section Two, according to the plat thereof, as recorded in Plat Book 34, Page 19, of the Public Records of Broward County, Florida. This item relates to a new utility construction project within Water and Wastewater Service District 1 potable water and sanitary sewer service area. This easement is required so that Broward County can maintain the public water and sewer mains and associated appurtenances serving the public in perpetuity.

Motion B allows the County to accept a utility easement lying over and across a parcel of land lying in tract "Y", of Broward Estates, Section Two, according to the plat thereof, as recorded in Plat Book 34, Page 19, of the Public Records of Broward County, Florida. This item relates to a new utility construction project within Water and Wastewater Service District 1 potable water and sanitary sewer

service area. This easement is required so that Broward County can maintain the public water and sewer mains and associated appurtenances serving the public in perpetuity.

The Resolutions and utility easements have been reviewed and approved as to form by the County Attorney's Office.
