Summary Explanation/Background

This agenda item supports the Board's goal of increased economic strength and impact of revenue generating County enterprises balancing economic, environmental, and community needs.

On September 17, 2015 (Item No. 48), the Board of County Commissioners approved a deliberately phased agreement between County and Weitz for Phase I construction project management services associated with procurement assistance, contract development, design review and project management support for the Convention Center Expansion and Headquarters Hotel Project.

On June 11, 2019 (Item No. 65), the Board of County Commissioners approved a First Amendment that extended the original contract services and allowed the Contract Administrator to utilize Optional Services Work Authorizations to add construction phase basic services to Weitz's scope related to GMP 1.

On June 16, 2020 (Item No. 33), the Board of County Commissioners approved a summer recess authorization that allowed the County Administrator to execute a Second Amendment with Weitz that further extended the original contract services and added construction phase basic services to Weitz's scope related to GMP 2.

This Third Amendment further extends the original contract services and adds construction phase basic services to Weitz's scope in a total amount of \$1,322,765; \$1,082,007 is related to GMP 2 for oversight of East Expansion foundation installation (\$176,440) and completion of West Expansion items (\$905,567), and \$240,758 is related to GMP 3 for oversight of the Headquarters Hotel foundation installation.

The request for retroactive payment results from a determination that a contract amendment rather than a work authorization (which was initially sought) was the appropriate mechanism to reallocate existing funds. The funds for this work will be reallocated from the previously approved Optional Services line to the Basic Services line within the contract budget. No additional funding is required.

The Third Amendment is being drafted by the County Attorney's Office and will be distributed as additional material.
