Summary Explanation/Background

On October 5, 2021 (Agenda Item No. 56), the Board of County Commissioners ("Board") directed the Office of the County Attorney to prepare a Resolution Amending Section 18.61 of the Broward County Administrative Code ("Administrative Code") to eliminate the mandatory change of the independent auditor after five years.

As directed by the Board, this item provides three options for the proposed amendment:

1. An amendment to eliminate the mandatory change of the independent auditor after five years (Exhibit 2);
2. An amendment to eliminate the mandatory change of the independent auditor after five years but (a) give a preference to nonincumbent auditors in the event of a tie during the evaluation process and (b) require a change of partners and managers assigned to prepare the County's audit if the County reengages an incumbent auditor (Exhibit 3); and
3. An amendment to eliminate the mandatory change of the independent auditor after five years but (a) give a preference to nonincumbent auditors in the event of a tie during the evaluation process if the incumbent auditor has been retained for ten or more years and (b) require the change of partners and managers assigned to prepare the County's audit if the County reengages an incumbent auditor (Exhibit 4).

The Office of the County Auditor proposed the options in Exhibits 3 and 4.
