**Is this Action Goal Related**

Yes

**Previous Action Taken**

On March 14, 2017, Item 84, the Board adopted Resolution No. 2017-085, conveying 40 escheated lots to ten local nonprofit agencies for construction of 40 new affordable single-family homes in the BMSD (four homes per nonprofit agency) as part of a New Home Infill Program. Parcel A is one of the 40 lots conveyed with this action.

**Summary Explanation/Background**

THE RESILIENT ENVIRONMENT DEPARTMENT AND HOUSING FINANCE DIVISION RECOMMEND APPROVAL OF THIS MOTION.

This item supports the Commission's VALUE of "offering sustainable, compatible, innovative housing options for all income levels, including integrated, permanent supportive housing" and the Commission's GOAL to "promote housing and community redevelopment that integrates energy efficiency, community resilience, and other livability standards and initiatives."

On March 14, 2017, Item 84, the Board of County Commissioners adopted Resolution No. 2017-085 conveying 40 escheated parcels within the BMSD to 10 local nonprofit agencies to develop 40 new affordable single-family homes, with specific design and affordability requirements and 15-year affordability restrictive covenants. After the County conveyance, it was determined that Parcel A, located in a block adjacent to other County owned property, is suitable for assembly for a larger, more flexible development configuration. The County initiated discussion with Broward Alliance for Neighborhood Development (BAND), the nonprofit that originally acquired Parcel A, to return Parcel A to the County in exchange for another vacant residential parcel in the BMSD. In the meantime, BAND was unable to complete the development of their parcels and BAND's lender subsequently acquired title to Parcel A and then conveyed Parcel A to HFH. In exchange for HFH's return of Parcel A to the County, Parcel B is being provided to HFH as an alternative substitute parcel (Exhibit 1).

Parcel B is a buildable vacant lot located in the BMSD, upon which HFH will develop an affordable single-family home. Conveyance of Parcel B will include a restrictive covenant with a 15-year affordability term (Exhibit 2).
