Summary Explanation/Background

We have conducted a follow-up review of our Audit of Driver and Vehicle Information Database Usage by the Environmental and Consumer Protection Division Audit (Report No. 21-02).

The objective of our review was to determine the implementation status of our previous recommendations.

We conclude that all three of our previous recommendations were implemented. We commend management for implementing our recommendations.

We appreciate the cooperation and assistance provided by the staff of the Consumer Protection Division throughout our review process.
