Summary Explanation/Background

THE PURCHASING DIVISION AND THE PUBLIC WORKS DEPARTMENT/HIGHWAY CONSTRUCTION AND ENGINEERING DIVISION RECOMMEND APPROVAL OF THE ABOVE MOTION.

The Office of Economic and Small Business Development (OESBD) established a County Business Enterprise participation goal of 30% for this project. The OESBD determined that this project is not subject to the Workforce Investment Program (Exhibit 2).

The purpose of this solicitation is to engage the services of a qualified firm to provide consulting services for the design of Pompano Park Place Complete Streets Project from Powerline Road to South Cypress Road. The project consists of adding bike lanes and sidewalk/Americans with Disabilities Act (ADA) improvements along Pompano Park Place to provide multimodal transportation options. The project includes widening, milling and resurfacing the existing pavement, signalization, and possible lighting improvements.

The Request for Proposals (RFP) method of procurement was selected for this project to best serve the County with additional evaluation criteria. The RFP method provides for predefined evaluation criteria for ranking of firms based upon the required specialized technical expertise. Due to the requirements of the Consultants' Competitive Negotiation Act (CCNA), this RFP will not use price as an evaluation criterion; therefore, proposers are required to determine the best method to accomplish the specialized services as outlined in the RFP (Exhibit 1).
