Broward County Commission Regular Meeting

Director's Name: Mark Gale

Department: Aviation

Division: Finance

Information

Requested Action

MOTION TO ADOPT Resolution No. 2020-064 approving a Public Transportation Grant Agreement with the State of Florida Department of Transportation for Financial Project No. 444391-1-94-01; to fund the construction of a Dual Taxilane to Access Taxiway L at Broward County's North Perry Airport; authorizing the Mayor or Vice-Mayor to execute same; authorizing the County Administrator to take the necessary administrative and budgetary actions; and approve any nonmonetary amendments subject to the Office of the County Attorney approving as to legal sufficiency; and providing for severability and an effective date. This Public Transportation Grant Agreement will provide grant funding up to a maximum amount of \$140,000. A certified copy of the approved Resolution shall be inserted as Exhibit D to the Public Transportation Grant Agreement before execution.

Why Action is Necessary

All Resolutions require the approval of the Broward County Board of County Commissioners ("Board").

What Action Accomplishes

Allows the Broward County Aviation Department ("BCAD") to accept Florida Department of Transportation ("FDOT") grant funding for the construction of a Dual Taxilane to Access Taxiway L ("Dual Taxilane Project") at Broward County's North Perry Airport ("HWO").

Is this Action Goal Related

No

Previous Action Taken

None.

Summary Explanation/Background

THE AVIATION DEPARTMENT RECOMMENDS APPROVAL OF THE ABOVE MOTION.

This action approves a FDOT Public Transportation Grant Agreement ("PTGA") to provide grant funding up to a maximum amount of \$140,000, to assist in the Dual Taxilane Project at HWO.

The total cost of the project is estimated to be \$175,000 ("Project Cost"). FDOT will fund 80% of the Project Cost. Broward County ("County") will fund all expenses for the Dual Taxilane Project in

excess of the amount of FDOT's funding, currently estimated to be \$35,000 or 20% of the Project Cost.

The proposed Dual Taxilane Project will allow for construction of a second Taxilane parallel to the existing one, near the western end of the South Apron at HWO which will be designed to accommodate single wheel aircraft. Additional construction work will include re-striping the ramp area to the North of the proposed parallel Taxilane. The Dual Taxilane Project will mitigate congestion on the existing Taxilane, and improve the flow of aircraft traffic through utilization of both Taxilanes.

The proposed PTGA was reviewed by the Office of the County Attorney. The PTGA does not include the County's standard Agreement provisions as FDOT requires the County to use its form Agreement.
