Summary Explanation/Background

By action of the Board of County Commissioners on December 10, 2019, the North Perry Airport Community Advisory Committee ("Committee") was created to advise the Broward County Aviation Department about community interests and issues concerning the North Perry Airport ("Airport").

Section 12.36(a)(6) of the Broward County Administrative Code ("Administrative Code") requires a member from the Airport Tenant Advisory Committee for the Committee. The Airport Manager is

requesting an amendment because the member should be from the North Perry Airport Community Association. The North Perry Airport Community Association better represents this category as its members include all users of the Airport and not just tenants.

Section 12.36 of the Administrative Code currently requires that all members serving on the Committee be residents of Broward County. The Airport Manager is requesting an amendment because qualified individuals meeting the categories listed in Sections 12.36(a)(4)-(9) of the Administrative Code may not reside in Broward County, but might have significant knowledge and expertise regarding the issues concerning the Airport.

The proposed amendment, if adopted, would amend Section 12.36(a)(6) to require a member from the North Perry Airport Community Association and exempt the members for the categories listed in Sections 12.36(a)(4)-(9) of the Administrative Code from the Broward County residency requirement.
