Summary Explanation/Background

COUNTY ADMINISTRATION/REAL PROPERTY SECTION AND PUBLIC WORKS DEPARTMENT/WATER AND WASTEWATER SERVICES RECOMMEND APPROVAL OF THE ABOVE MOTION.

On June 11, 2019 (Item No. 10), the Board of County Commissioners authorized the County Administrator to execute a lease agreement for the Water and Wastewater Services (WWS) bill payment center. On August 13, 2019, the lease agreement between Lauderhill Mall Investment, LLC, and Broward County was executed by the County Administrator for approximately 2,181 rentable square feet at an outparcel to be developed at Lauderhill Mall. The term of the lease is five years with a one five-year renewal at an annual rental rate of \$56,706 (or \$4,725.50 monthly) for the initial lease year plus operating expenses. The lease originally required the Landlord to complete the tenant

improvements by June 1, 2020.

In order to develop the outparcel as a payment center, the City of Lauderdale required the County to submit an application for Special Exception Use General Development Order. The City's Planning and Zoning Department recommended the approval of the application subject to the condition that all use of the premises must be maintained within the confines of the building, including queuing. To comply with the condition, the County revised the design to increase the size of the public waiting area and decrease the staff work area. The proposed time extension to April 1, 2021 will allow the Landlord to complete the tenant improvements while addressing the design changes. In addition, the Landlord agreed to grant the County five renewal options of five years each.

All documents have been reviewed and approved as to form by the Office of the County Attorney.
