Summary Explanation/Background

THE PORT EVERGLADES DEPARTMENT RECOMMENDS APPROVAL.

This action supports the Broward County Board of County Commissioners' ("Board") Value of "Ensuring economic opportunities for Broward's diverse population and businesses" and the Goal to "Increase the economic strength and impact of revenue-generating County enterprises balancing economic, environmental, and community needs."

On May 12, 2015 (Item No. 2-PH), the Board granted renewal of a nonexclusive franchise to Port Everglades Terminal, LLC ("PE Terminal"), to provide marine terminal security services at Port Everglades for a five-year term, from June 23, 2015, through June 22, 2020.

Staff has reviewed the marine terminal security service franchise renewal application against the

enumerated renewal criteria set forth in Chapter 32 of the Broward County Administrative Code. Staff's due diligence included corresponding with PE Terminal's representative to clarify franchise requirements and reviewing PE Terminal's corporate status, resumes of executive staff and list of managerial personnel, business history/experience, litigation history, insurance, financial documents and creditworthiness, discharge of previous financial obligations to County, compliance with all franchise terms and conditions and established rules and regulations of the County, required licenses and certificates, company programs and policies, list of equipment to be used at Port Everglades, statement of activities and actions indicating that PE Terminal has maintained a favorable service performance record in Port Everglades during the term of the franchise. PE Terminal's safety and environmental history was also reviewed, and no infractions were found. No false or misleading information was submitted as part of the franchise renewal application. PE Terminal has, through the submission of the signed franchise renewal application, agreed to comply with all franchise conditions set forth in Section 32.24 of the Broward County Administrative Code.

Based on the review of information provided in the franchise renewal application, staff has determined that PE Terminal meets the criteria for renewal of the marine terminal security service franchise. Marine terminal security service franchises may be granted for any period of time up to five years. Past practice has been for staff to recommend granting the renewal of a marine terminal security service franchise for a term of five years. Accordingly, staff is recommending that the franchise be renewed for a five-year term. The complete application and supporting documents are on file in the Port Everglades Business Administration Division.
