Summary Explanation/Background

As part of the Fiscal Year 2020 Adopted Operating Budget, the Board appropriated \$1,000,000 to Broward College to fund the Broward Bridge Scholarship Program (the "Program"). The purpose of the Program is to fund the gap between financial aid and the cost of tuition to eligible students and is intended to follow the student provided they maintain eligibility. In sum, the Program is available as "last dollar" funds to close a financial gap for eligible students. The County's funding for the Program is \$500,000 per year for two academic years beginning in 2021, for a total of \$1,000,000.

Staff from Broward College, in collaboration with County Administration, have detailed the program requirements, which have been substantially documented in the attached term sheet dated September 18, 2020 (Exhibit 1). The County Attorney's Office is in the process of drafting the Agreement. This item seeks authority for the County Administrator to complete negotiations and execute the Agreement. This authority is necessary so that the parties can finalize the agreement by

mid-October, which would provide Broward College the requisite time to market and implement the Program for the Spring 2021 term.
