Summary Explanation/Background

REAL PROPERTY SECTION AND THE AVIATION DEPARTMENT RECOMMEND APPROVAL OF THE ABOVE MOTION.

On June 19, 2001 (Item No. 4), the Board of County Commissioners of Broward County adopted Resolution 2001-515 approving the application for the conveyance of 1.10 acres of land owned by FDOT to the County for the public purpose of protecting the approach and transition zone for Runway 9R/27L at the Fort Lauderdale-Hollywood International Airport. However, the legal description included within the quitclaim deed that FDOT provided pursuant to Resolution 2001-515 mistakenly conveyed a parcel of real property consisting of 3.39 acres of land to County.

After learning of this mistake from an internal review, FDOT approached the County in July 2019

requesting a corrective deed. It was determined that a corrective deed could not be executed because the execution of a corrective deed could create a cloud in the title of the remaining 2.29 acres that FDOT never intended to transfer to the County pursuant to Resolution 2001-515. Both FDOT and the County agreed that the best way to rectify the error and clear the chain of title was for the County to transfer the 3.39 acres of land that was conveyed pursuant to Resolution No.2001-515 back to FDOT and for FDOT to convey the property it intended to convey consisting of 1.10 acres of land to County.

All documents have been reviewed and approved as to form by the Office of the County Attorney.
