Summary Explanation/Background

The Planning Council, as the Local Planning Agency (LPA) responsible for the Broward County Land Use Plan, considered the following proposed text amendment, PCT 20-4, at its June 25, 2020 public hearing and recommended approval, subject to a second Planning Council public hearing, and including expanding the Policy to all lands within Activity Center boundaries, deleting the reference to

market rate, and updating the permitted uses section. Further, the Planning Council made the following additional recommendations: 1) clarification in the text that the Policy is optional for local governments, 2) continue dialogue with local governments regarding whether funds will remain exclusively in the County trust fund or could be shared with a municipal trust fund or housing authority, and 3) clarification of the gross floor area definition (Vote of the Planning Council; Unanimous: 17-0; Blackwelder, Blattner, Breslau, Brunson, DiGiorgio, Fernandez, Gomez, Good, Graham, Grosso, Hardin, Parness, Railey, Rich, Ryan, Williams and Stermer) and also recommended approval at its January 28, 2021 public hearing, incorporating the Planning Council's previous recommendations, as well as the County Commission's transmittal recommendation that 1) local governments may permit residential development on roads other than State roads or County arterials, as approved by the County Commission, 2) removed minimum parking requirements and 3) allows 50% of in lieu fees to be paid into a municipal Affordable Housing Trust Fund or Housing Authority provided that said monies must be used for the construction of new affordable units or home repair, and further recommending an annual review of the implementation of Policy 2.16.4 (Vote of the Planning Council; Unanimous: 17-0; Blackwelder, Breslau, Brunson, Castillo, Fernandez, Gomez, Good, Graham, Grosso, Hardin, Maxey, Railey, Rich, Rosenof, Ryan, Williams and DiGiorgio):
