Summary Explanation/Background

The proposed Ordinance, if enacted, would require vendors seeking a County contract in the amount of \$100,000 or more to certify that their policies, practices, and procedures regarding an employment applicant's criminal history background check preclude inquiry into an employment applicant's criminal history until the applicant is selected as a finalist and has interviewed for the position. The failure to provide such certification would result in a vendor being found not responsive to the procurement solicitation. The proposed Ordinance would require that the applicable contract contain language that obligates the vendor to comply with the applicable provisions of the Ordinance, or be

subject to contract termination, suspension, or debarment.

The proposed Ordinance requirements would not be applicable if specific criminal screening practices are required by state or federal law, if the contract is exempt from the Broward County Procurement Code or is standardized, if the vendor is a governmental entity, or if the Board determines that it is in the best interest of the County to waive the requirements.

An amendment proposed by Mayor Geller in advance of the Board meeting of February 23, 2021, is attached as Exhibit 2. Based on discussion of Mayor Geller's amendment on February 23, Commissioner Holness has submitted for the Board's consideration the proposed amendment shown on Exhibit 3.
