#### **Summary Explanation/Background**

This item was discussed by the Board on May 18, 2021, and June 1, 2021, and subsequently postponed to the Board's June 15, 2021, meeting. At the June 1, 2021, meeting, the Board voted to amend the resolution by inserting additional provisions intended to prevent someone from being appointed to the position of Mayor in the event of a vacancy.

This Resolution proposes an amendment to the Broward County Charter that, to be effective, must be approved by the Broward County electorate during the 2022 General Election. If approved, the proposal would establish the Broward County Mayor as a Charter Office elected countywide

beginning in November 2024. The Mayor would have a salary of \$220,000 (subsequently adjusted for inflation), be limited to two consecutive four year terms, and be prohibited from holding outside employment. The Charter amendment would not, in any way, expand the duties and obligations of the Mayor as stated in the current Charter.

Six affirmative votes are required to place this proposed Charter amendment on the ballot.
