Summary Explanation/Background

At the May 19, 2020 Regular Meeting (Item No. 55), the Board approved funds for the lease of office space to support the Project.

Initially County staff and consultants utilized the subject property located at 1799 SE 17th Street, Fort Lauderdale, Florida 33316, without a formal agreement with Balfour Beatty Construction, LLC (Balfour Beatty), the lessee of the subject property. The City of Fort Lauderdale indicated interest in maintaining an office near the Project site for their Project inspection staff. It was determined that the best way to accomplish this was to have the County license office space from the property lessee Balfour Beatty (Exhibit 1) and then sublicense a portion of that space to the City (Exhibit 2).

The fee for the County to utilize the licensed space is \$10.00 a year for an initial five-year term with the option to extend for five successive one-year terms. The licensee fee is nominal because the County is already paying the underlying rent of the subject space as a Project reimbursable. The City will pay the County an annual license fee of \$15,245.10 for an initial five-year term with an option to extend for five successive one-year terms. Both agreements are subject to the underlying lease, if the underlying lease of the subject property terminates, both agreements shall terminate.
