Summary Explanation/Background

THE ANIMAL CARE AND ADOPTION DIVISION RECOMMENDS APPROVAL OF THIS ITEM.

The Animal Care and Adoption Division offers low-cost services through its Wellness Clinic ("Clinic"), with fees set by the Board of County Commissioners ("Board") through the adoption of Resolution No. 2020-080 on February 25, 2020. If approved by the Board, this item will amend Section 40.9 of

the Administrative Code to update fees for services offered at the Clinic and delete services that are no longer offered at the Clinic. In addition, this item would establish a fee schedule for services performed by the Clinic veterinarian if, during the provision of other services on an animal, the veterinarian determines that emergency medical services are needed and are in the best interest of the animal receiving services. Section 40.10 of the Administrative Code would also be amended to provide for waiver of certain Clinic fees when the services provided further the Animal Care and Adoption Division's goals of population abatement and the avoidance or spread of disease.
