Summary Explanation/Background

This item supports the Board Value, "Offering sustainable, compatible, innovative housing options for all income-levels, including integrated, permanent supportive housing."

Broward County and communities across the nation continue to experience a significant need for affordable rental housing. The availability of safe and affordable housing is an essential component of individual and community well-being and protecting residential tenants from discrimination and unfair and illegal rental practices is fundamental to the health, safety, and welfare of Broward County residents.

The proposed Ordinance will require landlords or their agents to provide all applicants for residential rental units with a “Tenant’s Bill of Rights” describing their rights as tenants under applicable law. The proposed Ordinance will further require landlords of residential rental units to provide written notice to tenants regarding late fees being assessed under their rental agreements.

If this item is approved, in connection with the public hearing to consider the proposed Ordinance, the Board will be asked to approve a template “Tenant’s Bill of Rights” that will be posted on the County’s website for use by landlords in order to comply with the proposed Ordinance, if enacted.

The proposed Ordinance will apply countywide and would apply prospectively to new residential leases and renewals after October 1, 2022. The proposed Ordinance may be enforced by code enforcement officers, including municipal code enforcement officers, and any law enforcement agency having jurisdiction of the area within which the residential rental unit is located pursuant to Section 125.69 and Chapter 162, Florida Statutes, or pursuant to any applicable municipal code enforcement provision.

In addition to the provisions relating to the “Tenant’s Bill of Rights” and notice of rental late fees, the proposed Ordinance also makes small nonsubstantive changes in Chapter 20 to a recently enacted ordinance requiring certain advance notice to residential tenants of lease terminations and rent increases.
