Summary Explanation/Background

This item is in furtherance of the following Commission Strategic Plan Values and Goals:

- 1) Increase the economic strength and impact of revenue-generating County enterprises balancing economic, environmental, and community needs.
- 2) Effectively advocate for and acquire municipal, state, and federal financial support to equitably address health and human services needs of the entire community, through a truly coordinated system of care.
- 3) Provide diverse artistic, cultural, educational, and historical amenities and programs that contribute to a vibrant, multi-cultural and economically viable community.

Section 20.31.b.3, Broward County Administrative Code, authorizes the County Administrator to execute any and all grant agreements on behalf of the Board during any scheduled Board recess,

and during any period of time when the Board does not formally meet and non-action by the County would jeopardize receipt of grant funding. The County Administrator must provide notice of all grant agreements executed during the Board's absence in a report at the first formal meeting after the Board returns.

Since the Board's last scheduled meeting on June 14, 2022, the County Administrator executed the following grant agreements/amendments after County Attorney's Office review and approval for the following agreements:
