Project Update Sheet

Plat/Site Plan Number 005-MP-24

INSTRUCTIONS

Use this update form in lieu of filling out a new plat/site plan application form whenever a project goes from one review to another or whenever new information is submitted. Complete the applicable sections of this form only if the information has changed from the previous submittal. If you do not have a copy of your previous application forms, obtain a copy from this office. Any section left blank indicates that the information on the original (previous) application has not changed. Supplemental documentation requirements are listed on the reverse side of the "Project Questionnaire" form, page 3, available from this office. Please type this application or print legibly in **black ink**.

A credit against impact fees may be given for the site's present or previous use if there are existing buildings on the property and/or if buildings were demolished within eighteen (18) months of this application. To receive a credit, complete the following table (attach an additional sheet if necessary). (Note: If buildings have been demolished, which are not shown on the survey required with this application, attach an additional "as built" survey dated within 18 months of this application. Other evidence may be accepted if it clearly documents the use, gross square footage and/or number and type of dwelling units, and date of demolition.

LAND USE	Gross Building sq. ft.* or Dwelling Units	Date Last Occupied	EXISTING STRUCTURE(S)		
			Remain the same?	Change Use?	Has been or will be demolished?

*Gross non-residential square footage includes permanent canopies and overhangs for gas stations, drive thru facilities, and overhangs designed for outdoor tables at a restaurant. A building is defined by the definition in the Land Development Code.

Please specify the proposed use in accordance with the land use categories listed on the reverse side of the "Project Characteristics form, page 2, available from this office. Please Note: Residential uses must be expressed based upon DWELLING UNIT TYPES listed on the reverse side of page 2. COMMERCIAL, OFFICE, and CHURCH USES must be expressed in terms of gross building square footage. If there are any unique factors which may affect traffic generation, attach a separate sheet and describe fully.
