Commissioners:

On behalf of the Friends of the Stirling Road Library, I want to assure you that we are looking forward to a long and productive relationship with Bernie, his friends and family, and the foundation that is honoring the late and revered Marta Friedman.

The Friends has 550 dues paying members who not only use the library, but are enthusiastic about the programs the Friends and the Library produce every single week.

Together with the Friedman's generosity, the Library will grow and become an even greater asset to the Hollywood community.

Sincerely,

Dick Blattner
