**Re: Request for Appropriation; Law Enforcement Trust Fund (LETf)
Community Based Organization LETf Funded Grants**

Dear Mr. Ruiz:

Florida Statute 932.7055(5)(c)(3) requires that BSO expend no less than 25 percent of Florida Contraband Forfeiture Act proceeds within the fiscal year towards the support or operation of various programs for the benefit of the community. To achieve this goal, BSO has implemented a structured selection process to disburse these funds in an equitable manner to programs with significant likelihood of benefiting the community.

The Broward Sheriff's Office requests the Broward County Administrator's assistance with an appropriation of LETf funding as follows:

Project Name: FY25 Community Based Organization LETf Funded Grants
User Agency/Division: Various Community Based Programs (please see attached list)
Funding Amount: \$920,000.00

We appreciate the Broward County Board of County Commissioners' continued support in assisting the Broward Sheriff's Office achieve its goals.

Sincerely,

Colonel Oscar Llerena

VI. SUMMARY DESCRIPTION:

A Place in Time Christian Ministries' Bread of Life Food Pantry serves 4,200 low-to-moderate-income families annually through weekly and monthly distributions at its Davie facility. The program provides over 350,000 pounds of food, along with cleaning and hygiene items, while upholding a strict Code of Ethics and Non-Discrimination Policy to ensure all recipients are treated with dignity. LETF funding enhances this long-standing program by funding critical operational supplies and replenishing pantry staples. These resources improve storage and food handling capacity, ensures safer and more efficient service delivery. The funding directly supports equitable access to basic needs for Broward County residents facing food insecurity.

VI. SUMMARY DESCRIPTION:

Boys & Girls Clubs of Broward County's existing transportation services at Carver Ranches Club play a key preventive role in steering youth away from crime by providing safe, supervised spaces during critical after-school hours. The transportation program ensures that members arrive safely at the Club, where they receive academic support, a healthy snack, and a hot meal, and access to enriching activities. By accommodating the needs of working parents and underserved communities, the program increases accessibility and equity in positive youth development services. Funding from the Law Enforcement Trust Fund supports the enhancement of these vital after-school services.

VI. SUMMARY DESCRIPTION:

SMART Moves (Skills Mastery and Resistance Training) is an existing, evidence-based prevention program developed by Boys & Girls Clubs of America and implemented by Boys & Girls Clubs of Broward County in a safe, supportive environment where youth feel empowered to speak openly and learn from trusted adults and peers. The program is designed to help youth resist peer pressure, avoid risky behaviors, and make positive, healthy choices. Through interactive lessons, peer-led discussions, and engaging activities, participants develop confidence, critical thinking, and social-emotional skills. By addressing issues such as substance use, bullying, and decision-making, the program supports the long-term health and success of young people in Broward County.

VI. SUMMARY DESCRIPTION:

Funding from the Broward Sheriff's Office Law Enforcement Trust Fund helps the Broward County Community Development Corporation (BHS) increase its ability to provide permanent supportive housing opportunities for the most vulnerable by providing rental subsidies for Individuals and Families residing in Broward Housing Solutions' (BHS') owned and operated properties. This program provides permanent, affordable, and supportive housing for homeless or very low-income individuals and families who are disabled and have a diagnosed Severe and Persistent Mental Illness (SPMI). Given that BHS establishes rent at a mere 30% of each client-tenant's monthly income, as opposed to the prevailing market rates for housing, BHS encounters a substantial disparity between the expenses incurred in providing affordable and supportive housing and its rental revenue. This funding assists in bridging this gap, benefiting our residents while simultaneously enabling the organization to expand its programs for additional clients with mental health challenges.

VI. SUMMARY DESCRIPTION:

For the past six years, the Exceptional Educators Training Program has empowered educators with the knowledge and strategies necessary to support students with Down syndrome. Through specialized training in Down Syndrome 101, behavior strategies, inclusion, and safety, the program ensures that teachers can create inclusive learning environments where students thrive academically and socially. By incorporating Access Points/Curriculum, Core Vocabulary, Special Olympics, and practical solutions, educators gain the tools to foster meaningful engagement and empower students to reach their fullest potential. This initiative strengthens community collaboration, emphasizing the importance of partnerships between educators, families, and organizations to build a more inclusive society. As a transformative force in Broward County, the Exceptional Educators Training Program continues to shape classrooms into spaces of acceptance, accessibility, and empowerment for all students.

VI. SUMMARY DESCRIPTION:

The Rites of Passage program provides school-based mentoring, academic support, and behavioral interventions to middle school boys at risk of involvement with the juvenile justice system. Services are delivered by life coaches and case managers who support students in developing leadership skills, improving academic performance, and making positive life choices. Programming includes tutoring, social-emotional learning, health and wellness, and referrals for additional family support services. The program is currently active in Broward County and has demonstrated success in reducing school-based incidents and justice system referrals. Funding from the Law Enforcement Trust Fund enhances the existing services by expanding enrichment activities and educational supports.

VI. SUMMARY DESCRIPTION:

Connections Divine Inc. is launching a powerful 12-month community program focused on healing, housing stability, and mental wellness for young adults and families experiencing homelessness and untreated mental health conditions in Broward County. Too often, individuals fall through the cracks, bouncing between shelters, emergency rooms, and the streets without consistent care, support, or a path forward. This program offers that path. Through intensive case management, trauma-informed life skills workshops, access to transitional housing referrals, peer support groups, and consistent mentorship, we aim to stabilize participants and restore dignity. Whether it's helping someone get their first apartment, reconnect with counseling services, or learn the skills to manage everyday stressors, this initiative will be a bridge between crisis and community, turning struggle into strength and survival into success.

VI. SUMMARY DESCRIPTION:

The Delta Education and Life Development Foundation's "Teen Lift: Opening Doors to Higher Education" program is a new initiative designed to inspire and prepare 45 at-risk high school students for higher education through a comprehensive three-day college tour across Florida. This program provides guided visits to six universities, including Florida A&M University, University of Florida, Florida State University, University of Central Florida, Bethune-Cookman University, and University of South Florida, complemented by college preparation and career planning workshops. The program aims to equip students with the knowledge and experiences necessary to pursue higher education, breaking down barriers typically faced by students from underprivileged backgrounds. The initiative includes educational materials, meals, transportation, and follow-up support, ensuring a holistic approach to fostering higher education aspirations among participants. This funding enhances the foundation's capacity to serve at-risk youth by providing new resources and support structures that currently do not exist within the organization.

VI. SUMMARY DESCRIPTION:

C3 Community: Broward Voices for Change is an inclusive initiative led by 211 Broward's Community Connections Council (C³) that brings together Broward residents and service providers to improve the local system of care. At the core of the program are Community Voices, individuals with lived experience, who are respected, included, and truly heard as they help identify needs and shape real solutions. In person and virtual meets will be held regularly. The insights from these sessions, will help to guide improvements for C3's person-centered, closed-loop care model and drive community-informed innovation. Areas that have begun to emerge as the highest needs have been housing, community safety, access to care, and system navigation. This initiative is not just about improving services, it's about transforming systems through shared experience and collective action.

VI. SUMMARY DESCRIPTION:

Vulnerable youth need a trusted connection to health-centered resources; specifically, services where their individual needs are prioritized. These youth require support that engages them where they live and congregate, offers them education that improves their health literacy, and directly facilitates their access to quality healthcare. With a goal to improve overall well-being, FLITE's Wellness Center (located next door to FLITE Center) encompasses an onsite primary healthcare clinic which ensures that the youth we serve, who often face barriers to accessing healthcare, receive comprehensive and timely services that address their unique needs.

VI. SUMMARY DESCRIPTION:

Boys to Gentlemen is a transformative life-skills development program that empowers teen boys and young adult men, ages 12 to 21, to grow into confident, respectful, and purpose-driven men. Mentorship begins through structured job shadowing experiences with a well-chosen group of successful men across diverse professional fields, recognizing that career exploration is a key part of identity formation for impressionable youth. Through dynamic workshops, hands-on guidance, and character-building activities, participants gain practical tools for personal growth and a successful transition into adulthood. Funding will expand access, deepen impact, and increase engagement opportunities by strengthening school partnerships and offering honorariums to attract more community-based male mentors. This investment supports an evidenced based model that continues to positively shape the trajectory of teen boys and young men in the community.

VI. SUMMARY DESCRIPTION:

Girl Scouts of Southeast Florida The Get Real! Program is an in-school mentoring program facilitated by Girl Scouts of Southeast Florida, which offers 100 at-risk middle school girls the opportunity to improve their self-esteem, form positive relationships, understand the impact of personal choices and behavior, and develop non-violent conflict resolution techniques. With a focus on academic success and connecting to caring mentors in the community, the program helps students increase their reading, writing, and life skills while providing opportunities to participate in community service projects. The Law Enforcement Trust Fund grant enhances this existing service by expanding the program to reach more vulnerable students in underserved schools throughout the county. Program participants demonstrate measurable improvements in school attendance, academic performance, and decreased disciplinary incidents compared to nonparticipating peers. This funding directly supports trained mentors, educational materials, and enrichment activities that build resilience and positive decision-making skills among participants.

VI. SUMMARY DESCRIPTION:

LETF grant funding enriches the existing annual 6-week Summer Job Readiness and Business Development classes at Grace Place School. This program offers hands-on job and life skills training and how to start and run a small business for youth that are deemed to be at risk of recruitment into illegal and destructive lifestyles including those who are referred by juvenile judges, probation officers, and other agencies serving the target population. This successful annual program empowers 45 students, ages 13-18, who can earn up to \$500 in wage incentives as they daily learn and exhibit the necessary job "soft skills" such as time management, teamwork, leadership, communication skills, and more as they attend class and/or work in the social enterprise, Stylin' with Grace, making and selling t-shirts. Life skills training covers topics such as conflict resolution, problem-solving, financial literacy, dealing with difficult people, managing emotional triggers, and avoiding risky behaviors. Teachers prepare and support students with resume creation, interviewing tips and practice, mock interviews, and helping students to explore and apply for local jobs.

VI. SUMMARY DESCRIPTION:

The Mentoring with Grace Wilderness Program is designed to empower trauma-impacted teens, ages 13-18, who are at high risk of being drawn into illegal and harmful lifestyles. Funding supports the enhancement of the mentoring program for Grace Place School students, offering them structured wilderness experiences twice during the 2025-2026 school year. The boys participate in specialized expeditions through a partnership with the Band of Brothers organization in Lake Wales, FL, while the girls have similar experiences camping at Quiet Waters Park in Deerfield Beach. These wilderness activities focus on skill-building exercises and mentoring by positive adult role models, aiming to foster hope for the future, resilience, and leadership potential. The program equips participants with the tools to overcome adversity, build confidence in decision-making, assume personal responsibility, and resolve conflicts while encouraging diversion from the juvenile justice system, and promoting safer communities.

VI. SUMMARY DESCRIPTION:

Adult Residential Treatment & Stabilization (ARTS) is a 16-bed level one state-licensed intensive residential program in Broward County for adults 18+ years of age who have a severe and persistent mental illness and may have cooccurring issues. The program accepts forensic referrals that are better served in a community setting than state hospitals and mental health receiving facilities. The program provides psychiatric services, psychosocial rehabilitation, life skills training, and other support for approximately three months. The TEACH Project was initiated in 2024-25 by having ARTS staff provide a variety of essential life skills to help residents lead independent and fulfilling lives.

VI. SUMMARY DESCRIPTION:

Healthy Mothers, Healthy Babies Coalition of Broward County's Emergency Basic Needs Program helps families in crisis maintain stability by covering essential expenses such as utility bills. By preventing utility disconnections, the program ensures that children and families remain safely housed in lit, climate- controlled homes, reducing risks associated with darkness, heat exposure, and displacement. This enhancement will support more families in financial distress, contributing to neighborhood safety by promoting housing security and family well-being. The program also connects participants to long-term resources to support overall stability and reduce repeat crises. Funding from the Law Enforcement Trust Fund will directly increase the number of households served and contribute to safer, more resilient communities.

VI. SUMMARY DESCRIPTION:

Helping Advance and Nurture the Development of Youth Inc. will enhance its existing LIFE Summer Camp to serve 100 at-risk youth in Broward County through a structured program focused on prevention, empowerment, and engagement. The summer initiative includes a six-week day camp and a one-week sleep-away experience at the Florida Sheriffs Youth Ranches, providing life skills training, mentorship, and trusted interaction with law enforcement. Participants engage in workshops, service learning, and career exposure that promote positive decision-making and reduce risk factors associated with youth justice system involvement. The program is a critical intervention during summer months, when youth face increased vulnerability to crime, disengagement, and instability. LETF funding supports transportation, food, hygiene supplies, and enrichment opportunities that ensure full and equitable participation.

VI. SUMMARY DESCRIPTION:

The Supportive Employment Program, led by Helping Advance and Nurture the Development of Youth, equips at-risk youth in Broward County with the tools to achieve economic stability and long-term self-sufficiency. Through career exploration, life skills development, and access to employment readiness resources, the program reduces barriers that contribute to poverty and potential criminal behavior. Participants receive personalized support including job coaching, financial literacy training, emergency assistance, and exposure to local industry partners. This program enhances an existing initiative by expanding access to critical services for youth who are homeless, aging out of foster care, or disconnected from school or work. Funding provides direct assistance for work clothing, food, transportation, housing, and job placement support.

VI. SUMMARY DESCRIPTION:

Henderson currently operates a Transitional Shelter for individuals experiencing homelessness within its Rainbow Villas location, where 9 of the 30 beds are set aside for individuals who are both homeless and Court involved through Broward County's Mental Health Court. However, many people admitted to Rainbow Villas are homeless at time of admission. Services at Rainbow Villas include 24-hour staffing; three meals and snacks daily; medication supervision; case management; group and individual therapy; and linkage to psychiatry and nursing services. The residential curriculum includes living skills training, substance abuse recovery support, onsite and community-based activities. The program assists clients in acquiring financial resources or employment, achieving psychiatric stability, strengthening independent living skills, resolving court cases, and securing permanent housing upon discharge.

VI. SUMMARY DESCRIPTION:

Koinonia Worship Center & Village's Smart Steps program serves 30 students in grades K-5 through a year-round reading enrichment and structured recreational program at our community-based learning center. The initiative will address the alarming statistics that 65% of 4th graders are not reading proficiently by offering targeted reading support, literacy games, and small-group instruction aligned with state standards. To foster a safe, engaging environment and reduce risk of youth interaction with the juvenile justice system, the program will also enhance our playground equipment and introduce structured recess and social-emotional learning through play. By combining academic intervention with safe recreation, the initiative aims to increase reading proficiency, improve behavior, and boost school attendance. Funding supports educational materials, certified reading tutors, playground upgrades, and program staffing.

VI. SUMMARY DESCRIPTION:

The STEM Literacy for All Summer Camp is a new prevention-based initiative designed to engage underserved youth in Broward County through literacy and technology-focused programming that diverts them from risky behaviors and potential involvement in the criminal justice system. Hosted in safe, accessible neighborhood spaces during out-of-school hours, the camp provides a structured environment where youth, ages 10-14, participate in hands-on STEM activities, guided reading sessions, and digital learning projects led by certified educators and community mentors. The program targets communities with high juvenile arrest rates and academic underperformance, offering a positive alternative that fosters critical thinking, academic achievement, and social-emotional development. Through weekly instruction over a 10-week period, students will improve reading comprehension, build foundational coding skills, and develop confidence in a supportive, skill-building environment. With community partnerships and measurable goals, this camp presents a scalable solution to youth disengagement and is an essential step in building safer neighborhoods.

VI. SUMMARY DESCRIPTION:

Literacy Connection's Rooted in Reading Book Festival is an established annual event that celebrates the power of literacy in Black and Brown communities. The festival engages children in a vibrant, day-long experience featuring diverse book giveaways, interactive activities, author meet-and-greets, and motivational presentations. The initiative strengthens home libraries, fosters a lifelong love of reading, and affirms cultural identity through literature. LETF funding will enhance the quality and scope of the festival, allowing Literacy Connection to reach even more children with enriching and empowering literacy opportunities. The program aims to close literacy gaps and build confident, capable young readers.

VI. SUMMARY DESCRIPTION:

Local Love's established "Give, Care, Love - Hope for the Holidays" program has annually supported vulnerable families in Oakland Park and Pompano Beach for over five (5) years during the winter break. Each year, this initiative distributes comprehensive holiday packages, including food, snacks, new toys, clothing, shoes, and toiletries, to over 300 low-to-moderate income families through accessible community events. A key feature is the integrated Community Resource Fair, offering families direct connections to vital local organizations providing services like health, housing, and employment assistance. With additional funding, the program will be able to enhance these events and foster a festive, inclusive atmosphere aimed at alleviating seasonal hardship while upholding the dignity of all participants. Ultimately, the program strengthens community bonds by providing essential support and facilitating access to broader resources for family well-being.

VI. SUMMARY DESCRIPTION:

Love Serving Autism will continue and enhance its existing therapeutic adaptive racquet sports program at the George English Park Tennis Center in Ft. Lauderdale, Florida, by delivering six (6) separate, six-week program sessions on Saturday afternoons from 4:00 PM to 5:00 PM, totaling 36 lessons with therapies throughout the service year. Each weekly one--hour class will include adaptive tennis and pickleball instruction led by certified coaches, licensed therapists (Speech, Occupational, Physical, and/or Behavioral), and supported by trained volunteers. Participants (youth with autism and other developmental disabilities) engage in racquet sport lessons tailored to their needs using Love Serving Autism's established curriculum while simultaneously receiving integrated on-court therapy services. Therapists will conduct individual participant baseline and re-evaluation assessments, with target skills and goals in communication, motor coordination, life, and behavioral skills documented in the agency's Health Insurance Portability and Accountability Act (HIPAA) compliant portal. Grant funding will enhance access to these therapeutic services, provide scholarships to high-need families, and improve outcomes related to community safety and long-term independence for neurodiverse youth living in Broward County.

VI. SUMMARY DESCRIPTION:

Lutheran Services Florida's Lippman Shelter in Broward County provides emergency housing, food, counseling, and trauma-informed care to runaway, homeless, and at-risk youth, ages 10-17, to prevent them from entering or progressing further into the juvenile justice system. This program enhancement will motivate youth to fully engage in supportive services, manage their behavior, and build life skills by rewarding them with outings every 3-4 weeks. Shelter residents will qualify for these events by demonstrated progress as reported through behavior management logs, caregiver feedback surveys, school records, and law enforcement reports. These events will be team-based, educational, and recreational, and will offer structured public activities that foster a sense of normalcy for youth.

VI. SUMMARY DESCRIPTION:

With South Florida's aviation industry expected to add more than 20,000 job openings in the next 10 years, it is essential to build a diverse, trained workforce from underrepresented communities that have equitable access to high-paying jobs in aviation. MODS will use LETF funding to support the Museum's Aviation Academy, a paid high school workforce development internship for youth from Broward County Title 1 schools. The Aviation Academy provides leadership development, life skills training and part-time employment at the Museum that encourages youth to pursue college and career pathways in aviation. Youth will participate in 250 hours of workforce experience as Museum aviation educators; symposiums with aviation and STEM professionals; excursions to aviation industries and facilities including CTS Engines, Fort Lauderdale-Hollywood International Airport and Kennedy Space Center; and participate in an FAA drone licensing course to receive professional certification in the field. Due to increased enrollment demand in previous years, MODS will expand the internship in 2025/26 from 25 to 35 interns—a 40% increase—with LETF funding.

VI. SUMMARY DESCRIPTION:

In partnership with the Boys & Girls Club of Broward County (BGCBC), the Museum of Discovery and Science (MODS) is founding a new Afterschool Club at MODS that will serve 40 at-risk youth, ages 9–11, attending Title 1 schools near downtown Fort Lauderdale. This initiative—the first collaboration of its kind in Broward—combines the best educational program elements of MODS and BGCBC into a unique experience providing youth with five (5) hours of afterschool programming each day including private access to the Museum after hours, immersive science demonstrations, outdoor activities, homework help, and dinner. The Afterschool Club at MODS will provide at-risk youth from diverse backgrounds with a safe and supportive experience that promotes academic, social, and emotional development and enhances a love for learning in an immersive museum setting that inspires curiosity, imagination, and creativity. The Afterschool Club at MODS will promote a Safe Neighborhood and Divert Youth from the Criminal Justice System by encouraging healthy lifestyle choices, improving academic success, and teaching critical life skills.

VI. SUMMARY DESCRIPTION:

To empower at-risk youth from low-income communities to graduate from high school, pursue college and explore career pathways in growing STEM careers, the Museum of Discovery and Science (MODS) will utilize LETF funding to support Everglades EcoExplorers—a year-long paid high school workforce development internship for 80 at-risk youth in Broward County. Each year, youth are recruited from low-income Title 1 high schools in Broward. On average, 84% of EcoExplorers live in households making less than the basic cost of living for Broward County, 72% of EcoExplorers are minority, and 25% reside in single parent households or in other living arrangements. Everglades EcoExplorers provides youth with workforce development, life skills training and part-time employment at the Museum that encourages them to pursue college and secure stable, high-paying jobs in STEM careers. Youth participate in 275 hours of paid workforce experience as Museum environmental educators; engage with diverse STEM professionals through guest speaker symposiums and networking events; participate in field excursions to the Florida Everglades, state parks and local environmental organizations; and provide their input on county resilience efforts in partnership with the Broward County Chief Resilience Officer. Since its inception, 200+ interns have successfully graduated from the program with many pursuing STEM careers in college.

**Re: Request for Appropriation – Law Enforcement Trust Fund (LETf)
Oasis of Hope Community Development Corporation Inc.**

Dear Mayor Furr and Board Members:

Request is hereby made for the following described appropriation from the Law Enforcement Trust Fund (LETf).

- I. **AMOUNT REQUESTED:** \$10,000
- II. **LETf ACCOUNT:** ☒ State/Local ☐ Federal/Justice ☐ Federal/Treasury
- III. **AMOUNT & TYPE:** \$10,000 State/Local
- IV. **USER:** ☐ BSO ☒ Other

| <input checked="" type="checkbox"/> Safe neighborhood | <input type="checkbox"/> School resource officer |

VI. SUMMARY DESCRIPTION:

Oasis of Hope Community Development Corporation will use LETF funding to continue its ongoing Homeownership Incubator Program, which prepares low-to-moderate income renters for successful homeownership. The program offers one-on-one counseling, financial literacy workshops, and group sessions led by The Department of Housing and Urban Development-certified housing counselors (HUD). Participants receive guidance on how to manage money (budgeting), rebuilding credit (increase credit scores), and how to reduce spending (to increase savings) for the one to three percent needed to become a new homeowner. The program partners and connect eligible individuals to down payment and closing cost assistance programs, as well as opportunities to purchase affordable new construction homes. Funding will enhance this existing program to reach more families in need of stable housing solutions.

VI. SUMMARY DESCRIPTION:

Hidden Voices is a youth-driven documentary film project designed to empower young people to explore and share the unique stories of their communities. This project will provide paid internships for youth, offering hands-on experience in filmmaking, storytelling, and digital media production. Through this program, participants will learn critical skills in research, interviewing, video production, and editing while highlighting the diverse voices and experiences within their neighborhoods. Funding for this project will enhance existing youth development services by expanding creative career pathways and fostering a deeper connection to community issues. This initiative will provide young people with a powerful platform to inspire change and share their perspectives with a broader audience.

VI. SUMMARY DESCRIPTION:

The Pace Reach Counseling and Therapy Program (Reach) started its pilot program at Pace Center for Girls Broward in 2009. Reach has since been replicated in 21 communities throughout Florida, Georgia, and South Carolina. Reach is a prevention and early intervention program providing gender-responsive, trauma-informed, and strength-based therapy services to at-risk girls with mental health stressors, Adverse Childhood Experiences (ACEs), and risk factors (trauma, academic failure, substance abuse, and other risk-taking behaviors) that often lead to juvenile justice involvement. Reach Broward provides social emotional and behavioral health counseling and case management to more than 300 adolescent girls ages 8-21 (and their families) annually and is free of charge.

VI. SUMMARY DESCRIPTION:

The Hallandale Beach Police Athletic League (PAL) will launch a mobile Community Outreach Trailer to serve as a hub for youth engagement, life skill development, and public safety outreach during citywide events. This new program will allow PAL to expand its reach beyond traditional facility-based programs and provide structured, supervised activities to Hallandale Beach youth in community-based settings. The trailer will also be deployed in unstructured environments (e.g., community events) to offer safe, visible spaces for positive law enforcement interaction and keep youth meaningfully engaged in public settings. These combined approaches help reduce idle time, discourage risky behavior, and divert youth from potential involvement in the criminal justice system. This initiative represents PAL's first formal effort to organize and evaluate its community outreach using a mobile platform focused on youth crime prevention.

VI. SUMMARY DESCRIPTION:

The Youth Mentoring program at the Police Athletic League of Hollywood aims to bolster the existing Police Explorer initiative, which is designed to cultivate interest in law enforcement careers among young individuals. This program will enhance the current services by providing additional resources such as updated training materials, uniforms, and opportunities for practical experience in community policing. The funding will not only enrich the educational components but also facilitate mentorship programs by pairing participants with experienced officers, fostering a deeper understanding of law enforcement responsibilities. The funding is intended to augment the existing framework to ensure the program can expand its reach and impact more aspiring individuals.

VI. SUMMARY DESCRIPTION:

Police Athletic League (PAL) of Lauderhill will use LETF funds to expand the existing athletic and sports activities provided to juvenile and at-risk youth by adding the Flag Football program. Fastly gaining popularity, the program will be held at Parkway Middle School (students ages 11-15) and will piggyback off the success of the Flag Football program offered by PAL of City of Miami. The School Resource Officer at Parkway Middle school will be in charge of the Flag Football program with an anti-bullying component to be conducted by Police Officers and volunteers. The Flag Football program is supported by the Parkway School administration and is an after-school athletic activity on the school's grounds for easy access to students. High school Flag Football provides scholarship program opportunities, and Lauderhill PAL proposes to prepare students from the Middle School with conditioning and training opportunities.

VI. SUMMARY DESCRIPTION:

Sheridan House Family Ministries will use LETF funds to enhance its existing Mental Wellness Program to serve a greater number of at-risk youth and families within Broward County. The program provides counseling services by equipping individuals with coping skills, emotional regulation strategies, and structured support that deters engagement in risky behaviors. Services are delivered by licensed professionals and target mental health challenges such as anxiety, trauma, and family conflict, factors often linked to juvenile delinquency. Funding will expand the program's capacity to offer financial assistance to those who cannot afford the full cost of care, increasing access to early intervention. All services will be offered exclusively within Broward County.

VI. SUMMARY DESCRIPTION:

The funding will be used to continue and enhance the afterschool Scouting/Science programming focused on Science, Technology, Engineering, Arts, and Math for at least 10 youth at Lafayette Hart Park and will support the initiation of a new program at Reverend Samuel Delevoe Memorial Park and Franklin Park. This program will serve at least 25 youth in each location, as there are currently no Scouting programs and minimal youth activities in these areas. The Scouting Program has three (3) specific objectives: character development, citizenship training, and personal fitness, and Boy Scouts incorporates these into all their outreach programs. In Cub Scouts, youth enjoy fun and adventure in a program that builds character and instills the values of citizenship, compassion, cooperation, courage, faith, health and fitness, honesty, perseverance, positive attitude, resourcefulness, respect, and responsibility. These values impact youth at all levels of the Scouting program- all while they are having an exciting time with their friends and families.

VI. SUMMARY DESCRIPTION:

The funding will be used to continue and enhance the afterschool Scouting/Science programming focused on Science, Technology, Engineering, Arts, and Math for at least 95 youth at Pompano Beach Elementary School. The Scouting Program has three (3) specific objectives: character development, citizenship training, and personal fitness, and Boy Scouts incorporate these into all their outreach programs. In Cub Scouts, youth enjoy fun and adventure in a program that builds character and instills the values of citizenship, compassion, cooperation, courage, faith, health and fitness, honesty, perseverance, positive attitude, resourcefulness, respect, and responsibility. These values impact youth at all levels of the Scouting program - all while they are having an exciting time with their friends and families. Science, Technology, Engineering, Arts & Math education creates critical thinkers, increases science literacy, and enables the next generation of innovators.

VI. SUMMARY DESCRIPTION:

South Florida Wellness Network's (SFWN) Scholarships for Recovery Residence program will provide 30-day scholarships (vouchers) for ten (10) individuals upon release from a BSO detention facility who are seeking sustainable recovery from a substance use disorder (SUD) and/or co-occurring mental health/substance misuse diagnosis. A SFWN Recovery Peer Specialist will evaluate each participant and arrange a scholarship for admission to a Florida Association of Recovery Residence (FARR) certified recovery residence program in Broward County and provide recovery support services, linkage to resources, employment readiness skills, and distribution of bus passes to improve access to services and gift cards for food and incidental needs. SFWN has more than a decade of expertise and experience in facilitating recovery residence vouchers needed to implement this program. LETF grant funds will allow the continuation of recovery residence scholarships, gift cards for incidentals, and successful reintegration of former inmates into the community.

VI. SUMMARY DESCRIPTION:

The South Florida Wellness Network's (SFWN) Youth Wellness and Creativity Program will provide youth with access to diverse activities that promote mental wellness, foster creativity, and build leadership skills by engaging 20 youth (ages 12-18) with mental health and/or substance misuse challenges to enhance their social connectedness and provide social support and prevention all while reducing the chance of criminal involvement. The program is offered at two SFWN Recovery Community Centers in Broward County, twice weekly for workshops in creative arts, sports, creative writing, financial literacy, mental health literacy, goal setting, and leadership development, as well as quarterly off-site recreational activities, healthy snacks, and incentives for participation. LETF grant funds will be used to enhance this existing program to address the growing number of youth with emotional distress.

VI. SUMMARY DESCRIPTION:

The Born on Purpose Project's Play on Purpose program is a family-centered initiative designed to strengthen community safety by fostering connection, joy, and emotional well-being through intergenerational events. From gatherings like Skate on Purpose to intimate indoor family experiences, the program creates consistent, safe spaces where children can play freely, and parents can engage without stress of judgement. By promoting bonding, emotional regulation, and positive decision-making, this program helps reduce the risk of youth involvement in high-risk behavior. The program supports the belief that strong family connections are a foundation for safer, more resilient neighborhoods. Funding will be used to enhance this existing service by expanding event access, outreach, and wellness-based programming throughout Broward County.

VI. SUMMARY DESCRIPTION:

The Born on Purpose's Project RESET is a full-day, evidence-based wellness program to reduce burnout, manage secondary trauma, and promote mental well-being among professionals in service-oriented roles. Through guided self-care experiences, resilience workshops, and peer support circles, participants gain tools to navigate stress both personally and professionally. The program equips frontline workers with strategies that enhance emotional regulation, improve morale, and prevent long-term mental health decline. By investing in those who care for others, Project RESET contributes to stronger, more stable communities. Funding will be used to expand access, deepen the wellness curriculum, and reach additional professionals throughout Broward County.

VI. SUMMARY DESCRIPTION:

The Therapeutic Farm Program at The Lucky Horse Sanctuary provides weekly group psychotherapy and substance use prevention education to youth and adults receiving residential behavioral health care. Clients are typically unhoused, living with serious mental illness, and have extensive trauma histories that complicate their recovery from substance use disorders. In collaboration with mental health and addiction treatment facilities across Broward County, the program offers trauma-informed, animal-assisted therapy at no cost to clients identified as most in need. This holistic approach fosters engagement, emotional regulation, and resilience in individuals who often struggle to access or sustain traditional treatment. Funding from LETF will expand access to care, allowing the program to reach more underserved clients by subsidizing treatment costs and strengthening community partnerships.

VI. SUMMARY DESCRIPTION:

The Village South's Living Involves Family Empowerment (LIFE) Program serves youth (aged 12 to 17) in Broward County with substance use or co-occurring mental health diagnoses. It offers substance abuse treatment, individual and family therapy, case management, in-home or on-site services, and weekly urinalysis and alcohol testing to support recovery. A dedicated treatment team, including clinicians providing weekly therapy and case managers offering support one to two times per month, tailors individualized plans for each participant. LETF funding will be used to enhance the Living Involves Family Empowerment program by providing a portion of staff salaries to carry out the program in Broward county.

VI. SUMMARY DESCRIPTION:

Unmute Yourself's Building Leaders, Aspiring to Zeal and Excellence (B.L.A.Z.E.) onsite program is a trauma-informed, restorative justice initiative that serves court-involved middle and high school students enrolled at Whiddon Rogers Education Center. The program engages youth through leadership development, entrepreneurship education, and school-to-career pathway planning designed to foster personal transformation, accountability, and purpose. Rooted in the belief that healing and opportunity are essential to breaking cycles of incarceration, B.L.A.Z.E. provides students with mentorship, peer dialogue, and hands-on learning experiences that prioritize emotional safety and future readiness. Funding will enhance this existing service by supporting curriculum expansion, guest speaker honoraria, and industry recognized certification opportunities. Through structured support and skill-building, the program empowers youth to rewrite their narrative, reconnect to education, and pursue a future beyond detention.

VI. SUMMARY DESCRIPTION:

Unmute Yourself's Determined Voices Advocating Against Silence (D.V.A.A.S.) is a year-long, ten-session community engagement initiative that equips domestic violence survivors, advocates, and community members with tools for healing, safety, and sustained advocacy. Through a series of trauma-informed workshops and a culminating public symposium, the program addresses the emotional, legal, financial, and relational complexities of domestic violence. Now entering its third year, this initiative seeks funding to expand its reach and enhance its impact by increasing participant capacity, strengthening outreach efforts, and elevating survivor-centered storytelling. By fostering education, empowerment, and collective action, the program aims to reduce stigma, prevent future violence, and restore hope. Funding will enhance an existing and demonstrably effective service.

VI. SUMMARY DESCRIPTION:

The S.O.A.R.: Student Opportunities for Advancement and Resilience Spring Break Intensive is a transformative youth program that equips middle and high school students with critical life skills during their time away from school. Lauded for its powerful impact and overwhelming success in its most recent implementation, the program offers a vibrant mix of educational workshops, hands-on projects, and immersive field trips. Designed to inspire leadership, resilience, and purpose, it meets the urgent community demand for safe, enriching, and forward-focused opportunities for youth. With this funding, the program will expand its reach and elevate its offerings, giving even more students access to meaningful experiences that prepare them for life beyond the classroom. Every dollar invested supports a proven model of youth empowerment that strengthens individuals and the communities they call home.

VI. SUMMARY DESCRIPTION:

The Urban League of Broward County's Crime Prevention and Intervention (CPI) program is an evidence and community-based crime prevention/intervention program. This initiative promotes healthy alternatives to risky behavior via life skills activities designed to teach youth the requisite skills to resist social (peer) pressure, develop greater self-esteem and self-confidence, and empower them to effectively cope with anxiety. Participants in the program benefit from an array of vital holistic supports including anger management, youth gang resistance education, tutoring, teen summits, employability skills, social responsibility, law enforcement engagement, and community bridge building activities. Funding for this program will be used to enhance an existing service provided by the Urban League of Broward County's Community Justice Division.

VI. SUMMARY DESCRIPTION:

The Urban League of Broward County's Youth Hate Crime Education and Prevention Program focuses on educating youth and the broader community about the impact of hate crimes, how to report them, and available support resources. Through interactive workshops, leadership development, and community forums, this program empowers residents, particularly youth, to recognize and respond to bias-motivated incidents. By fostering collaboration with law enforcement, the initiative aims to strengthen trust, increase reporting, and promote safer, more inclusive neighborhoods. This program not only works to address the underreporting of hate-related crime by impacted youth but also works to create a safer environment for all Broward County residents to live, work, play, and worship. Funding for this program will be used to enhance an existing service provided by the Urban League of Broward County's Community Justice Division.

VI. SUMMARY DESCRIPTION:

Whoamentoring Works, Inc. will use LETF funding to expand its "Like Whoa" Performing Arts Academy to provide a creative, structured diversion program for marginalized youth in Broward County. This initiative uses performing arts as a tool to promote positive youth development and decision making, emotional expression and healing, and conflict resolution, while also reducing the likelihood of juvenile justice involvement. With this funding, the program will continue its summer model and expand into a semester-based format throughout the 2025-2026 school year offering after-school workshops in theater, drama, dance, and music, led by professional teaching artists and trained mentors. Funding from this grant will enhance an existing service by increasing program capacity, extending reach to more youth referred by schools and community partners, such as DJJ and Broward Diversion Coalition and integrating trauma-informed, restorative theater circles, emotional intelligence, and conflict resolution. This program supports the Sheriff's priority to divert youth from the criminal justice system by fostering resilience, accountability, and self-worth through the arts.

VI. SUMMARY DESCRIPTION:

Women In Distress will utilize LETF funding to enhance their existing 24-Hour Crisis Hotline (954-761-1133; TTY/TDD: 711), a free and confidential domestic violence hotline that provides around-the-clock crisis intervention, counseling, safety planning, advocacy, and referrals and information on available resources for victims and their families. The 24-Hour Crisis Hotline is the first point of contact survivors have with Women In Distress and can be the first time they disclose domestic violence abuse to anyone. With the help of trained hotline advocates, survivors are empowered with the information and support necessary to seek safety and resources to help. Last fiscal year, the hotline answered 10,464 calls, making it one of the busiest among Florida's 40 state-certified domestic violence hotlines. LETF funds will pay for a portion of the Lead Hotline Advocate's salary and benefits, thereby ensuring 24-hour domestic violence crisis hotline services in Broward County, FL remain accessible 24 hours a day, 7 days a week to victims, family members, law enforcement, and other callers.
