

External Quality Control Review of The Office of the County Auditor

Office of the County Auditor

Report

Robert Melton, CPA, CIA, CFE, CIG County Auditor

Quality Control Review Performed by: Cummings-Grayson & Co., P.A.

> Report No. 25-28 September 30, 2025

OFFICE OF THE COUNTY AUDITOR

115 S. Andrews Avenue, Room 520 • Fort Lauderdale, Florida 33301 • 954-357-7590 • FAX 954-357-7592

September 30, 2025

Honorable Mayor and Board of County Commissioners

The County Charter requires our office to follow *Government Auditing Standards* (GAS). These standards require our office to obtain an external Quality Control review conducted by auditors independent of our organization. Accordingly, our office contracted with Cummings Grayson & Co. to perform the Quality Control Review during September 2025.

The objectives of the quality control review were to determine whether our office's system of quality management was suitably designed and operating effectively to provide reasonable assurance we complied with GAS issued by the Comptroller General of the United States of America.

The Quality Review Team issued our office a rating of Pass. Based on the results of their review, it is their opinion that our internal quality control system was adequately designed and operated effectively to provide reasonable assurance of compliance with *Government Auditing Standards* and applicable legal and regulatory requirements for engagements. This is the highest possible rating specified by GAS. The Pass rating allows our office to cite that we conduct applicable audit engagements in accordance with GAS. The report issued by the CPA firm contained no opportunities for improvement.

Respectfully submitted,

Bot melton

Robert Melton, CPA, CIA, CFE, CIG County Auditor Office of the Broward County Auditor 115 S. Andrews Avenue, Ste, 520 Fort Lauderdale, F 33301

Dear Mr. Melton:

We have completed a peer review of the Office of the County Auditor for the period October 1, 2023, to September 30, 2024. In conducting our review, we followed the standards and guidelines contained in the *Peer Review Guide for Assessing Conformance with Government Auditing Standards* published by the Association of Local Government Auditors (ALGA).

We reviewed the internal quality control system of your audit organization and conducted tests to determine whether your internal quality control system was adequately designed and operating effectively to provide reasonable assurance of compliance with *Government Auditing Standards* issued by the Comptroller General of the United States and applicable legal and regulatory requirements. Our procedures included:

- Reviewing the audit organization's written policies and procedures.
- Reviewing internal monitoring procedures.
- · Reviewing a sample of engagements and working papers.
- Reviewing nonaudit activity and working papers.
- Reviewing documents related to independence, training, and development of auditing staff.
- Interviewing auditing staff and management.

Due to variances in individual performance and judgment, compliance does not imply adherence to standards in every case but does imply adherence in most situations. Organizations can receive a rating of pass, pass with deficiencies, or fail. Office of the Broward County Auditor has received a rating of pass.

Based on the results of our review, it is our opinion that the Office of the Broward County Auditor's internal quality control system was adequately designed and operating effectively to provide reasonable assurance of compliance with *Government Auditing Standards* and applicable legal and regulatory requirements for engagements during the period October 1, 2023, to September 30, 2024.
