1. Summary of the proposed ordinance (must include statement of the public purpose, such as serving the public health, safety, morals, and welfare):

In 2025 the Office of Intergovernmental Affairs (“OIA”) conducted a “sunset review” of all existing Broward County boards, committees, authorities, and agencies, as required by Section 2.09 of the Broward County Charter and Sections 1-244 through 1-247 of the Code. As a result of the sunset review, OIA recommended to the Board that certain boards, committees, authorities, and agencies be “retained with changes” to the applicable authorizing legislation or be retained without changes to the applicable authorizing legislation, while others were to be repealed. On June 10, 2025, the Board directed the County Attorney’s Office to prepare a resolution or ordinance, as applicable, to effectuate OIA’s recommendations.

If enacted, the proposed Ordinance will amend the Code to implement OIA’s recommendations. Recommendations from OIA concerning the Animal Care General Trust Fund were omitted from the proposed Ordinance and will be amended in a separate review of Chapter 4 of the Code, which is currently in progress.

2. Estimate of direct economic impact of the proposed ordinance on private, for-profit businesses in Broward County, including, if applicable:

- a. Estimate of direct compliance costs that businesses may reasonably incur;
- b. Any new charge or fee imposed by the proposed ordinance; and
- c. Estimate of the County’s regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

It is estimated that there will be no direct economic impact on private, for-profit businesses in Broward County. There are no new charges, fees, or regulatory costs associated with the ordinance.

3. Estimate of the number of businesses likely to be impacted by the proposed ordinance:

It is estimated that there will be no direct economic impact on private, for-profit businesses in Broward County.
