FY25-lbekdash-S-
027

These amendments are entered into between the parties identified on the attached program signature form. They amend the Enrollment or Agreement identified above. All terms used but not defined in these amendments will have the same meanings provided in that Enrollment or Agreement.

Enterprise Enrollment Multi-Tenant Enrollment Amendment M130

1. **Definitions.**

- a. "Lead Enrollment" means the Enrollment number listed at the top of this Amendment.
- b. "Tenant" means the environment established by Microsoft on its multi-tenant servers from which Online Services are hosted for Enrolled Affiliate's Enterprise.
- c. More information about Tenants may be found in the applicable Services Descriptions posted to the following or a successor site Microsoft identifies: <http://technet.microsoft.com/en-us/library/jj819284.aspx>
- d. "Tenant Administrator" means any licensed user of a Tenant that has their role set to "Global Administrator" in their profile settings in the Tenant User Administration page of the tenant portal. A Tenant can have multiple users configured as "Global Administrator" and in this case there is no differentiation of technical capabilities between them, they are each Tenant Administrators for that Tenant and can perform their technical functions unilaterally. The login credentials must be unique across the entire global system for each user, including but not limited to, users that are configured as Tenant Administrators. Each Tenant will require Tenant Administrator(s).

2. **Tenant Enrollment terms.**

- a. Customer Data in each Tenant is logically isolated from Customer Data in other Tenants, and each Tenant is managed separately by Tenant Administrator(s) using entirely different login credentials. Two Tenants may not share Tenant Administrator(s) with the same login credentials or share data objects such as address lists or SharePoint Online sites.
- b. To enable multiple Tenants for Online Services Plans, as identified in the Product Terms, Enrolled Affiliate can request assignment of an enrollment number ("Tenant Enrollment") for each Affiliate (or a department or division thereof), or subset of Affiliates, included in its Enterprise, or a department or division of Enrolled Affiliate, that require separate Tenants ("Tenant Affiliate"). Tenant Enrollments may only be established for Affiliates (or a department or division thereof) included in the Enrolled Affiliate's Enterprise in the "Enrolled Affiliate's Enterprise" section of the Enrollment or for a department or division of Enrolled Affiliate.

- c. To facilitate Tenant Enrollments for Tenant Affiliates, the parties agree that an enrollment number will be assigned for each Tenant Affiliate listed in the Tenant Information Excel Form attached as an Appendix to this Amendment. Enrolled Affiliate hereby accepts the terms and conditions of the Lead Enrollment on behalf of each Tenant Affiliate. Enrolled Affiliates represents and warrants that it has the right, power, and authority to accept on behalf of Tenant Affiliate.
- d. Notwithstanding that the Tenant Affiliates listed in the Tenant Information Excel Form attached as an Appendix will appear as Enrolled Affiliates in Microsoft's Volume Licensing Servicing Center ("VLSC"), Enrolled Affiliate acknowledges and agrees that it is the sole Enrolled Affiliate, and sole Licensee, with respect to each Tenant Enrollment, and Enrolled Affiliate will be solely responsible for each Tenant Enrollment's compliance with the terms and conditions of the Lead Enrollment and the associated Enterprise Agreement.
- e. Price level under each Tenant Enrollment will be the same level that is reflected on the Product Selection Form and is based upon the aggregate of License and Software Assurance quantity of the Lead Enrollment and each Tenant Enrollment as described in the Product Selection Form or as described in other agreement documents.
- f. The effective date, term, anniversary dates and payment dates for each Tenant Enrollment shall coincide with the Lead Enrollment identified above.
- g. All Product Licenses that are not covered in the scope of the Online Services must be purchased under the Lead Enrollment, including Enterprise Products and Additional Products.
- h. Enrolled Affiliate must submit an annual order (EAS Enrollments) or annual True Up order (EA Enrollments) for each Tenant Enrollment as per the terms of the Lead Enrollment and (if applicable) the submission of an Update Statement under each Tenant Enrollment. The initial order and all subsequent orders will be submitted separately for each respective Tenant Enrollment. For any included Affiliate that remains licensed with on-premise Licenses and does not require a separate Tenant Enrollment, orders must be placed under the Lead Enrollment.
- i. Tenant Enrollment is exempt from the minimum order requirement in section 2.a of the Lead Enrollment.
- j. If the Enrolled Affiliate is Transitioning Licenses (as contemplated in the Lead Enrollment), Licenses from which the Enrolled Affiliate is Transitioning will be reduced from the Lead Enrollment identified above and the Licenses to which the Enrolled Affiliate is Transitioning will be ordered under the specific Tenant Enrollment(s).
- k. Each Tenant Enrollment may be managed separately in VLSC (or a successor site) by the individuals whose names and contact information are identified in Tenant Information Excel Form attached as an Appendix to the Amendment, or by other individuals to whom each Tenant Affiliate may delegate such management responsibilities, to the same extent as if such Tenant Affiliate had enrolled separately as an Enrolled Affiliate under the Enterprise Agreement pursuant to its own Enrollment.
- l. Enrollment acceptance and order reminders will be sent to contact(s) identified on the Lead Enrollment only.

3. Technical considerations for multi-Tenant deployment.

Each Tenant Affiliate will be assigned a separate Tenant, provided that it complies with the terms and conditions of this Amendment.

Each Tenant Affiliate will manage its Tenant separately in the administrator console. This will permit and require each Tenant Affiliate to be managed and operated independently of the other.

Due to the independent nature of each Affiliate Tenant from the other, there will be a number of technical boundaries associated with managing or using the tenants together, including but not limited to those in the following list:

- a. No ability to provide consolidated administrative reporting or control across Tenants, no automated ability to move users between Tenants. For example, if a user moves from one Tenant Affiliate to another, this will require Tenant Administrators to manually create new User accounts, download mail to PST files and import, and delete old user.
- b. No consolidated Global Address List for all Tenants.
- c. No ability for a single individual with the same Tenant Administrator login credentials to manage more than one Tenant. However, it is possible for a single person to have unique login credentials for each tenant as long as they track their own login credentials.
- d. No ability to share domain names across Tenants, no ability to share SIP domains (each Tenant will have a separate Skype for Business Online SIP domain).
- e. Separate Licenses required if users in one Tenant need to access SharePoint Online in another Tenant, no master SharePoint content index combining all Tenants (each Tenant's index will be restricted to that Tenant).
- f. Additional on-premise configuration required for directory synchronization; some scenarios may not be possible. Affiliate is advised to consult with technical specialists prior to signing this Amendment to determine if their proposed configuration will work.

4. Contact Information for Tenant Enrollment

- a. Primary Contact. For purposes of delineating enrollments, Tenant Enrollments will be delineated uniquely in the enrollment details to be displayed on VLSC with the following format "Tenant-Lead Enrollment number-Tenant Affiliate Name". This name must be provided in the Tenant Information Excel Form attached as an Appendix for this Amendment under Tenant Affiliate Name. The individual contact identified as Primary contact will be the same individual with the same physical address across all Tenant Enrollments as identified on the Lead Enrollment.
- b. For each Tenant Enrollment, an Online Services Manager must be provided in the Tenant Information Excel Form attached as an Appendix to this Amendment.
- c. Microsoft may, from time to time, contact the Online Services Manager regarding the Tenant(s).
- d. Warning: If the Online service Manager Contact is a third party (not Enrolled Affiliate) please be aware that this contact receives personally identifiable information of the Customer and its Affiliates.

This Amendment must be attached to a signature form and accompanied by the *Tenant Information – Excel Form* to be valid. The Number of tenant(s) listed in the *Tenant Information – Excel Form* file is: 2.

Enterprise Enrollment Invoice for Quoted Price Amendment ID M97

The price quoted to Enrolled Affiliate is a fixed price based on an estimated order submission date. Microsoft will invoice Enrolled Affiliate based on this fixed price quote. If this order is submitted later than the estimated order submission date, Enrolled Affiliate will be charged for net new Monthly Subscriptions (including Online Services) for the period during which these services were not provided. For Indirect models, Pricing to Enrolled Affiliate is agreed between Enrolled Affiliate and Enrolled Affiliate's Reseller.
