(RLI # 20061111-0-PTOPS-1JR)**

This Eleventh Amendment ("Amendment") is entered into between Broward County, a political subdivision of the State of Florida ("County"), and G.F.C. Crane Consultants, Inc., a Florida corporation ("GFC") (each a "Party" and collectively referred to as the "Parties").

RECITALS

A. The Parties entered into the Agreement for Rail Mounted Container Gantry Crane Maintenance and Repair, dated June 5, 2007 (the "Original Agreement").

B. The Original Agreement was amended by a First Amendment, dated January 29, 2009, which added a labor billing category for welders; a Second Amendment, dated September 24, 2009, which temporarily adjusted the Management Fee; a Third Amendment, dated December 6, 2011, which exercised the Option Term; a Fourth Amendment, dated July 5, 2013, which modified the named subcontractors and related billing rates; a Fifth Amendment, dated June 2, 2015, which extended the term to allow the Parties to negotiate a five-year extension; a Sixth Amendment, dated September 1, 2015, which extended the term by five years; a Seventh Amendment, dated August 16, 2016, which increased the annual dollar limits for labor billings; an Eighth Amendment, dated September 25, 2017, which further increased the annual dollar limits for labor billings; a Ninth Amendment, dated September 22, 2020, which extended the term to allow the Parties to negotiate another five-year extension; and a Tenth Amendment, dated November 10, 2020, which extended the term through September 30, 2025. The Original Agreement, as amended by the First Amendment through the Tenth Amendment, is referred to herein as the "Agreement."

C. The Parties now desire to amend the Agreement to further extend the Agreement for an additional year, with two optional additional 90-day extensions, while County conducts a new solicitation for these services.

D. GFC has advised County that, as of the effective date of this Amendment, GFC is engaged in collective bargaining negotiations with the unions representing GFC's employees, and such negotiations have not yet resulted in final, agreed-upon terms and conditions of employment.

E. The Parties acknowledge that the labor rates set forth in Exhibit C(11) to this Amendment do not reflect the result of the aforementioned union negotiations and, if the result of those negotiations are that GFC agrees to labor rates in excess of those reflected in Exhibit C(11), the Parties may continue under the terms of the Agreement or exercise the options to terminate the Agreement or negotiate a further amendment, as set forth herein.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. The above Recitals are true and correct and are incorporated herein by reference. All capitalized terms not expressly defined within this Amendment shall retain the meaning ascribed to such terms in the Agreement.

2. Unless otherwise expressly stated herein, amendments to the Agreement made pursuant to this Amendment are indicated herein by use of strikethroughs to indicate deletions and underlining to indicate additions. Except as modified herein, all remaining terms and conditions of the Agreement shall remain in full force and effect.

3. Section 3.1 of the Agreement is amended as follows:

3.1 The term of this Agreement shall begin on July 11, 2007, and shall expire at 11:59 p.m. on ~~September 30, 2025~~ September 30, 2026 ("term"), unless sooner terminated as provided herein. Collectively, the term as extended by each additional extension, if exercised, is referred to as the "term." If the term of this Agreement extends beyond a single fiscal year of COUNTY, the continuation of this Agreement beyond the end of any fiscal year shall be subject to the appropriation and availability of funds in accordance with Chapter 129, Florida Statutes.

I. Management Cost Fee

- 1) The Management Cost Fee is a lump-sum negotiated amount not subject to adjustments except as noted in item (3) below.
- 2) The Management Cost Fee was negotiated to include a 6% increase from year 18 to 19, then a 3% increase for year 20 (the optional extensions).
- 3) The Management Cost Fee in years 18 through 20 is as follows:

• Year 18 (Oct. 1, 2024 - Sept. 30, 2025)	\$ 1,169,985.95
• Year 19 (Oct. 1, 2025 - Sept. 30, 2026)	\$ 1,240,185.11
• Year 20 (Each Extension)	\$ 314,973.04

(based on a 90 day extension)
- 4) The Management Cost Fee for year 19 shall be paid by County to GFC in weekly installments in the amount equal to 1/52 of the total Management Cost Fee for year 19. The Management Cost Fee for each extension term in year 20 shall be paid by County to GFC in weekly installments in the amount equal to 1/13 of the total year 20 Management Cost Fee listed above. The Profit Fee for each extension in year 20 shall be paid by County to GFC in weekly installments in the amount equal to 1/13 of the total Profit Fee set forth above for year 20 (based on a 90-day extension) term.
