that one (1) of the following has occurred: Nno building permit application was filed within thirty (30) days after the Housing and Urban Planning Division approval authorized under Section 27-66 of the Broward County Code of Ordinances ("Code"); the building permit application has expired; or the building permit was issued and has expired. The amount of money to be deposited for each dwelling unit to be constructed shall be as follows:

Fee assessments and credits shall occur during the review of construction plans submitted for County <u>Development and</u> Environmental Review Approval required by Section 27-66, Broward County Code of Ordinance of the Code, with the payment occurring no later than at the time of building permit issuance. Payments shall not be accepted prior to this review. No building permit shall be issued by the County or by any municipality without confirmation from the <u>Urban Planning Division School Board</u> that the applicable school impact fees have been paid.

. .

(6) Funds deposited pursuant to this section shall be segregated according to planning areas as set forth in the map herein, Figure 5A, "Broward County Public Schools Planning Areas."

. .

 d) The School Board may leverage school impact fees to pay for existing and new debt service or for previously approved projects,

68		provided there is a reasonable connection to, or a rational nexus
69		with, the increased impact generated by the new residential
70		development, consistent with Section 163.31801, Florida Statutes,
71		as amended.
72		
73	(7)	The County shall remit quarterly to the School Board mMonies from the
74		funds hereunder created, to shall be spent by the School Board in its sole
75		discretion, subject to such agreements between the County and the
76		School Board as may be necessary to ensure that the requirements of this
77		section and other applicable laws are met. The School Board shall furnish
78		to the County, at least annually, and no later than within three (3) months
79		after the end of the School Board's fiscal year, a report specifying the
80		School Board's receipts and expenditures, by site and planning area, of
81		the monies collected.
82		
83	Section	on 3. Section 5-184 of the Broward County Code of Ordinances is hereby
84	amended to	read as follows:
85	Sec. 5-184.	Presumptions, limitations, agreements, and security for development
86	review requ	irements.
87		
88	(b)	Limitation on required dedications and improvements; money in lieu of
89	dedications	and improvements.
90		

(2) The amount of money required to be deposited with the County and, as applicable, the School Board, in lieu of dedication requirements and improvements shall be determined pursuant to the specific standards set forth Section 163.31801, Florida Statutes, as amended. The use of such funds will be restricted to the acquisition, expansion, and development of service facilities for new users, provided that one percent (1%) of the funds received for roadway and park purposes pursuant to Sections 5-182.2, 5-182.7, and 5-182.12(d) shall be retained for administrative purposes, and two percent (2%) of the funds received for transportation concurrency and educational purposes, pursuant to Section 5-182.1(a)(5)a) and the "Agreement between Broward County and The School Board of Broward County, Florida, relating to Educational Impact Fee Monies," shall be retained for administrative purposes. With the exception of educational impact fees, \www.when an application for a development permit is made for the construction of affordable housing, as defined by Division 6 of this article, the County Commission may waive, upon a request therefor, dedications of land, payments of money in lieu thereof, administrative fees, and application fees, as set forth herein, if the County Commission or the Housing and Urban Planning Division ("Division") Director finds that the proposed project will provide affordable housing for very low income or low income persons, as defined by the Broward County Housing Finance and Community Redevelopment Division. Prior to consideration of any waiver request, the developer must provide certification from the Broward County Housing Finance and Community Redevelopment Division stating that the project qualifies as affordable housing at a specified income level.

(4)

With the exception of waivers for affordable housing, the County Commission or the Housing and Urban Planning Division Director shall identify the source of funds that will be used to pay for the services or facilities that would otherwise have been paid for by such dedications, payments, or fees, not including application fees. Any waivers of educational impact fees shall not be granted unless by the School Board of Broward County has approved said waiver.

The developer, as a condition of approval, shall record in the public official records restrictive covenants upon the property, or shall enter into an
