BROWARD COUNTY LAND USE PLAN PROPOSED AMENDMENT PC 25-1(SOUTHWEST RANCHES)

RECOMMENDATIONS/ACTIONS

<u>DATE</u>

I. Planning Council Staff Transmittal Recommendation

August 19, 2025

Planning Council staff finds that the proposed amendment is generally consistent with the policies of the BrowardNext — Broward County Land Use Plan (BCLUP) and recommends approval, subject to the applicant's voluntary commitment to restrict development to a maximum of 716,000 square feet of commercial and industrial uses, of which a maximum of 116,000 square feet of development is designated for commercial use.

Effectiveness of the approval of the land use plan amendment shall not occur until the municipal recertification of the local amendment is complete, subject to the recordation in the public records of Broward County, Florida, to the satisfaction of Broward County, of a legally enforceable agreement, such as a Declaration of Restrictive Covenants, to memorialize the voluntary commitment proffered by the applicant, as an inducement for Broward County to favorably consider its application.

As the Planning Council is aware, the Broward County Charter requires at least one Planning Council public hearing and Article 1.2(A) of the *Administrative Rules Document:* BrowardNext outlines the following circumstances in which a second Planning Council public hearing may be recommended or required:

- (1) At its initial public hearing, the Planning Council takes an action to recommend denial of a proposed amendment; or
- (2) At its initial public hearing, the Planning Council takes an action to recommend approval subject to meeting specific criteria or policy prior to a second Planning Council public hearing; or
- (3) At its initial public hearing, the Planning Council votes by a majority of the members present with a minimum of six (6) affirmative votes for a second Planning Council public hearing; or
- (4) If the County Commission requests by a vote of the majority of members present to request a second Planning Council public hearing; or
- (5) If an objection or comment on adverse impacts to important state resources or facilities is issued during the State of Florida Chapter 163 review process; or
- (6) If State of Florida Chapter 163 requires or is modified to require a second local planning agency public hearing.

I. <u>Planning Council Staff Transmittal Recommendation (continued)</u>

August 19, 2025

If the Planning Council chooses to require a second Planning Council public hearing per Article 1.2(A)(1)(2) or (3), such recommendation must be made as part of its motion.

In addition, if the Planning Council does not require a second Planning Council public hearing and the Broward County Land Use Plan amendment is adopted by the County Commission, this action by the Planning Council shall be considered the "conditional" recertification of the municipal land use plan amendment, which directly correlates to the referenced Broward County Land Use Plan amendment. The recertification will not be deemed effective until such time as the Planning Council Executive Director and Attorney determine that the municipality has fulfilled all application requirements for recertification of local land use plans, as outlined in the Administrative Rules Document: BrowardNext. The Planning Council Executive Director will issue a written letter of effectiveness to the municipality upon satisfaction of the same.
