**SUBJECT:** No CBE Goal- Airport Noise and Operations Monitoring System (ANOMS)

The Airport Development Division of the Broward County Aviation Department (BCAD) is seeking a vendor to provide a hosted Airport Noise & Operations Monitoring System (ANOMS) that should include system administration, maintenance services, software system management services and information management services. A survey of the Small Business Certified firm directory revealed one (1) County Business Enterprise (CBE) that can provide the requested system. Therefore, consistent with the Broward County Business Opportunity Act, as amended, Sec. 1-81.3 (1) (a), if there are fewer than two (2) certified CBEs available to participate in a specific project; no CBE goal will be applicable.

However, in accordance with Sec. 1-81.10 (a) (1) of the Broward County Business Opportunity Act, as amended, if a responsive, responsible bid is received from a certified CBE firm that is within ten percent (10%) of the lowest responsive, responsible, bid received from a nonCBE or nonSBE firm, the CBE or SBE (as applicable) shall be offered the opportunity to match the lowest responsive, responsible bid. If the CBE or SBE firm (as applicable) matches the lowest responsive, responsible bid, the CBE or SBE firm shall be deemed the lowest responsive, responsible bidder. For Request for Proposals (RFPs), if upon completion of final rankings by the Evaluation Committee, a non-CBE, nonSBE proposer is the highest-ranked proposer, and a responsive, responsible CBE or SBE proposer receives a score that is within five percent (5%) of the score obtained by the nonCBE proposer, the CBE shall be considered the highest-ranked proposer and shall have the opportunity to proceed to negotiations with the County.

No CBE Goal- ANOM System

Eligibility for the CBE program is based on economic/size standards; the program does not utilize race or gender criteria for either certification or goal methodology purposes. If you have any concerns regarding available subcontracting opportunities, please contact our office at (954) 357-6400.
