Re: Solicitation No. TRN2128813B1 for OEM Construction/Heavy Equipment Parts
And Maintenance Repair

Kelly Tractor Co. does not offer Domestic Partner benefits and therefore will not comply with the requirements of the Broward County's Domestic Partnership Act at the time of the award.

Kelly Tractor Co. headquarters are in Miami Dade County. It is an administration burden and a financial burden for Kelly Tractor Co. to put this in place for Broward County when only a small percentage of our employees are based in Broward County. Additionally offering this benefit to our Broward employees would mean we would have to offer Domestic Partner benefits to all of our employees who reside in Florida, Indiana and Texas.

Broward County Board of County Commissioners

Re Solicitation No. TRN2128813B1 for OEM Construction/Heavy Equipment Parts and Maintenance Repair Services. Domestic Partnership Act Certification

Dear Board,

Great Southern Equipment LLC currently does not comply with the requirement of the County's Domestic Partnership Act. We contacted our health insurance provider and we were informed that we cannot make changes to the policy in the middle of the policy term.

We will evaluate the cost of adding this coverage and anticipate compliance when our policy renewal process begins in October 2025 with an effective date of January 1 2026.

Sincerely,
