VI. SUMMARY DESCRIPTION:

The Broward Sheriff's Office supports this LETF request for the Digital Evidence Compliance Program. The Digital Evidence Compliance Program is designed to ensure timely and lawful handling of digital evidence. Due to the recent legislative changes effective July 1, 2025, which now mandates that law enforcement agencies process digital evidence within a 45-day timeframe. This program is necessary due to the increase in workload. This requirement significantly increases the workload of units who are tasked with receiving and processing this digital evidence and complying with state statute. This program will be used to fund overtime and training for personnel in the ICAC, DFU, and CESU units to allow them to process digital devices. This program aims to reduce backlogs, improve prosecutorial readiness, and enhance adherence to statutory requirements for digital evidence handling.
