SUBJECT: No CBE Goal for Provide & Deliver Sodium Hypochlorite Bleach Bulk Delivery

The Broward County Public Works Water Wastewater Services Operations Division is seeking to request approval to participate in a Co-operative contract to provide and deliver Sodium Hypochlorite (liquid bleach, bulk delivery) for the treatment of water and wastewater. This chemical solution is used by the Agency in the treatment process for the disinfection of potable water at the water plant, lift stations and used as a disinfectant and odor control in the belt press operations at the wastewater treatment plant. This solicitation will be processed as a Co-operative through the Southeast Florida Governmental Purchasing Association, by utilizing a piggyback method of procurement. The contract on which the Using Agency intends to piggyback is IFB# Event 519. This is a Co-operative IFB issued by the City of Fort Lauderdale on behalf of the Southeast Florida Governmental Co-operative Purchasing Group which comprises of approximately forty-five (45) government entities.

Since this procurement is based on obtaining services through a pre-existing contract with a non-Broward County agency, no CBE goal is recommended for this project.

This service **is not** subject to the Broward County Workforce Investment Program.

This service **is not** subject to the Broward County Construction Apprenticeship Program.

If you have any questions or concerns regarding this assignment, please contact our office at (954) 357-6400.
