To permit the persons duly authorized by the Network to inspect any records, papers, documents, facilities, goods, and services of the Provider, which are relevant to this Subcontract, and interview any clients and employees of the Provider to assure the Network of satisfactory performance of the terms and conditions of this Subcontract. Following such an evaluation, the Network will deliver to the Provider a written report of its findings and will include written recommendations regarding the Provider's performance of the terms and conditions of this Subcontract. The Provider will correct all noted deficiencies identified by the Network within the specified period of time set for in the recommendations. The Provider's failure to correct noted deficiencies may, at the sole and exclusive discretion of the Network, result in any one or any combination of the following:
 - The Provider being deemed in breach or default of this Subcontract.
 - The withholding of payments to the Provider by the Network; and
 - The termination of this Subcontract for cause.
2. The Provider may not accept duplicate funding for any cost, position, service, or deliverable funded by the Network. Duplicative funding is defined as more than 100 percent payment from all funding sources for any cost, position, service, or deliverable. If duplicate

funding is found, this Subcontract may be suspended, terminated or both while the extent of the overpayment is determined. Failure to comply with state or federal law, and the U.S. Department of Justice Programs, Financial Guide, may also result in the suspension, termination, or both of this Subcontract while the extent of the overpayment is determined. Absent fraud, in the event that there has been an overpayment to the Provider for any reason, if the amount of the overpayment cannot be determined to a reasonable degree of certainty, as determined in the sole discretion of the Network, the Provider will reimburse to the Network one half of the monies previously paid to the Provider for that line item for the grant year in question.

3. The Provider will return to the Network any overpayments made to the Provider stemming from the identification of uncommitted funds or disallowed items pursuant to the terms and conditions of this Subcontract. If the Provider or any outside accountant or auditor determines that an overpayment has been made, the Provider will immediately return to the Network such overpayment without prior notification from the Network. If the Network discovers that an overpayment has been made, the Contract Manager, on behalf of the Network, will notify the Provider and the Provider will forthwith return the funds to the Network. Should the Provider fail to immediately reimburse the Network for any overpayment, the Provider will be assessed a service charge equal to the rate of interest payable on judgments or decrees at the lawful rate established by the Chief Financial Officer of the State of Florida pursuant to section 55.03 Florida Statutes, on the amount of the overpayment or outstanding balance thereof. Interest will accrue from the date of the Provider's initial receipt of funds up to the date of reimbursement of the overpayment of funds.

1. The Provider shall be liable for and shall indemnify, defend, and hold harmless the Network and all of its officers, agents, and employees from all claims, suites, judgements, or damages, consequential or otherwise and including attorney's fees and costs, arising out of any act, actions, neglect, or omissions by the Provider, its agents, or employees during the performance or operation of this Subcontract or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property.
2. The Provider's inability to evaluate liability or its evaluation of liability shall not excuse the Provider's duty to defend and indemnify within seven (7) days after such notice by the Network is given by certified mail. Only adjudication after highest appeal is exhausted specifically finding the Provider not liable shall excuse performance of this provision. The Provider shall pay all costs and fees related to this obligation and its enforcement by the Network. G. Insurance

To provide adequate liability insurance coverage on a comprehensive basis and to hold such liability insurance at all times during the existence of this Subcontract and any renewal(s) and extension(s) of it. Upon execution of this Subcontract, unless it is a state agency or subdivision as defined by §768.28 Florida Statutes, the Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider and the clients to be served under this Subcontract. The limits of coverage under each policy maintained by the Provider do not limit the Provider's liability and obligations under this Subcontract. Upon the execution of this Subcontract, the Provider shall furnish the Network written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Network reserves the right to require additional insurance as specified in Attachment I where appropriate.

Any sub-license, assignment, or transfer otherwise occurring shall be null and void.
2. The Provider shall be responsible for all work performed and all expenses incurred with the project. If the Network permits the Provider to subcontract all or part of the work contemplated under this Subcontract, including entering into subcontracts with vendors for services and commodities, it is understood by the Provider that the Network shall not be liable to the subcontractor for any expenses or liabilities incurred under the Subcontract and the Provider shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
3. The State of Florida shall always be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this Subcontract to another governmental agency in the State of Florida, upon giving prior written notice to the Provider. In the event the State of Florida approves transfer of the Provider's obligations, the Provider remains responsible for all work performed and all expenses incurred in connection with the subcontract. In addition, this Subcontract shall bind the successors, assigns, and legal representatives of the Provider and of any legal entity that succeeds to the obligations of the State of Florida.
4. Unless otherwise stated in the contract between the Provider and subcontractor, payments made by the Provider to the subcontractor must be within seven (7) working days after receipt of full or partial payments from the Network in accordance with §287.0585 Florida Statutes. Failure to pay within seven (7) working days will result in a penalty charged against the Provider and paid by the Provider to the subcontractor in the amount of one-half of one (1) percent of the amount due per day from the expiration of the period allowed herein for payment. Such a penalty shall be in addition to actual payments owed and shall not exceed fifteen (15) percent of the outstanding balance due.

J. Return of Funds

To return to the Network any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this Subcontract that were disbursed to the Provider by the Network. In the event that the Provider or its independent auditor discovers that overpayment has been made, the Provider shall repay said overpayment immediately without prior notification from the Network. In the event that the Network first discovers an overpayment has been made, the Network will notify the Provider by letter of such a finding. Should repayment not be made in a timely manner, the Network will charge interest at the rate in effect on the date of overpayment, as determined by the State of Florida, Chief Financial Officer, pursuant to Chapter 55 Florida Statutes, on the amount of the overpayment or outstanding balance thereof. Interest will accrue from the date of the Providers initial receipt of funds up to the date of reimbursement of said overpayment funds to the Network.

If the Provider is a non-profit organization, the Provider will obtain a minimum of three (3) written quotes for all single item grant-related purchases equal to or in excess of \$2,500 unless it is documented that the vendor is a sole source supplier. If the Provider intends to purchase commodities or contractual services from such a sole source supplier, then the provider must first notify the Network of the intended sole source purchase. Providing the following information, at a minimum:

- Providers Name.
- Title and brief description of the commodity or contractual service desired to be purchased.

The Network will review the information provided and either approve or disapprove the intention to use the sole source supplier by responding in writing to the Provider within a reasonable time frame.

M. Independent Capacity of the Subcontractor

1. In the performance of this Subcontract, it is agreed between the parties that the Provider is an independent contractor, and that the Provider is solely liable for the performance of all tasks contemplated by this Subcontract, which are not the exclusive responsibility of the Network.
2. Except where the Provider is a state agency, the Provider, its officers, agents, employees, subcontractors, or assignees, in performance of this Subcontract, shall act in the capacity of an independent contractor and not as an office, employee, or agent of the Network or the State of Florida. The State of Florida will provide prompt written notification of claim of copyright to patent infringement. Further, if such a claim is made or is pending, the Provider may, at its option and expense, procure for the Department of State the right to continue use of, replace, or modify the article to render it non-infringing. 1. In the event that the Provider expends \$750,000 or more in Federal awards during its fiscal year, the Provider must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part §200.501. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by 2 CFR Part §200.502-§503. An audit of the provider conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.500 will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the provider shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR Part §200.508 - §200.512.

In the event that the provider expends less than \$750,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR Part §200.506, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such audit must be paid from provider resources obtained from sources other than Federal entities.)
4. An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to Subcontracts with the Network shall be based on the Subcontract's requirements, including any rules, regulations, or statutes referenced in the Subcontract. If the provider expends less than \$500,000 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004, or thereafter), an audit conducted in accordance with the provisions of Section 215.97 Florida Statutes, is not required. In the event that the provider expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97 Florida Statutes, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the provider resources obtained from other than State entities).

4. An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to Subcontracts with the Network shall be based on the Subcontract's requirements, including any applicable rules, regulations, or statutes.
