3.2.3. Neither party shall sell, transfer, assign, sublicense, or otherwise convey to any third party, or grant to any third party any right to use, the other party's services or solutions or any of the intellectual property rights licensed to it by the other party in this Agreement, without, in each case, the express prior written consent of the party that owns the services, solutions, or intellectual property, such consent to be granted or withheld in consenting party's sole discretion; and any purported sale, transfer, assignment, sublicense, or other conveyance of rights granted under this Agreement, not in full conformity with this Section, shall be void ab initio.

- 3.3. Usage Monitoring.** RapidSOS monitors and collects configuration, performance, usage, and consumption data relating to the use of RapidSOS Services by Personnel, and may monitor ECC's use of the RapidSOS Services, in each case: (a) to facilitate the delivery of the RapidSOS Services (such as tracking entitlements, providing support, monitoring the performance, integrity, and stability of the RapidSOS Services' infrastructure, and preventing or addressing service or technical issues), (b) to improve the RapidSOS Services and provide anonymized analytics, (c) to ensure compliance with the terms of this Agreement. ECC shall not block or interfere with any such monitoring. Additionally, if requested from Supported PSAPs in the future, the parties may mutually agree in writing to include additional usage monitoring reports to the requesting Supported PSAP. For the avoidance of doubt, ECC acknowledges and agrees that RapidSOS may from time to time collect for its internal use in order to facilitate the delivery and maintenance of the RapidSOS Services, configuration, performance, usage and consumption data relating to the use of the RapidSOS Services by Customers and/or ECC consisting of: (a) date and time of event; (b) type of operation executed by the flow execution (e.g. SMS, call, 9-1-1 call, telephony events, etc.); (c) total number of success/failed calls; (d) errors raised by execution; and (e) data as necessary to train on or provide or facilitate technical support for the RapidSOS Services or to improve emergency response or the utilization of the RapidSOS Services by Supported Public Safety Providers (collectively, **"Usage Data"**).
- 3.4. Updates.** ECC acknowledges that from time to time, and at its sole discretion, RapidSOS may update and modify the RapidSOS Services, as well as discontinue certain portions thereof (in each instance, an **"Update"**). ECC shall implement and use the most current version of the Purchased Services and make any changes to the ECC Systems that are required as a result of such update, at ECC's sole cost and expense within 90 days for immaterial changes that are easily implemented and do not adversely affect ECC and within 180 days for material changes. Updates may adversely affect the manner in which the ECC Systems accesses or communicates with the RapidSOS Services or how data is rendered by the RapidSOS Services. ECC's continued access or use of the RapidSOS Services following an update will constitute binding acceptance of the Update, provided that ECC may reject any such Update within thirty (30) days after notice of such Update. RapidSOS, at its sole discretion, may provide ECC with an alternative to the rejected Update. Should ECC reject the proposed alternative, RapidSOS and ECC shall cooperate in good faith to determine if another alternative would resolve the issue; if no other alternative is mutually approved within thirty (30) days, either Party may terminate the agreement, including discontinuation of RapidSOS Services, with no penalty or additional obligation. In accordance with the terms set forth herein, RapidSOS will use commercially reasonable efforts to assist ECC with integrating any Update.
- 3.5. ECC Permitted Users.** With respect to the Purchased Services, ECC is responsible for the account creation of individuals acting on ECC's behalf (**"Personnel"**) who will be granted permission by ECC to access the RapidSOS Platform in order to receive the Purchased Services (**"ECC Permitted Users"**). ECC agrees to be responsible for the acts and/or omissions of the ECC Permitted Users, or any other Personnel, arising from their access to or use of the RapidSOS Platform. In order to access the RapidSOS Platform, each ECC Permitted User agrees to be bound by the terms and conditions of the Premium ECC EULA, together with the ECC. ECC will indemnify and hold RapidSOS harmless from and against any and all claims or other damages arising from or related to the misuse of the RapidSOS Platform by ECC's Personnel, including any breach of the Premium ECC EULA by the Personnel. No terms of any agreement entered into between ECC and any Personnel will be binding on RapidSOS unless agreed to by RapidSOS in an instrument exactly specifying such terms and signed by an authorized officer of RapidSOS. In all instances, the ECC agrees to share data related to such Personnel as is reasonably requested by RapidSOS prior to giving such Personnel access to the RapidSOS Platform or the RapidSOS Services. RapidSOS may, from time to time, modify the terms of the Premium ECC EULA, with the modifications becoming effective upon publishing of the Premium ECC EULA at the relevant URL provided, provided that if ECC

determines that the modification imposes a material, adverse impact on ECC or its operations or diminishes the functionality of the RapidSOS Services for the ECC, then ECC shall confer in good faith with RapidSOS to attempt to resolve the concern and, if unsuccessful, ECC may reject any such modification without penalty by discontinuation of RapidSOS Services within thirty (30) days after impasse or notice of such modification, whichever is later. Subject to the foregoing, ECC will ensure that its Personnel agree at all times to the most recent Premium ECC EULA published at the provided URL.

- 3.6. Service Level Agreement.** RapidSOS will use commercially reasonable efforts to ensure that the Purchased Services are available with the uptime indicated in [Exhibit A](#), excluding time for scheduled updates and maintenance and any downtime caused by third parties or other matters outside of such party's control.
- 3.7. Roles and Responsibilities of ECC.** ECC shall provide access and dedicated resources to support integration of the Purchased Services with the ECC Systems. ECC shall assign an adequate number of ECC Personnel to perform the services necessary for the successful provision of the Purchased Services. ECC will not charge RapidSOS for the costs of training such ECC Personnel, including the time necessary for such Personnel to become familiar with the Purchased Services. ECC shall comply with all laws, regulations, rules, and orders applicable to the actions of ECC contemplated under this Agreement. ECC is responsible for the accuracy of the information transmitted to the RapidSOS Emergency Response Data Platform and will take commercially reasonable actions to adequately vet any such information transmitted to the RapidSOS Emergency Response Data Platform; it being understood that RapidSOS is not responsible for the accuracy of such information.
- 3.8. Roles and Responsibilities of RapidSOS.** RapidSOS shall (a) provide resources to support the development and integration of the RapidSOS Services and ECC Services, (b) make the RapidSOS Services and associated services available to the relevant ECC developers and employees, and (c) comply with all laws, regulations, rules, and orders applicable to the actions of RapidSOS contemplated under this Agreement.
- 3.9. Suspension of Service.** ECC agrees that RapidSOS may suspend access to the Purchased Services if: (a) RapidSOS reasonably believes that ECC's use of the RapidSOS Services violates any law, regulation, rule or order and such violation continues for a period of 10 days following RapidSOS written notice of the same to ECC, (b) RapidSOS reasonably determines that ECC's use of the RapidSOS Services violates any usage policy or guidelines that have been provided to ECC by RapidSOS in writing and such violation continues for a period of 10 days following RapidSOS written notice of the same to ECC, or (c) as otherwise provided in Section 11.2.

4. FEES AND PAYMENT TERMS; AUDITS

- 4.1. Direct Sales.** If ECC is purchasing the RapidSOS Services directly from RapidSOS, in consideration for the rights granted in this Agreement, ECC shall pay RapidSOS the fees set forth in each Order Form in accordance with the payment terms set forth therein.
- 4.2. Resale.** If ECC is purchasing the RapidSOS services from a reseller, in consideration for the rights granted in this Agreement, ECC shall pay the reseller of the RapidSOS Services the fees set forth in each Order Form in accordance with the payment terms set forth therein.
- 4.3. Non-Cancellable.** Except for termination of an Order by ECC under Section 11.2, ECC's obligation to pay the Fees is non-cancellable and all payments made by ECC are non-refundable.
- 4.4. Billing Details.** Fees, and other billing and payment details all will be as set forth in the

applicable Order; provided that, unless otherwise expressly stated in the Order, all pricing may increase no more than 5% annually.

- 4.5. Delinquent Payments.** If ECC is delinquent on payments, access to the Purchased Services may be suspended if delinquent payment continues for a period of 5 days following RapidSOS written notice or terminated for breach under Section 11.2.
- 4.6. Taxes.** For the avoidance of doubt, the fees set forth above are exclusive of all federal, state, municipal, or other government excise, sales, use, value-added, gross receipts, or other taxes now in force or enacted in the future, and ECC will pay any such tax (excluding taxes on either party's net income, property or franchise taxes) that ECC may be required to collect or pay now or at any time in the future with respect to such fees. RapidSOS shall collect such taxes on invoices from ECC in accordance with all applicable laws and regulations. Prior to the issuance of any invoices, and as part of the onboarding of ECC, to the extent that ECC requests a tax exemption, ECC shall provide to RapidSOS ECC's sales tax exempt verification.
- 4.7. Audits.** Fees are based on the forecasted number of users who have accessed the RapidSOS Service concurrently during a typical shift. In order to provide the ECC with flexibility during periods of surge seating, RapidSOS will not block user access or bill the ECC for additional charges if additional concurrent users attempt to log in. Instead, RapidSOS will assess usage on an annual basis. If the ECC is consistently using beyond the forecasted number of concurrent users set forth in the applicable Order, at RapidSOS's request, the ECC will work in good faith with RapidSOS to find a mutually agreeable plan to right-size the scope of the Order going forward.

5. WARRANTY AND WARRANTY DISCLAIMER

- 5.1. Warranty.** RapidSOS shall provide the Purchased Services set forth herein using commercially reasonable efforts in a good workmanlike manner consistent with standard industry practices.
- 5.2. Warranty Disclaimer.** EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, (a) RAPIDSOS MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED (EITHER IN FACT OR BY OPERATION OF LAW), OR STATUTORY, AS TO ANY MATTER WHATSOEVER, (b) RAPIDSOS EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, QUALITY, ACCURACY, OR ANY REPRESENTATION OR WARRANTY ARISING BY USAGE OF TRADE, COURSE OF DEALING, OR COURSE OF PERFORMANCE, AND, (c) RAPIDSOS DOES NOT WARRANT THAT ANY PRODUCTS OR SERVICES ARE ERROR-FREE OR THAT THE OPERATION OF ANY PARTY'S SERVICES OR PROPRIETARY TECHNOLOGY, WILL BE SECURE OR UNINTERRUPTED. NOTWITHSTANDING ANYTHING TO THE CONTRARY, RAPIDSOS SHALL HAVE NO OBLIGATION OR ANY LIABILITY TO ANY THIRD PARTY HEREUNDER. ECC AGREES THAT RAPIDSOS CANNOT CONTROL THE MANNER IN WHICH EMERGENCY SERVICES ARE RENDERED, AND THEREFORE CANNOT AND DOES NOT GUARANTEE THAT EMERGENCY SERVICE PROVIDERS WILL PERFORM IN ANY WAY OR WILL UTILIZE THE INFORMATION PROVIDED.

- 6. LIMITATION OF LIABILITY.** IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE THE OTHER PARTY FOR ANY OF THE FOLLOWING TYPES OF LOSS OR DAMAGE ARISING IN ANY WAY OUT OF OR IN CONNECTION WITH THIS AGREEMENT, USER SYSTEMS, THE RAPIDSOS SERVICES, OR OTHER SERVICES: (A) ANY LOSS OF BUSINESS, CONTRACTS, PROFITS, ADVANTAGE, ANTICIPATED SAVINGS, GOODWILL, REVENUE, OR INCREASED COST OF OPERATIONS; OR (B) ANY INCIDENTAL, INDIRECT, OR CONSEQUENTIAL LOSSES OR DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, SPECIAL, PUNITIVE, OR

EXEMPLARY DAMAGES). IN NO EVENT WILL EITHER PARTY'S CUMULATIVE LIABILITY FOR ALL CLAIMS ARISING FROM OR RELATING TO THIS AGREEMENT, REGARDLESS OF THE NATURE OF THE CLAIM, EXCEED THE AMOUNT PAID BY THE ECC TO RAPIDSOS UNDER THIS AGREEMENT DURING THE SIX (6) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE OF THE EVENT, ACT, OR OMISSION GIVING RISE TO SUCH LIABILITY. THE LIMITATIONS AND EXCLUSION OF LIABILITY SET FORTH IN THIS SECTION DO NOT APPLY TO (I) EITHER PARTY'S BREACH OF ITS CONFIDENTIALITY OBLIGATIONS HEREUNDER, (II) LIABILITY RESULTING FROM THE FRAUD OR WILLFUL OR CRIMINAL MISCONDUCT OF A PARTY, (III) DAMAGES ARISING OUT OF A PARTY'S INFRINGEMENT OF THE OTHER PARTY'S INTELLECTUAL PROPERTY RIGHTS, (IV) ECC'S PAYMENT OBLIGATIONS UNDER SECTION 4; OR (V) ANY INDEMNIFICATION OBLIGATION UNDER THIS AGREEMENT. SUBJECT TO THE FOREGOING, THE LIMITATIONS OF LIABILITY SET FORTH IN THIS AGREEMENT SHALL APPLY REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, AND WHETHER OR NOT DAMAGES WERE FORESEEABLE.

7. INTELLECTUAL PROPERTY AND MARKETING

7.1. Intellectual Property of RapidSOS. RapidSOS owns all right, title, and interest in and to the RapidSOS Services, including any alterations, adjustments, and all improvements, enhancements, and derivatives thereof, including all associated Intellectual Property Rights found therein; ECC has no such right, title, or interest of any kind, in the RapidSOS Services except for the limited license provided by Section 3.1.1 above. ECC will not knowingly act to jeopardize, limit, or interfere in any manner with RapidSOS's ownership of and rights with respect to the RapidSOS Services. If ECC provides any feedback to RapidSOS concerning the functionality and performance of the RapidSOS Services, ECC hereby assigns to RapidSOS all right, title, and interest in and to the feedback, and RapidSOS is free to use the feedback without payment or restriction of any kind.

7.2. Intellectual Property of ECC. ECC owns all right, title, and interest in and to the ECC Systems, and any alterations, adjustments, and all improvements, enhancements, and derivatives thereof, including all associated Intellectual Property Rights found therein; RapidSOS has no such right, title, or interest of any kind, except for the limited license provided by Section 3.1.2 above. RapidSOS will not knowingly act to jeopardize, limit, or interfere in any manner with ECC's ownership of and rights with respect to the ECC Systems. If RapidSOS provides any feedback to ECC concerning the functionality and performance of the ECC Systems (including identifying potential errors and improvements), RapidSOS hereby assigns to ECC all right, title, and interest in and to the feedback, and ECC is free to use the feedback without payment or restriction of any kind.

8. CONFIDENTIALITY

8.1. Use of Confidential Information. All Confidential Information relating to a party (the "Disclosing Party") shall be held in confidence by the other party (the "Recipient") to the same extent and with at least the same degree of care as the Recipient protects its own confidential or proprietary information of like kind and importance, but in no event using less than a reasonable degree of care. RapidSOS represents that the RapidSOS Services contain proprietary products and trade secrets of RapidSOS. Accordingly, to the full extent permissible under applicable law, the RapidSOS Services shall be "Confidential Information" and ECC shall treat intellectual property within the RapidSOS Services as confidential in accordance with this section. RapidSOS shall separately submit and conspicuously label as "RESTRICTED MATERIAL – DO NOT PRODUCE" any other material (a) that RapidSOS contends, constitutes, or contains its trade secrets under Chapter 688, Florida Statutes, or (b) for which RapidSOS asserts a right to withhold from public disclosure as confidential or otherwise exempt from production under Florida public records laws (including Chapter 119, Florida Statutes) (collectively included in "Confidential Information"). Upon request by ECC, RapidSOS must promptly identify the

specific applicable statutory section that protects any particular document. If a third party submits a request for records designated by RapidSOS as Confidential Information or trade secret material in the RapidSOS Services, ECC shall refrain from disclosing such material unless otherwise ordered by a court of competent jurisdiction, authorized in writing by RapidSOS, or the claimed exemption is waived. Any failure by RapidSOS to strictly comply with the requirements of this section shall constitute RapidSOS's waiver of ECC's obligation to treat the records as Confidential Information. RapidSOS must indemnify and defend ECC and its employees and agents from any and all claims, causes of action, losses, fines, penalties, damages, judgments, and liabilities of any kind, including attorneys' fees, litigation expenses, and court costs, relating to nondisclosure of Confidential Information or materials relating to the RapidSOS Services in response to a third-party request. Recipient may use the Disclosing Party's Confidential Information solely to carry out the obligations and business relationship set forth in this Agreement. In addition, Recipient shall not disclose, duplicate, publish, release, transfer or otherwise make available Confidential Information of the other party in any form to, or for the use or benefit of, any person or entity without the other party's written consent or as otherwise provided in this Agreement or as required by applicable law. Recipient shall, however, be permitted to disclose relevant aspects of Disclosing Party's Confidential Information as required by law and to its Affiliates, officers, directors, investors and potential investors, agents, employees and permitted subcontractors (collectively, "**Representatives**") to the extent that such disclosure is necessary for the performance of Recipient's duties and obligations under this Agreement and to those who are under a duty of confidentiality no less restrictive than Recipient's duty hereunder.

- 8.2. Exceptions.** Recipient's obligations under Section 8.1 with respect to any Confidential Information will terminate if Recipient can show by written records that such information: (a) was already known to Recipient at the time of disclosure by the Disclosing Party, (b) was disclosed to Recipient by a third party who had the right to make such disclosure without any confidentiality restrictions, (c) is, or through no fault of Recipient has become, generally available to the public, or (d) was independently developed by Recipient without access to, or use of, the Confidential Information.
- 8.3. Unauthorized Acts.** Recipient shall: (a) notify Disclosing Party promptly of any material unauthorized possession, use or knowledge, or attempt thereof, of Confidential Information by any person or entity that may become known to Recipient, (b) promptly furnish to Disclosing Party the details of such unauthorized possession, use or knowledge, or attempt thereof, and assist in investigating or preventing any recurrence, and (c) cooperate with Disclosing Party in litigation and investigation against third parties reasonably deemed necessary by Disclosing Party. Disclosing Party will reimburse reasonable out-of-pocket expenses incurred by Recipient resulting from compliance with this Section.
- 8.4. Compliance with Data Protection Laws.** Each party will comply with any applicable data protection and privacy laws existing in the jurisdictions in which RapidSOS Services are being performed ("Data Protection Laws"). The parties agree that the provision of the RapidSOS Services may involve the collection, processing, storage or recording of certain "Personal Data" or "Personal Information" (as defined by applicable Data Protection Laws and referred to collectively herein as "Personal Data") of the ECC and/or other End Users or Personnel ("Data Subjects"). Where applicable under the relevant Data Protection Laws, the parties acknowledge RapidSOS acts as a "Data Processor" in relation to the Personal Data it processes on ECC's behalf and ECC remains the "Data Controller" with respect to the Personal Data of its Data Subjects. RapidSOS hereby undertakes that it will: (i) use Personal Data only to provide and administer RapidSOS Services as outlined in the applicable privacy statement(s) referenced in the Premium ECC EULA; (ii) process the Personal Data in accordance with ECC's instructions (unless it determines the requested processing of any Personal Data to violate any relevant Data Protection Laws); (iii) implement appropriate security measures designed to provide a

commercially reasonable level of protection of the Personal Data; (iv) implement and maintain commercially reasonable technical and organizational measures, insofar as is possible, for the fulfillment of ECC's obligations to respond to requests by Data Subjects; (v) take commercially reasonable steps to destroy or permanently de-identify Personal Data when it no longer is necessary to retain it; and (vi) ensure that its employees authorized to process Personal Data are bound to appropriate confidentiality obligations. Personal Data may be collected, processed and/or stored by RapidSOS. ECC represents and warrants it has a valid lawful basis for ECC to process the Data Subjects' Personal Data in connection with the RapidSOS Services in accordance with applicable Data Protection Laws and will fully indemnify and defend RapidSOS in the event the basis to process any Personal Data shared by ECC is challenged.

- 8.5. IF, AS PART OF THE RAPIDSOS SERVICES, RAPIDSOS TRANSMITS DATA TO USER IN ORDER TO QUERY AGAINST THE ECC SYSTEMS, ECC AGREES THAT IT SHALL NOT USE, STORE, EITHER FOR ITSELF OR FOR OTHERS, SUCH DATA OTHER THAN FOR THE PURPOSES OF FACILITATING EMERGENCY ASSISTANCE AS CONTEMPLATED HEREIN. HOWEVER, NOTHING HEREIN IS INTENDED TO RESTRICT ECC FROM PROCESSING DATA THAT IS INDEPENDENTLY COLLECTED AND USED BY ECC FOR ITS OWN BUSINESS PURPOSES.
- 8.6. RapidSOS acknowledges and agrees to comply with the obligations of Chapter 119, Florida Statutes, with respect to public records of ECC, including without limitation and to the extent applicable, Section 119.0701, Florida Statutes, which is incorporated as if fully set forth herein.

9. NON-EXCLUSIVITY

- 9.1. The parties acknowledge and agree that (a) RapidSOS currently markets, distributes and licenses the RapidSOS Services, directly and indirectly, including through other device manufacturers, application developers, and monitoring and security providers and (b) this Agreement in no way limits or precludes RapidSOS from continuing such marketing, distribution and licensing activities or engaging in other activities with respect to the RapidSOS Services. Furthermore, the parties acknowledge and agree that RapidSOS is in no way limited or precluded from marketing, distributing, and licensing the RapidSOS Services, or engaging in other activities with respect to the RapidSOS Services, in the future, with any other device manufacturers, application developers, or third parties generally. The Parties expressly agree that RapidSOS may engage other providers of services or products similar to those provided by the ECC, and this Agreement in no way limit's RapidSOS from contracting with such other parties.

10. INDEMNIFICATION

10.1. RapidSOS Indemnity

- 10.1.1. Defense and Indemnification.** Subject to Section 10.1, RapidSOS shall defend, indemnify, and hold harmless ECC and its officers, directors, shareholders, employees,

and their respective heirs, executors, administrators, successors and permitted assigns (collectively, the **"ECC Indemnified Parties"**) against any third-party claim proximately caused by (a) RapidSOS gross negligence, fraud, or criminal or willful misconduct, or (b) Purchased Services infringing the Intellectual Property Rights of such third party (pursuant to Section 10.1.3 below) (an **"Infringement Claim"**), and indemnify ECC from the resulting costs and damages finally awarded against ECC to such third party by a court of competent jurisdiction or agreed to in settlement.

10.1.2. Remedies. If the RapidSOS Services become, or in RapidSOS's opinion are likely to become, the subject of an Infringement Claim, RapidSOS shall, at its option and expense, do one of the following: (a) procure for ECC the right to make continued use of the affected Purchased Services, (b) replace or modify the affected Purchased Service or API to make it non-infringing, (c) terminate this Agreement and refund any prepaid fees paid by ECC.

10.1.3. Exclusions. Notwithstanding anything to the contrary, RapidSOS will have no obligation under Section 10.1 or otherwise with respect to any Infringement Claim based on: (a) combination of RapidSOS Services with non-RapidSOS products, content, or business processes for a purpose or in a manner not permitted by this Agreement, (b) use of the RapidSOS Services for a purpose or in a manner not permitted by this Agreement, (c) any RapidSOS Services provided on a no-charge basis, (d) ECC or Personnel content, (e) modifications to the RapidSOS Services by the ECC or Personnel or a third party under the direction or control of same, (f) RapidSOS's reasonable adherence to the ECC's or Personnel's written requirements, (g) any acts or omissions, equipment, services, software, application programming interface, or library, of third parties other than subcontractors of RapidSOS providing goods or services relating to the RapidSOS Services under this contract, (h) any other use, of any kind, of the RapidSOS Services in violation of this Agreement. Section 10.1 sets forth ECC's sole and exclusive remedy, and RapidSOS entire liability, for any Infringement Claim.

10.2. ECC Indemnity. ECC shall defend, indemnify, and hold harmless RapidSOS and its officers, directors, shareholders, employees, and their respective heirs, executors, administrators, successors and permitted assigns (collectively, the **"RapidSOS Indemnified Parties"**) from and against any third-party claim not subject to an indemnification obligation by RapidSOS pursuant to Section 10.1 and based upon (a) ECC's gross negligence, fraud, or criminal or willful misconduct, or (b) the ECC Systems infringing the Intellectual Property Rights of such third party, and indemnify RapidSOS from the resulting costs and damages finally awarded against RapidSOS to such third party by a court of competent jurisdiction or agreed to in settlement. ECC shall indemnify RapidSOS from any claims by ECC's Personnel related to actions by ECC or third-party integrations.

10.3. Procedures. The party entitled to indemnification under this Agreement (each an **"Indemnified Party"**) shall: (a) give the party from whom indemnification is sought (the **"Indemnifying Party"**) prompt written notice of the claim (except that any delay in providing any such notice will only excuse Indemnifying Party's defense and indemnification obligation to the extent the Indemnifying Party is prejudiced or damaged by such delay), (b) grant the Indemnifying Party full and complete control over the defense and settlement of the claim (provided such settlement releases the Indemnified Party of all liability and damages); provided that the Indemnified Party may participate in the defense and settlement of the claim at its own expense to the extent the Indemnified Party's counsel coordinates with the Indemnifying Party's counsel, and (c) reasonably assist the Indemnifying Party with the defense and settlement of the claim as the Indemnifying Party may reasonably request.

11. TERM AND TERMINATION

- 11.1. Term.** The provisions related to the Term of for each Order are set forth in the Order.
- 11.2. Termination.** Either party may terminate this Agreement upon written notice to the other party (the “**Non-Terminating Party**”) if: (a) the Non-Terminating Party breaches any provision of this Agreement, including, but not limited to, failure to comply with the terms of the Order or [Exhibit A](#) (including any representations, warranties, covenants, and obligations therein), and does not cure the breach within 30 days after receiving written notice thereof, (b) the Non-Terminating Party commits a material breach of any provision of this Agreement that is not capable of being cured, (c) the Non-Terminating Party becomes insolvent or unable to pay its debts in the ordinary course of its business, (d) a voluntary petition under applicable bankruptcy or other insolvency law is filed by the Non-Terminating Party, (e) a receiver is appointed for the business affairs of the Non-Terminating Party or the Non-Terminating Party makes an assignment for the benefit of creditors, (f) any bankruptcy, reorganization, debt arrangement or other proceeding under any bankruptcy or other insolvency law is instituted against the Non-Terminating Party that is not dismissed within forty-five (45) days thereafter, or (g) the Non-Terminating Party liquidates or ceases doing business as a going concern. In addition, RapidSOS shall have the right, in its sole and reasonable discretion, to immediately terminate the Agreement or suspend the effected RapidSOS Service if (x) ECC has committed a breach of this Agreement that is incapable of cure, or (y) any act or omission of an ECC threatens to compromise the health and/or safety of the public or the security or integrity of any RapidSOS Service or other RapidSOS property.
- 11.3. Payment Upon Termination.** If this Agreement is terminated by ECC in accordance with Section 3.4, Section 3.5, or Section 11.2, RapidSOS will refund to ECC any prepaid fees covering the remainder of the Term as of the effective date of termination. If this Agreement is terminated by RapidSOS in accordance with Section 11.2 or terminated by ECC for any reason other than as may be permitted by Section 11.2, ECC will not be entitled to any refund and will have no further financial obligation for the remainder of the current Term. For the avoidance of doubt, no refunds or credits for any charges or other fees or payments will be provided to ECC. In no event will RapidSOS’s termination for cause pursuant to Section 11.2 relieve ECC or ECC’s obligation to pay any charges, fees, or other payments payable to RapidSOS for the period prior to the effective date of termination.
- 11.4. No Liability for Termination.** Except as expressly required by law, if either party terminates this Agreement in accordance with any of the provisions of this Agreement, neither party will be liable to the other because of such termination for compensation, reimbursement, or damages on account of the loss of prospective profits or anticipated sales or on account of expenditures, inventory, investments, leases, or commitments in connection with the business or goodwill of RapidSOS or ECC. Termination will not, however, relieve either party of obligations incurred prior to the effective date of the termination.
- 11.5. Effect of Termination or Non-Renewal.** Upon termination or expiration of this Agreement, (a) ECC shall immediately cease all use of the RapidSOS Services, (b) if this Agreement is not renewed or is terminated by RapidSOS in accordance with Section 11.2, ECC shall promptly (but no later than thirty (30) days following the effective date of the termination or expiration) pay RapidSOS any and all unpaid amounts owed to RapidSOS under this Agreement, (c) each party shall promptly cease using and destroy or return to the other party all items that contain any Confidential Information of the other party; and (d) all terms and conditions of this Agreement that reasonably should survive termination will so survive, including without limitation the indemnification obligations of Section 10.

12. GENERAL PROVISIONS

- 12.1. Independent Contractor Relationship.** RapidSOS and ECC are independent contractors and this Agreement will not be construed to determine that a party is a partner, joint venture, agent or fiduciary of the other party, to create any other form of legal association that would impose liability on one party for the act or failure to act of the other party, or to provide either party with the right, power or authority (express or implied) to create any duty or obligation of the other party. Under no circumstances will any employees, agents or contractors of one party be deemed the employees of the other party for any purpose. Each party will bear responsibility for its own employees, agents or contractors, including terms of employment, wages, hours, tax withholding, required insurance, and daily direction and control.

- 12.4. Assignment.** Neither party may assign this Agreement or otherwise transfer or delegate any of its rights and obligations under this Agreement without the prior written consent of the other party, such consent not to be unreasonably withheld, conditioned or delayed; provided, however, that each party may assign this Agreement, without consent of the other party, to (a) any affiliate of such party, (b) any business organization resulting from the consolidation or merger of such party with or into another entity, or (c) to any person or entity that acquires a majority of such party's issued and outstanding capital stock or substantially all of such party's assets, or (d) another successor-in-interest by law (e.g., in the event of a name change via filing of certificate of amendment to a party's organizational articles or the use of a "dba") (collectively "**Permitted Assignment**"). For any Permitted Assignment of this Agreement, the assigning party will provide the other party with written notice of the Permitted Assignment and upon receipt by the other party of the written notice, the Permitted Assignment will be deemed to be completed without the requirement to amend this Agreement. Any attempted assignment in violation of this Section will be void. Subject to the foregoing, this Agreement will inure to the benefit of and will be binding upon the permitted successors and assigns of the parties.

- 12.7. Force Majeure.** Neither party will be deemed in breach for any cessation, interruption, or delay in the performance of its obligations (except with respect to any payment obligations or any violations or breaches of a party's Intellectual Property Rights or rights with respect to the protection or use of its Confidential Information) due to causes beyond its reasonable control, including, without limitation, earthquake, flood, or other natural disaster, act of God, power failure, network interruptions or outages in telecommunications or the Internet, labor controversy, civil disturbance, terrorism, or war (whether or not officially declared) (each a **"Force Majeure Event"**).

No provision or part of this Agreement or remedy hereunder may be waived except by a writing signed by a duly authorized representative of the party making the waiver. Failure or delay by either party to enforce any provision of this Agreement will not be deemed a waiver of future enforcement of that or any other provision.
- 12.9. Governing Law.** All disputes, claims, or controversies arising out of this Agreement, or the negotiation, validity or performance of this Agreement, or the transactions contemplated hereby will be governed by and construed in accordance with the laws of the State of New York without regard to its rules of conflict of laws, except that the laws of the State of Florida shall apply, without regard to rules of conflicts of law, with respect to any issue of the sovereign immunity, or public records obligations, of ECC.
- 12.10. Entire Agreement; Priority of Provisions.** This Agreement, including its Exhibits, Addenda, and Attachments hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous proposals, both oral and written, negotiations, representations, writings and all other communications between parties and all prior agreements with respect to such subject matter and there are no inducements to enter into this Agreement which are not set forth herein. If there is a conflict or inconsistency between any term, statement, requirement, or provision of any document or exhibit attached to, referenced by, or incorporated in this Agreement and any provision within an article or section of this Agreement, the article or section shall prevail and be given effect.
- 12.11. Records and Audit Rights.** During the Term and for a period of three (3) years thereafter, the Parties shall maintain complete, clear and accurate records to evidence their compliance with this Agreement. During the period in which a Party is obligated to maintain such records, the other Party, or its third-party auditor (collectively, the **"Auditor"**), may, upon reasonable notice to the other party, audit such records to verify that the other party has paid all applicable fees and costs owed hereunder to the first party and otherwise has complied with the terms of this Agreement. The Auditor may conduct no more than four (4) audits in any twelve (12) month period; audits may only be conducted during the normal business hours, and the Auditor shall use commercially reasonable efforts to minimize the disruption of normal business activities. The audited party shall reasonably cooperate with the Auditor and shall promptly pay any underpayments or overpayments revealed by such audit.
- 12.12. Counterparts.** This Agreement may be executed in counterparts (which may be scanned, faxed or electronically signed copies), each of which will be deemed an original and will constitute the same instrument.

12.14. Sovereign Immunity; Third-Party Beneficiaries. Except to the extent sovereign immunity may be deemed waived by entering into this Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by ECC or any Supported Public Safety Providers nor shall anything included herein be construed as consent by ECC or any Supported Public Safety Providers to be sued by third parties in any matter arising out of this Agreement. Neither RapidSOS nor ECC intends to directly or substantially benefit a third party by this Agreement, and the Parties agree that there are no third-party beneficiaries to this Agreement.
