RE: Plat Note Amendment for Optima Plaza
(048-MP-15) City of Hallandale Beach

DATE: December 20, 2023

Planning Council staff has reviewed the proposed revision to the restrictive note on the above referenced plat.

The Future Land Use Element of the City of Hallandale Beach Comprehensive Plan is the effective land use plan for the City of Hallandale Beach. That plan designates the area covered by this plat for the uses permitted in the "Hallandale Beach Regional Activity Center" land use category. This plat is generally located on the south side of Southeast 10 Street, between Federal Highway/U.S. 1 and Southeast 3 Avenue.

The existing and proposed office, commercial and bank uses are in compliance with the effective land use plan and subject to the executed "Interlocal Agreement for the Monitoring of Development Activity and Enforcement of Permitted Land Uses in Regional Activity Center," as recorded in Official Record Book 48444, Pages 1779-1785.

The contents of this memorandum are not a judgment as to whether this development proposal complies with the Broward County Trafficways Plan, local zoning, other land development regulations or the development review requirements of the Broward County Land Use Plan including its concurrency requirements.
