**Re: Greystar Plat - Plat Book 173, Page 001 (107-MP-01) (the "Plat")
Application for Plat Note Amendment**

Dear Ms. Da Luz:

This firm represents B10 Quiet Waters Owner A LLC and B10 Quiet Waters Owner B LLC (collectively, the "Owner"), the respective owners of the real property located at 710-750 South Powerline Road, Deerfield Beach, FL (collectively, the "Property"). The Property is identified by the Broward County Property Appraiser as Parcel Nos. 484203-23-0010 and 484203-23-0020, respectively. The Owner purchased the Property on July 21, 2023.

In connection with the acquisition of the Property, it was discovered that the as-built square footage figures of the buildings are slightly inconsistent with the square footage figures permitted in the latest Agreement for Amendment of Notation on Plat recorded in Official Records Book 41361, Page 573 (the "Plat Note"). Accordingly, the Owner would like to amend the Plat Note as follows: (i) revise the square footage figures as outlined herein to be consistent with the as-built conditions, and (ii) modify the permitted use on Parcel B from strictly office use to permit office use and light industrial use. Importantly, no new construction is being proposed. A pre-application meeting was held on February 9, 2024.

(i) Revise square footage figures on Plat Note to match as-built figures:

As mentioned above, the as-built square footage figures, which are reflected on the enclosed ALTA/NSPS Land Title Survey prepared by Commercial Surveying Specialists, Inc. dated July 19, 2023 are slightly higher than the square footage figures on the Plat Note. See below

Karina Da Luz
September 17, 2024
Page 2

for a summary of the differences. Based upon the foregoing, the Owner respectfully requests that the Plat Note be revised to reflect the as-built conditions.

| | Plat Note: | Survey (As-Built): | Difference: |
|---|------------|--------------------|---------------------------------------|
| Tract A (Buildings 2-5) Industrial | 488,303 SF | 503,944 SF | 15,641 SF (across 4 buildings) |
| Tract A-1 (Building 1) Industrial | 104,462 SF | 105,298 SF | 836 SF |
| Tract B (Buildings 6-7) Office | 70,492 SF | 72,119 SF | 1,627 SF |

(ii) Modify the permitted use on Parcel B:

The owner respectfully requests that the Plat Note be amended to modify the uses on Parcel B, to permit industrial uses in addition to the already permitted office use.

In accordance with the above, below are the proposed changes to the plat note:

From:

Parcel A is restricted to 488,303 square feet of industrial use. parcel A-1 (see attached legal description) is restricted to 104,462 square feet of "flex" industrial use. Parcel B is restricted to 70,492 square feet of office use. commercial/retail uses and freestanding office buildings are not permitted on Parcel A and no retail uses are permitted on Parcel B without the approval of the board of county commissioners who shall review and address these uses for increased impacts. Industrial buildings may have no more than 30% ancillary office per building.

Karina Da Luz
September 17, 2024
Page 3

To:

Parcel A is restricted to 503,944 square feet of industrial use. Parcel A-1 is restricted to 105,298 square feet of industrial use. Parcel B is restricted to 72,119 square feet of office and industrial uses.

Note that we have discussed items (i) and (ii) above with the City of Deerfield Beach (the "City"), and the City does not object to the requested changes. In fact, the City has taken the position that similar discrepancies between the approved site plan for the Property and the as-built conditions are not material and do not require a site plan modification. Nonetheless, per the City's regulations, a resolution from the City Commission is required. We intend to process that request and provide to the County in advance of the hearing before the Board of County Commissioners.

We look forward to working with you on this application. In the meantime, if you need anything further, please do not hesitate to contact me.

Sincerely,

David J. Coviello
