F. The Improvements and maintenance thereof will benefit the residents of both County and City.

G. City, through formal action of its governing body taken on the 6 day of January, 2020, has accepted responsibility for the Maintenance Obligations and other such obligations of Licensee under the terms of this Agreement should Licensee fail to comply with such obligations.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1. DEFINITIONS

- 1.1. **Approved Plans** means the construction and installation documents and specifications depicting and defining the Improvements, including all materials to be installed in the Revocable License Area as referenced in the plans submitted to and approved in writing by the Contract Administrator, and filed under Project Reference Number 220526001.
- 1.2. **Board** means the Board of County Commissioners of Broward County, Florida.
- 1.3. **Contract Administrator** means the Director of the Broward County Highway Construction and Engineering Division, or written designee.

ARTICLE 2. GRANT OF REVOCABLE LICENSE

- 2.1. County hereby grants to Licensee a revocable license for the limited, nonexclusive access and use of the Revocable License Area solely for the purposes of making the Improvements, performing the Maintenance Obligations, and taking other actions as may be required by this Agreement. The Improvements must meet County's Minimum Standards Applicable to Public Right-of-Way Under Broward County Jurisdiction as described in Section 25.1, Exhibit 25.A, of the Broward County Administrative Code.
- 2.2. Other than for the purposes identified in this Agreement, Licensee may not use the Revocable License Area for any other purpose whatsoever without written amendment of this Agreement executed with the same formalities as this Agreement. Licensee may not use or permit the Revocable License Area to be used in any manner that will violate the terms of this Agreement or any law, administrative rule, or regulation of any applicable governmental entity or agency.
- 2.3. County retains full and unrestricted access to the Revocable License Area at all times.

2.4. Throughout the duration of this Agreement, and notwithstanding any other term or condition of this Agreement, County retains the right in its sole discretion to modify, reconfigure, improve, convey, or abandon the Revocable License Area, and to make any improvements thereon. Specifically, Licensee acknowledges and agrees that the roadway, right-of-way area, and/or the Revocable License Area may be temporarily or permanently reconfigured, modified, or moved by County or its agents at any time without any liability to Licensee. County will provide Licensee with at least thirty (30) days' written notice of any such modification to the Revocable License Area to allow Licensee to remove or relocate the Improvements, which removal or relocation shall be at Licensee's sole expense.

2.5. This Agreement is merely a right to access and use and grants no estate in the Revocable License Area to Licensee, City, or any other party.

ARTICLE 3. LICENSEE'S OBLIGATIONS

3.1. Licensee shall make application to the Division for a permit to perform the Improvements as set forth in the Approved Plans. Licensee may not proceed with the Improvements until all required permits have been issued and all permit conditions for commencement of the Improvements have been satisfied.

3.2. Licensee may not make any alterations to any previously permitted Improvements without first obtaining a permit from the Division and the written approval from the Contract Administrator for such alterations.

3.3. Licensee shall make the Improvements at its own expense and in full accordance with the Approved Plans and to the Contract Administrator's satisfaction. Licensee shall not be entitled to any compensation from County for making the Improvements.

3.4. Following Licensee's installation of the Improvements and County's approval of same (as set forth in Article 5), Licensee shall provide County with signed and sealed certified as-built drawings and warranties for all work performed as set forth in the Approved Plans.

3.5. Once the Improvements have been made, Licensee shall perform the Maintenance Obligations at its own expense and in accordance with the requirements set forth in Exhibit D. As part of the Maintenance Obligations, Licensee shall keep the Improvements and the Revocable License Area clean, sanitary, and in good condition consistent with industry-standard maintenance standards and techniques. The Maintenance Obligations shall include all repair and replacement of materials due to any cause, including but not limited to normal wear and tear, acts of God, vandalism, and accidents. Licensee shall promptly replace all defective or unsightly materials, as well as any materials that the Contract Administrator determines, in their reasonable discretion, should be replaced for safety reasons or because such materials would interfere with any County property or County operations. All replacements must be approved in writing in advance by the Contract Administrator.

3.6. If Licensee takes any action or makes any omission that causes or results in alteration or damage to County property, Licensee shall, at its own expense, restore such property to its condition before the alteration or damage. If Licensee fails to make such restoration within thirty

(30) days after County's request, County may make the restoration or exercise its rights as provided in Article 4 of this Agreement. If County elects to make the restoration, it will invoice the Licensee for the costs thereof. Licensee shall pay such invoice within thirty (30) days after receipt.

3.7. If Licensee takes any action or makes any omission that causes or results in alteration to the Revocable License Area (or any materials on the Revocable License Area), which alteration is not specified in the Approved Plans, Licensee shall, at its own expense, restore the Revocable License Area to its condition before the alteration was made, or to such condition as approved in writing by the Contract Administrator. If Licensee fails to make such restoration within thirty (30) days after County's request, County may make the restoration or exercise its rights as provided in Article 4 of this Agreement. If County elects to make the restoration, it will invoice Licensee for the costs thereof. Licensee shall pay such invoice within thirty (30) days after receipt.

3.8. If Licensee takes any action or makes any omission that causes or results in damage to the Revocable License Area (or any materials on the Revocable License Area), Licensee shall, at its own expense, repair such damage. If Licensee fails to make such repair within thirty (30) days after County's request, County may make the repair or exercise its rights as provided in Article 4 of this Agreement. If County elects to make the repair, it will invoice Licensee for the costs thereof. Licensee shall pay such invoice within thirty (30) days after receipt.

3.9. If any Improvements in the Revocable License Area are serviced by any utilities (including but not limited to electricity, water, sewage, or gas), Licensee shall be solely responsible for the cost of such utilities and shall establish its own billing account directly with each utility company.

3.10. If any Improvements in the Revocable License Area contain an irrigation or water pump system, Licensee shall maintain and repair same in compliance with the requirements set forth in Exhibit D and all applicable rules and regulations of the applicable South Florida Water Management District.

3.11. Licensee shall provide the Contract Administrator with immediate verbal notice, followed by prompt written notice (in the manner set forth in Article 8 of this Agreement), of any condition in the Revocable License Area that might present a risk of damage to the Revocable License Area or adjacent property or might pose a risk of injury to any person. Licensee shall contact the appropriate emergency services (fire rescue, police, Florida Power & Light, etc.) immediately upon identification of any potential risk of injury to any person, and shall keep a written record of all contact made, including the person(s) with whom Licensee has communicated.

3.12. Licensee shall also provide the Contract Administrator with immediate verbal notice, followed by prompt written notice (in the manner set forth in Article 8 of this Agreement), of any damage to the Revocable License Area or any injury to any person in the Revocable License Area.

3.13. Licensee may retain a third party to make the Improvements and/or perform the Maintenance Obligations. If Licensee retains a third party for such purpose(s), Licensee shall enter into a written contract with the third party under which the third party must agree to make the Improvements and/or perform the Maintenance Obligations in accordance with the

requirements of this Agreement. Licensee shall provide the Contract Administrator with a copy of any such contract(s) upon request by Contract Administrator. Contracting with a third party, as contemplated by this section shall not relieve Licensee of any of its obligations under this Agreement.

ARTICLE 4. CITY'S OBLIGATIONS

4.1. If Licensee fails to timely comply with any of the requirements set forth in Sections 3.5 and 3.10, upon written demand by Contract Administrator, City shall, at its own expense, immediately perform the Maintenance Obligations for the duration of this Agreement. In addition, if Licensee fails to timely comply with any of the requirements in Article 3, upon written demand by Contract Administrator, City shall, at its own expense, cure any and all deficiencies or failures by Licensee identified in the Contract Administrator's written notice to City. City shall cure such deficiencies and failures within thirty (30) days after such notice. If City fails to timely comply with its obligations under this section, County may fulfill such obligations and invoice City for the costs thereof. City shall pay such invoice within thirty (30) days after receipt.

4.2. City may retain a third party to perform the Maintenance Obligations. If City retains a third party for such purpose(s), City shall enter into a written contract with the third party under which the third party must agree to perform the Maintenance Obligations in accordance with the requirements of this Agreement. City shall provide the Contract Administrator with a copy of any such contract(s) upon request by Contract Administrator. Contracting with a third party, as contemplated by this section shall not relieve City of any of its obligations under this Agreement.

ARTICLE 5. COUNTY'S OBLIGATIONS

5.1. County shall review Licensee's application for permit to determine whether to issue a permit for the Approved Plans and shall issue a permit only if the Approved Plans comply with all applicable County permitting requirements.

5.2. County shall inspect the Improvements and may reject work that does not conform to the Approved Plans, as determined by County in its sole discretion.

5.3. After receiving signed and sealed certified as-built drawings that the Improvements are in conformance with the Approved Plans, and receiving a request for a final inspection, County shall perform a final inspection of the Improvements and notify Licensee and City of County's final approval or rejection of the Improvements.

5.4. County shall have no further obligations under this Agreement other than those stated in Section 2.1 and this article but may exercise any and all rights it has under this Agreement.

ARTICLE 6. RISK OF LOSS

All Improvements not permanently affixed to the Revocable License Area shall remain the property of Licensee, and all risk of loss for the Improvements (whether permanently affixed or not) shall be Licensee's risk alone. However, Licensee may not remove, replace, or alter any of the Improvements without the Contract Administrator's prior written consent and any required permitting.

ARTICLE 7. TERM AND TERMINATION

7.1. This Agreement shall begin on the Effective Date and continue in perpetuity unless terminated as provided in this article.

7.2. This Agreement may be terminated for cause by County if Licensee, City, or both breach any obligations under this Agreement and have not corrected the breach within thirty (30) days after receipt of written notice identifying the breach. In the event of any breach, County may, at the option of the Contract Administrator, cause such breach to be corrected and invoice the breaching party or parties for the costs of the correction or may terminate this Agreement. If County opts to correct the breach and invoice the breaching party or parties for the costs of correction, the invoiced party or parties (as applicable) shall pay such invoice within thirty (30) days after receipt. If County erroneously, improperly, or unjustifiably terminates for cause, such termination shall, at County's sole election, be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

7.3. This Agreement may also be terminated for convenience by the Board. Termination for convenience by the Board shall be effective on the termination date stated in the written notice provided by County, which termination date shall not be less than thirty (30) days after the date of such written notice. Licensee and City acknowledge that each has received good, valuable, and sufficient consideration for County's right to terminate this Agreement for convenience including in the form of County's obligation to provide advance written notice to Licensee and City of such termination in accordance with this section.

7.4. This Agreement may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate if the County Administrator determines that termination is necessary to protect the public health or safety. Termination under this section shall be effective on the date County provides notice of such termination.

7.5. Upon termination of this Agreement, Licensee shall peaceably surrender the Revocable License Area. If City has assumed the Maintenance Obligations pursuant to Article 4, City shall peaceably surrender the Revocable License Area.

7.6. Upon termination of this Agreement, Licensee shall remove all Improvements, materials, and equipment installed or placed in the Revocable License Area within thirty (30) days after termination, unless the Contract Administrator, in writing, authorizes Licensee to leave any such Improvements, materials, or equipment in the Revocable License Area. In addition, Licensee shall be obligated to repair any damage to the Revocable License Area resulting from the removal of any Improvements, materials, and equipment. If Licensee fails to comply with any of these removal and/or repair obligations, County may perform the obligation and invoice Licensee for the cost thereof. Licensee shall pay such invoice within thirty (30) days after receipt. Any personal property remaining on the Revocable License Area after the termination of this Agreement shall be deemed to have been abandoned by Licensee and City and shall become the property of County.

7.7. Upon termination of this Agreement, Licensee shall restore the Revocable License Area to its condition before the installation of the Improvements or to such condition as approved in writing by the Contract Administrator. If Licensee fails to make any such restorations within thirty (30) days after termination, County may make such restoration and invoice Licensee for the costs thereof. Licensee shall pay such invoice within thirty (30) days after receipt.

7.8. County shall have no obligation to compensate Licensee or City for any loss resulting from or arising out of this Agreement including any resulting from or arising out of the termination of this Agreement.

7.9. If tree mitigation is required as a result of termination of this Agreement, Licensee must obtain a Broward County Environmental Licensing and Building Permitting Division, Tree Preservation Program license required by Chapter 27, Article XIV, Sections 27-401 through 27-414 of the Broward County Tree Preservation and Abuse Ordinance, as may be amended from time to time, to provide for relocation, removal, and replacement per the tree removal license requirements at Licensee's sole cost and expense.

7.10. If Licensee fails to comply with any of the requirements in Sections 7.6, 7.7, and/or 7.9, City shall perform said requirements within thirty (30) days after written notice is sent by the Contract Administrator. If City fails to timely perform any such requirements, County may perform such requirement and invoice City for the cost thereof. City shall pay the invoice within thirty (30) days after receipt.

7.11. Notice of termination shall be provided in accordance with Article 8 of this Agreement, except that notice of termination by the County Administrator, pursuant to Section 7.4 of this Agreement may be verbal notice that shall be promptly confirmed in writing in accordance with Article 8 of this Agreement.

ARTICLE 9. INDEMNIFICATION

9.1. Licensee shall indemnify and hold harmless County and all of County's current, past, and future officers, agents, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and caused or alleged to be caused, in whole or in part, by any breach of this Agreement by Licensee, or any intentional, reckless, or negligent act or omission of Licensee, its officers, employees, or agents, arising from, relating to, or in connection with this Agreement (collectively, a "Claim"). If any Claim is brought against an Indemnified Party, Licensee shall, upon written notice from County, defend each Indemnified Party with counsel satisfactory to County or, at County's option, pay for an attorney selected by the County Attorney to defend the Indemnified Party.

9.2. If Licensee or City contract with a third party to perform any of their obligations under this Agreement, the party contracting with a third party must enter into written agreements with such third parties, which contracts are required to include an indemnification provision by such third party in favor of the Indemnified Party using the language provided in Section 9.1.

9.3. County and City are entities subject to Section 768.28, Florida Statutes, as amended, and agree to be fully responsible for the negligent or wrongful acts and omissions of their respective agents or employees to the extent required by Section 768.28. Except to the extent sovereign immunity may be deemed waived by entering into this Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by any Party to which sovereign immunity may be applicable nor shall anything included herein be construed as consent by either Party to be sued by third parties in any matter arising out of this Agreement or any other contract.

9.4. The obligations of this article shall survive the expiration or earlier termination of this Agreement.

ARTICLE 10. INSURANCE

10.1. For the duration of the Agreement, Licensee shall, at its sole expense, maintain the minimum coverages stated in Exhibit E in accordance with the terms and conditions of this article. Licensee shall maintain insurance coverage against claims relating to any act or omission by Licensee, its agents, representatives, employees, or any third parties in connection with this Agreement. County reserves the right at any time to review and adjust the limits and types of coverage required under this article.

10.2. Licensee shall ensure that "Broward County, Florida" is listed and endorsed as an additional insured as stated in Exhibit E on all policies required under this article.

10.3. On or before the Effective Date or at least fifteen (15) days before the commencement of the Improvements, as may be requested by County, Licensee shall provide County with a copy of all Certificates of Insurance or other documentation sufficient to demonstrate the insurance coverage required by this article. If and to the extent requested by County, Licensee shall provide complete, certified copies of all required insurance policies and all required endorsements within thirty (30) days after County's request.

10.4. Licensee shall ensure that all insurance coverages required by this article remain in full force and effect without any lapse in coverage throughout the duration of this Agreement and until all performance required of Licensee has been completed, as determined by Contract Administrator. Licensee or its insurer shall provide notice to County of any cancellation or modification of any required policy at least thirty (30) days prior to the effective date of cancellation or modification, and at least ten (10) days prior to the effective date of any cancellation due to nonpayment, and shall concurrently provide County with a copy of its updated Certificates of Insurance evidencing continuation of the required coverage(s).

10.5. Licensee shall ensure that all required insurance policies must be placed with insurers or surplus line carriers authorized to conduct business in the State of Florida with an A.M. Best rating of A- and a financial size category class VII or greater, unless otherwise acceptable to County's Risk Management Division.

10.6. If Licensee maintains broader coverage or higher limits than the insurance requirements stated in Exhibit E, County shall be entitled to any such broader coverage and higher limits. All required insurance coverages shall provide primary coverage and not require contribution from any County insurance, self-insurance, or otherwise, which shall be in excess of and shall not contribute to the required insurance provided by Licensee.

10.7. Licensee shall declare in writing any self-insured retentions or deductibles over the limit(s) prescribed in Exhibit E and submit to County for approval at least fifteen (15) days prior to the Effective Date or commencement of the Improvements. Licensee shall be solely responsible for and shall pay any deductible or self-insured retention applicable to any claim against County. County may, at any time, require Licensee to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. Any deductible or self-insured retention may be

satisfied by either the named insured or County, if so elected by County, and Licensee shall obtain same in endorsements to the required policies.

10.8. Unless prohibited by the applicable policy, Licensee waives any right to subrogation that any of Licensee's insurers may acquire against County, and shall obtain same in an endorsement of Licensee's insurance policies.

10.9. If any of the policies required under this article provide claims-made coverage: (1) any retroactive date must be prior to the Effective Date; (2) the required coverage must be maintained after termination or expiration of the Agreement for at least the duration stated in Exhibit E; and (3) if coverage is canceled or nonrenewed and is not replaced with another claims-made policy form with a retroactive date prior to the Effective Date, Licensee must obtain and maintain "extended reporting" coverage that applies after termination or expiration of the Agreement for at least the duration stated in Exhibit E.

10.10. Licensee shall require that each third party retained by Licensee for performance of any of Licensee's obligations under this Agreement maintains coverage that adequately covers the performance of the third party on substantially the same insurance terms and conditions required of Licensee under this article. Licensee shall ensure that all such third parties comply with these requirements and that "Broward County, Florida" is named as an additional insured under the third parties' applicable insurance policies.

10.11. Licensee shall not permit any third party to provide services under this Agreement unless and until the requirements of this article are satisfied. If requested by County, Licensee shall provide, within one (1) business day, evidence of any third party's compliance with this article.

10.12. Within five (5) days after request by County, City must provide County with written verification of liability protection that meets or exceeds any requirements of Florida law. If City holds any excess liability coverage, City must ensure that Broward County is named as an additional insured and certificate holder under such excess liability policy and provide evidence of same to County.

10.13. If City maintains broader coverage or higher limits than the minimum coverage required under Florida law, County shall be entitled to such broader coverage and higher limits on a primary and non-contributory basis.

10.14. The foregoing requirements in Sections 10.12 and 10.13 shall apply to City's self-insurance, if any.

10.15. If City contracts with one or more third parties to perform any of City's obligations set forth herein, City shall require that each third party (and any subcontractors retained by the third party) procure and maintain insurance coverages as provided in Exhibit E and Sections 10.1 through 10.11 of this Agreement. City must ensure that all such third parties name "Broward County, Florida" as an additional insured and certificate holder under the applicable insurance policies. City shall not permit any third party to provide services required by this Agreement until the insurance requirements of the third party under this section are met. If requested by County, City shall furnish evidence of all insurance required by this section.

10.16. County reserves the right, but not the obligation, to periodically review any and all insurance coverages required by this Agreement and to reasonably adjust the limits and/or types of coverage required herein, from time to time throughout the term of this Agreement.

Any assignment, transfer, or encumbrance in violation of this section shall be void and ineffective, constitute a breach of this Agreement, and permit County to immediately terminate this Agreement, in addition to any other remedies available to County at law or in equity.

Licensee and City each represent that each person and entity that will perform services under this Agreement is duly qualified to perform such services by all appropriate governmental authorities, where required, and is sufficiently experienced and skilled in the area(s) for which such person or entity will render services. 11.4. Materiality and Waiver of Breach. Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and important to the formation of this Agreement, and each is, therefore, a material term. County's failure to enforce any provision of this Agreement will not be deemed a waiver of such provision or modification of this Agreement. To be effective, any waiver must be in writing signed by an authorized signatory of the Party granting the waiver.
