**Re: Chi-Ada Corporation Appeal to Protest Determination to Agreements 3 and
4 of RFP BLD2124561P1, Janitorial Services for County Facilities**

Dear Mr. Gleason:

As previously established, Shutts & Bowen LLP represents Chi-Ada Corporation ("Chi-Ada") regarding RFP BLD2124561P1, Janitorial Services for County Facilities ("RFP"). Pursuant to Section 21.80 and 21.81(b) of the Broward County Administrative Code, as a party who has received an adverse determination with respect to a formal protest of the RFP, Chi-Ada submits this Appeal to the Director of Purchasing's Determination concerning Chi-Ada's July 17, 2023, Formal Protest to the Final Recommendation of Ranking of vendors for Agreements 3 and 4 of the RFP, dated August 10, 2023, but sent by the County on August 11, 2023, and attached hereto as **Exhibit 1**. In compliance with Section 21.82, which provides that "[a]n appeal must be received by the Director of Purchasing within ten (10) days after the date of the determination being appealed", Chi-Ada timely filed its Appeal on August 21, 2023, within ten (10) days after Chi-Ada received the Protest Determination on August 10, 2023. In accordance with Section 21.84(a) and (c), a Cashier's Check in the amount of \$10,000.00 is enclosed, which serves as the requisite appeal bond.

As a party who has received an adverse determination with respect to a formal protest of the final recommendation of ranking of vendors for Agreements 3 and 4 of the RFP, Chi-Ada states the following grounds for its appeal. The County's Director of Purchasing's determination of Chi-Ada's July 17, 2023, Protest is arbitrary and capricious, and counter to the evidence presented.

Sunshine Cleaning Systems, LLC's ("Sunshine Cleaning") failure to follow the specification of the RFP renders its proposal non-responsive and non-responsible. Further, the Evaluation Committee's evaluation and scoring of Sunshine Cleaning's proposal was improper, arbitrary and capricious; thus, a determination by the Director of Purchasing that is inconsistent with this finding is also arbitrary, and capricious and contrary to the evidence. The evidence has established that

with the exclusion of the Evaluation Committee's improper scoring, Chi-Ada has the actual highest-ranked responsive and responsible proposal, including being the lowest priced for Agreements 3 & 4. For these reasons and as fully detailed below, Chi-Ada respectfully requests that the County reconvene the Evaluation Committee to properly rank the vendors in accordance with the evidence presented.

I. Summary of Argument

The Director of Purchasing's Determination concerning Chi-Ada's July 17, 2023, Formal Protest to the Final Recommendation of Ranking of vendors for Agreements 3 and 4 of the RFP is arbitrary and capricious because the County ranked Sunshine Cleaning as the number one ranked vendor when it knew Sunshine Cleaning did not meet the solicitation's required responsiveness criteria and contrary to the provisions in the solicitation evaluated and scored Sunshine Cleaning for a criterion it should not have thus failing to adhere to its own solicitation specifications. Such failure to comply with its own criteria constitutes arbitrary and capricious action since Sunshine Cleaning's proposal was non-responsive, non-responsible and should not have been evaluated or scored for Evaluation Criteria 3.1. Furthermore, the evidence demonstrated that Chi-Ada is the highest-ranked responsive and responsible proposal and the lowest priced for Agreements 3 & 4, and thus, should be the number one ranked vendor for Agreements 3 & 4 contrary to the Director of Purchasing's determination.

II. Factual Background

a. The RFP

On August 12, 2022, Broward County Purchasing Division (the "County") posted the RFP, seeking for the Broward County Facilities Management Division qualified vendors to provide comprehensive janitorial services for various Broward County facilities. *See* RFP, incorporated by reference, at 3, 16. The RFP encompassed "a total of five (5) separate Janitorial Service Agreements that may be awarded to separate vendors. There [is] a total of four (4) CBE Reserve Agreements and one (1) SBE Reserve Agreement." RFP, at 16. Agreement No. 3 is a CBE Reserve for the South Regional Courthouse, and Agreement No. 4. is a CBE Reserve for the Broward County Judicial Complex.

III. Legal Standard

"[W]here discretion is vested in [a government agency] with respect to letting public contracts on a competitive basis, the discretion may not be exercised arbitrarily or capriciously but must be based upon facts reasonably tending to support the conclusions reached by [the government agency]." *City of Pensacola v. Kirby*, 47 So. 2d 533, 535-36 (Fla. 1950). A procurement decision is arbitrary and capricious or not otherwise in accordance with the law if:

Mr. Robert Gleason
August 21, 2023
Page 3

- i. In reaching its decision, the government either relied on factors it was not supposed to consider or failed to adequately consider an important aspect of the issue before it. *See, e.g., Kirby*, at 534-36 (affirming injunction in favor of disappointed bidder where government awarded contract to highest bidder without considering whether the lower bidders were responsive or responsible);
- ii. The government's explanation for its decision either runs counter to the evidence before it or is so implausible that it cannot be reasoned to be due to a difference in view or the product of government expertise. *See All Seasons Air Conditioning v. Fla. Dep't of Transp.*, DOAH No. 17-3184BID ¶¶ 3-9, 15-27, 49-59, 2017 WL 5958620, at *2-5, 9-10 (Fla. Div. Admin. Hrgs. Aug. 28, 2017) (although bidders had to demonstrate their ability to perform by providing references for recently performed work that was similar in type, scope and volume to that called for in the solicitation the awardee's references consisted entirely of jobs that were significantly less complex than and for a very small fraction of the work called for in the solicitation)

When a government agency awards a contract, its decision to do so “must be based upon facts reasonably tending to support” it. *Kirby*, 47 So. 2d at 535-36. Here, the Final Recommendation of Ranking is contrary to the facts that were before the Evaluation Committee, and the County's explanation for its determination runs counter to the evidence before it, as fully detailed below.

IV. Legal Argument

- a. **The Final Recommendation of Ranking for Agreements 3 & 4 and thus the Director of Purchasing's Determination is improper because the Evaluation Committee's ranking and scoring was arbitrary and capricious as Sunshine Cleaning's Proposal is non-responsive and should not have been evaluated or scored for Evaluation Criteria 3.1.**

i. Responsiveness

Pursuant to the RFP's Standard Instructions to Vendors, “[a] Responsive (Vendor) means a vendor who submits a response to a solicitation that the Director of Purchasing determines meets all requirements of the solicitation.” *See* Figure 1. As indicated in bold font, the required information and applicable forms **must** be submitted with a solicitation response by the solicitation's due date and time. *Id.* Per Part XVI. of the Broward County Procurement Code, the word “must” denotes the imperative. The instruction to vendors further explicitly stated in bold

Mr. Robert Gleason
August 21, 2023
Page 4

font that a vendor's failure to timely submit required information may result in the Vendor being deemed non-responsive. Figure 1.

A. Responsiveness Criteria:

A Responsive (Vendor) means a vendor who submits a response to a solicitation that the Director of Purchasing determines meets all requirements of the solicitation.

The required information and applicable forms must be submitted with solicitation response, electronically through Periscope SG2 by the solicitation's due date and time. Failure to timely submit may result in Vendor being deemed non-responsive. The County reserves the right to waive minor technicalities or irregularities as is in the best interest of the County in accordance with Section 21.37(b) of the Broward County Procurement Code.

Figure 1. Responsiveness Criteria

Sunshine Cleaning failed to submit required information through an applicable form with its solicitation response by the solicitation's due date and time. RFP Evaluation Criteria 3.1. References required vendors to submit "**completed** Reference Verification Forms for previous projects referenced in its submittal." RFP, at 124. (emphasis added.) The criterion further provides that "[v]endor[s] should submit the completed Vendor Reference Form with its response **by the solicitation's deadline.**" *Id.* (emphasis added.)

In response to Evaluation Criteria 3.1 References, Sunshine Cleaning responded, "Vendor Reference Forms **have been distributed to our** references." *See* Sunshine Cleaning Proposal, incorporated by reference, at 24; *see also* Figure 2. (emphasis added.) It is abundantly clear from Sunshine Cleaning's response that all completed Reference Verification Forms were not **submitted** by the solicitation's deadline.

Mr. Robert Gleason
August 21, 2023
Page 5

Broward County Board of
County Commissioners

BLD2124561P1

3. Past Performance:

3.1. References – Vendor should submit completed Reference Verification Forms for previous projects referenced in its submittal. Vendor should provide the Vendor Reference Verification Form to its reference organization/firm to complete and return to the Vendor's attention. Vendor should submit the completed Vendor Reference Form with its response by the solicitation's deadline. The County will verify references provided as part of the review process. Vendor should provide five (5) non-Broward County Board of County Commissioners' janitorial contract references, but no less than three (3). If the County is unable to verify at least three (3) references, additional references may be requested by the County.

Only provide references for non-Broward County Board of County Commissioners contracts. For Broward County contracts, the County will review performance evaluations in its database for vendors with previous or current contracts with the County. The County considers references and performance evaluations in the evaluation of Vendor's past performance.

Vendor Reference Verification Forms **have been distributed to our references.**

Figure 2. Sunshine Cleaning's Response to Evaluation Criteria 3.1

As evidenced by the County's collection of Vendor References, Sunshine Cleaning unequivocally failed to meet the requirement of Evaluation Criteria 3.1, as one of its references is dated January 4, 2023, when the solicitation's due date and its date of proposal submittal was November 17, 2022. *See* Figure 3. In fact, the County confirmed that Sunshine Cleaning did not have all its references completed and submitted by the solicitation deadline as required by the RFP. Instead it submitted the required references on January 5, 2023, well over a month after the submission deadline.

Figure 3. Sunshine Cleaning's Vendor Reference Verification Form

Therefore, Sunshine's Proposal cannot be deemed responsive, and such a determination by the evaluation committee and, subsequently, the Director of Purchasing was improper, arbitrary and capricious since the solicitation's responsiveness criteria used language which denotes that the submission of applicable forms was obligatory and Sunshine Cleaning failed to meet that obligation. Thus, a decision to keep the Final Recommendation of Ranking as initially indicated is unreasonable, given the supporting evidence.

- ii. Even if Sunshine's Proposal is not deemed non-responsive, its Proposal should not have been scored for Evaluation Criteria 3.1 per the RFP and thus renders the Evaluation Committee's Scoring and subsequently the Director of Purchasing's Determination Arbitrary and Capricious.**

Pursuant to the RFP's Standard Instructions to Vendors, "[v]endors that fail to submit any information and/or documentation required by an evaluation criteria **will not be evaluated or scored for the corresponding criteria.**" RFP, at 112; *see also* Figure 4. (emphasis added.)

Mr. Robert Gleason
August 21, 2023
Page 7

F. Evaluation Criteria

1. The Evaluation Committee will evaluate Vendors as per the **Evaluation Criteria**. The County reserves the right to obtain additional information from a Vendor.
2. Unless the Evaluation Criteria is identified in the solicitation as an Additional Responsiveness or Responsibility Requirement (i.e., Special Instructions to Vendors, e.g., pricing, certifications, etc.), a Vendor's failure to respond to evaluation criteria will not be considered a matter of responsiveness or responsibility. Vendors that fail to submit any information and/or documentation required by an evaluation criteria will not be evaluated or scored for the corresponding evaluation criteria.

Figure 4. Standard Instructions to Vendors

Section 21.42(c) of the Broward County Code of Ordinances also provides that the Evaluation Committee's review of scoring and ranking "shall be solely based on evaluation factors set forth in the solicitation." The Evaluation Committee's scoring was improperly conducted and was not based solely on evaluation factors set forth in the solicitation.

Evaluation Criteria 3.1. References, required vendors to submit "**completed** Reference Verification Forms for previous projects referenced in its submittal" and further provided that "[v]endor[s] should submit the completed Vendor Reference Form with its response **by the solicitation's deadline**." RFP, at 124. (emphasis added.) Despite this explicit requirement and Sunshine Cleaning's failure to adequately respond, the evaluation committee still found its proposal responsive and further evaluated and scored Sunshine Cleaning's proposal for this criteria in contradiction to the requirements of the RFP and Broward County's Code of Ordinances.

If the County did not intend to require vendors to submit the aforementioned forms before the submission deadline, it would not make sense to state as such in the solicitation, then further emphasize that the documentation required will not be evaluated or scored for the corresponding criteria.

As evidenced by each Evaluation Committee member's score sheets, Sunshine Cleaning was evaluated and scored by each committee member for Evaluation Criteria 3.1. *See* Evaluation Committee Scoring Sheets, attached hereto as Composite **Exhibit 2**. Per the RFP, this action was improper. Therefore, the Evaluation Committee's and, subsequently, the County's determination to keep the Final Recommendation of Ranking as originally indicated that Sunshine Cleaning had the highest-ranked responsive and responsible proposal could not have been determined solely based on evaluation factors set forth in the solicitation as required by the Broward County Code of Ordinances.

The Evaluation Committee's evaluation and scoring of an entire Evaluation Criteria that should not have been evaluated or scored is a failure of the Evaluation Committee to adequately consider an important aspect of the solicitation review. Since the Final Recommendations of Ranking and, in turn, any Recommendation for Award to Sunshine Cleaning would not be based

Mr. Robert Gleason
August 21, 2023
Page 8

upon facts reasonably tending to support an award of this solicitation, the Evaluation Committee's scoring and the County's consequent determination are arbitrary and capricious. The County's determination that a vendor has the highest-ranked responsive and responsible proposal when, in fact, it has been presented with evidence to the contrary that shows that the vendor is non-responsive and should not have received a total of 40 points for its proposal for Agreement 3 or its proposal for Agreement 4 is an unequivocal indication of arbitrary and capricious action which runs counter to the evidence and indicates that in reaching its decision the County utilized factors it was not supposed to consider.

iii. Without the Points Improperly Allocated to Sunshine Cleaning for Evaluation Criteria 3.1, Chi-Ada is the Highest Ranked Responsive and Responsible Proposal and the Lowest Bid.

Excluding the points improperly allocated to Sunshine Cleaning for Evaluation Criteria 3.1, Sunshine Cleaning's total score would be reduced by 40 points for each Agreement, placing Chi-Ada ahead of Sunshine Cleaning for Agreements 3 & 4. *See* the demonstration below:

AGREEMENT 3:

Company	Total Points	Deduction From Eval. 3.1	Actual Total
Sunshine Cleaning	429.7015	40	389.7015
Chi-Ada	391.7414	0	391.7414

AGREEMENT 4:

Company	Total Points	Deduction From Eval. 3.1	Actual Total
Sunshine Cleaning	422.1432	40	382.1432
Chi-Ada	386.7241	0	386.7241

Based upon the solicitation's instructions, the Evaluation Committee should not have evaluated or scored Evaluation Criteria 3.1 for Sunshine Cleaning. Thus, a determination by the Director of Purchasing that the allocation of points to Sunshine Cleaning was proper demonstrates that the County failed to adequately consider an essential aspect of the issue before it and made its decision unreasonably.

Mr. Robert Gleason
August 21, 2023
Page 9

b. A Scoring Comparison reveals that Chi-Ada's score should equal or exceed Sunshine Cleaning's score.

Chi-Ada is lower priced than Sunshine Cleaning for both Agreements 3 & 4, as accurately reflected by the pricing scores; however, the following areas highlight where Chi-Ada should have been scored equal to or better than Sunshine Cleaning:

An analysis of Evaluation Criteria 3.1's scoring reveals why Chi-Ada should be scored significantly higher than Sunshine Cleaning in the Past Performance category. Unlike Sunshine Cleaning, Chi-Ada included all its references within its proposal on November 17, 2022, the date solicitation responses, and thus references, were due per the RFP. *See* Chi-Ada RFP Proposal Criteria 3.1 Response.

Chi-Ada should have received higher scores than Sunshine Cleaning for its Vendor Experience under Evaluation Criteria 2.1. Criteria 2.1 asked Vendors to list ten (10) janitorial contracts that are the *most similar* to the agreements for which the vendor is proposing. Under this criteria, Sunshine Cleaning listed fewer contracts than Chi-Ada, and, more importantly, fewer contracts that are similar to Agreements 3 & 4 than Chi-Ada. Chi-Ada detailed experience providing janitorial services for buildings identical to Agreements 3 & 4. Chi-Ada serviced Sarasota County's Criminal Justice Center, Judicial Center, and Historic Courthouse, projects similar to Agreement 3 for the South Regional Courthouse and Agreement 4 for the Governmental Center East Complex. *See* Chi-Ada's RFP Response, at 62; *see also* Figure 5; *cf.* Sunshine Cleanings Proposal, at 19-23. While Chi-Ada has direct vendor experience with cleaning a courthouse, Sunshine Cleaning's listed vendor experience does not demonstrate the same, yet Sunshine Cleaning was ranked higher for Evaluation Criteria 2.1 by evaluators Tim Waln, Jeffrey White, and Andrew Sebo for Agreement 3, and likewise by the same evaluators and Elsie Lewin for Agreement 4.

c. Responsibility

i. Failure to Disclose Company Principals and Out-of-State PPB renders Sunshine Cleaning's Proposal Non-Responsible.

Sunshine Cleaning, on November 17, 2022, failed to include in its proposal response or update the County at its June 5, 2023 presentation of its actual principals, owners, and out-of-state principal place of business ("PPB"), as required by the solicitation.

Mr. Robert Gleason
August 21, 2023
Page 11

In 2022, Pritchard, a New York-based company, acquired Sunshine Cleaning. *See* Prichard Website Screenshot 1, attached hereto as **Exhibit 3**. On November 14, 2022, Thomas Melton, the Executive Vice President of Pritchard and Sunshine Cleaning, signed the Price Sheets for Agreements 1-4. *See* Sunshine Proposal, at 4-6, 8, excerpts attached hereto as **Exhibit 4**. However, as required by the RFP, Mr. Melton was not included in Sunshine Cleaning's proposal as company principal, officer, or owner. On November 17, 2022, three days after Executive Vice President Thomas Melton signed price sheet documents for Agreements 1-4, Sunshine Cleaning submitted its proposal to the County. Under Evaluation Criterion 1, titled "Ability of Personnel," the RFP required that vendors "[s]ubmit a resume or brief biography for each of the company principal." RFP, at 123 of 180. (emphasis added.) Additionally, pursuant to Question 11 under the Vendor Questionnaire and Standard Certifications Section ("Vendor Questionnaire"), the RFP required vendors to "list name and title of each principal, owner, officer, and major shareholder." RFP, at 135 of 180.

Sunshine Cleaning argues that Mr. Melton nor any of the two New York based -principals were listed because they will not be involved in the operations of Sunshine Cleaning for the projects at issue. However, this argument is no excuse for Sunshine Cleaning's failure to include required information. The solicitation required a list of names and titles *of each* principal, owner, and major shareholder. Had the solicitation solely required a list of names and titles of each principal, owner, officer, and major shareholder that would be involved with the contract, such a response would be valid, but the solicitation made no such narrow distinction. Instead, it required a list of **EACH** principal, owner, officer, or major shareholder, which Sunshine failed to provide. Sunshine Cleaning admits that Mr. Melton is an authorized person for the purposes of all four Agreements he signed, yet claims it was an oversight not to include the Executive Vice President as a principal when he clearly is an owner with the legal authority to bind Sunshine Cleaning contractually with the County. If the Executive Vice President is authorizing the company's actions, it is also true that he has some decision-making authority over this project, whether or not he is involved with the performances of services. For these reasons, he and the other two principals should have been listed, and Sunshine Cleaning's failure to list them renders their proposal non-responsible.

Omission of Out-of-State PPB

Pursuant to Question 6 of the Vendor Questionnaire, the RFP required vendors to list their PPB address. In response to this question, Sunshine Cleaning represented that its PPB is "Sunshine HQ 3445 ne 12th terrace Ft. Lauderdale, FL 33334" *See* Sunshine Proposal, at 114 of 133. This again as previously argued renders Sunshine Cleaning's proposal non-responsible at the time of its submittal.

V. Conclusion and Request for Relief

Chi-Ada respectfully submit this Appeal to the Director of Purchasing's Determination concerning Chi-Ada's July 17, 2023, Formal Protest of the Final Recommended Ranking of Vendors for Agreements 3 & 4 of the RFP and request that the County finds Sunshine Cleaning's proposal non-responsive, and the Evaluation Committee's scoring and evaluation of Sunshine Cleaning's proposal for Evaluation Criteria 3.1 improper since Sunshine Cleaning failed to submit obligatory information as instructed by the Responsiveness Criteria and should not have been scored in the first instance. The Evaluation Committee's scoring and, consequently, the Director of Purchasing's determination is arbitrary and capricious where Chi-Ada is the actual highest ranked responsible and responsive proposal and the lowest priced bid for Agreements 3 & 4 and should be number one ranked for Agreements 3 & 4.

We appreciate your time and attention to this issue and trust that the County will proceed according to the best interest of the County and its taxpayers, which is to have the vendor with the highest-ranked responsible and responsive proposal and the lowest-priced bid for Agreements 3 & 4 as the number one ranked vendor for Agreements 3 & 4.

Sincerely,

Shutts & Bowen LLP

Re: Protest to Final Ranking - RFP No. BLD2124561P1 - Janitorial Services for County Facilities for Agreements No. 3 and 4

The Broward County Purchasing Division ("Purchasing") is in receipt of your firm's timely protest letter dated July 17, 2023 (Exhibit 1), on behalf of your client, Chi-Ada Corporation ("Chi-Ada"), in protest to the Final Recommendation of Ranking for RFP No. BLD2124561P1, Janitorial Services for County Facilities, specifically for Agreements No. 3 and 4. The required protest filing fees, in the amount of \$3,000 (Agreement No. 3) and \$5,000 (Agreement No. 4) were received.

After performing considerable due diligence in reviewing all protest assertions, the solicitation requirements, and the processes the County has followed in this procurement, the protest is respectfully denied, based on the following responses to each protest assertion.

Protest Assertion No. 1:

"The Final Recommendation of Ranking for Agreements No. 3 and 4 is improper because the Evaluation Committee's ranking and scoring was arbitrary and capricious as Sunshine's proposal is non-responsive and should not have been evaluated or scored for Evaluation Criteria 3.1."

Protest Assertion No. 1(a):

You contend that Sunshine is non-responsive because it failed to submit the completed Reference Verification Forms by the solicitation's deadline. Specifically, you assert that "[i]t is clear that Sunshine Cleaning could not and did not have all its references completed and submitted by the solicitation deadline as required by the RFP... Therefore, Sunshine's Proposal cannot be deemed responsive, and such a determination by the evaluation committee was improper."

County's Response to No. 1(a):

Neither the Standard Instructions nor the Special Instructions require a vendor to submit the completed Reference Verification Forms as a matter of responsiveness.

Section A of the Standard Instructions to Vendors listed the following as responsiveness criteria: the Lobbyist Registration Requirement Certification, the Criminal History Screening Practices Certification, and any addenda (Exhibit 2). Section A, Additional Responsiveness Criteria, of the Special Instructions to Vendors, required vendors to provide Price Sheets, the Domestic Partnership Act Certification Form, and the Living Wage Requirements and Affidavit Form (Exhibit 3). Importantly, Section F.2 of the Standard Instructions to Vendors states that "unless the Evaluation Criteria is identified in the solicitation as an Additional Responsiveness or Responsibility Requirement (i.e., Special Instructions to Vendors, e.g., pricing, certifications, etc.), a Vendor's failure to respond to evaluation criteria will not be considered a matter of responsiveness or responsibility." (Exhibit 2). In this solicitation, the provision of Reference Verification Forms was not identified in the RFP as an additional responsiveness or responsibility requirement.

Page 2 of 4

Because neither the Standard Instructions nor the Special Instructions required a vendor to submit the completed Reference Verification Forms as a matter of responsiveness, Sunshine's failure to provide such completed Reference Verification Forms at its time of submittal does not render Sunshine's submittal non-responsive. Accordingly, this protest assertion is denied.

Protest Assertion No. 1(b):

"Even if Sunshine's Proposal is not deemed non-responsive, its proposal should not have been scored for Evaluation Criteria 3.1, per the RFP, thus renders the Evaluation Committee's Scoring Arbitrary and Capricious."

County's Response to No. 1(b):

You assert that because Sunshine failed to submit its completed Reference Verification Forms, Sunshine should not have been scored on Section 3.1, Evaluation Criteria pursuant to the RFP's Standard Instructions to Vendors, which states that vendors that fail to submit information/documentation required by evaluation criteria will not be evaluated or scored for the corresponding criteria.

Section 3.1 of the Evaluation Criteria stated "[v]endor **should** submit completed Reference Verification Forms for previous projects referenced in its submittal. ...[v]endor **should** provide five (5) non-Broward County Board of County Commissioners' janitorial contract references, but no less than three (3)." [emphasis added] (Exhibit 4). Per Section 21.94 of the Procurement Code the word "should" denotes the permissive. Pursuant to Section F.1 of the Special Instructions to Vendors, the County reserves the right to obtain additional information from a vendor. As per established Purchasing policy, on January 4, 2023, the County requested Sunshine's completed Reference Verification Forms, and on January 5, 2023, Sunshine provided the requested information. These forms were provided to the Evaluation Committee, which considered them in its evaluation of Evaluation Criteria 3.1.

Based on the foregoing, this assertion does not have sufficient merit to deem Sunshine as non-responsive and as such, this protest assertion is denied.

Protest Assertion No. 1(c):

"Without the Points Improperly Allocated to Sunshine Cleaning for Evaluation Criteria 3.1, Chi-Ada is the Highest Ranked Responsive and Responsible Proposal and the Lowest bid."

County's Response to No. 1(c):

For the reasons stated in County's response to protest assertion No. 1(a) and No. 1(b), this claim is without merit and is therefore denied.

Protest Assertion No. 2:

"No CBE bidder would surpass Chi-Ada as the highest ranked Non-CBE responsive and responsible proposal and the lowest bid after conducting a Chapter 1 Article IV. Section. 1-81.3 (f)(2) Analysis. McKenzie does not qualify for the Section. 1-81.3(f) Privilege."

County's Response No. 2:

The County agrees McKenzie does not qualify for preferences allowed under Sec. 1-81, Broward County Business Opportunity Act; however, Chi-Ada is not the highest ranked non-CBE firm as set forth for the County's Response to No.1(b) and No. 3, below. The highest-ranked non-CBE is Sunshine.

RFP No. BLD2124561P1 - Janitorial Services for County Facilities
August 10, 2023
Page 3 of 4

Protest Assertion No. 3:

A Scoring Comparison reveals that Chi-Ada's score should be equal to or higher than Sunshine Cleaning's score. Specifically, you claim the following:

- Chi-Ada, unlike Sunshine, included all its references within its proposal on November 17, 2022, the date solicitation responses, and thus references, were due per the RFP.
- Chi-Ada should have received higher scores than Sunshine for its Vendor Experience under Evaluation Criteria 2.1, which asked Vendors to list 10 janitorial contracts that are the ***most similar*** to the agreements for which the vendor is proposing. Under this criterion, Sunshine listed fewer contracts than Chi-Ada, and more importantly, fewer contracts that are similar to Agreements No. 3 and 4. Chi-Ada detailed experience providing janitorial services for buildings identical to Agreements No. 3 and 4, including Sarasota County's Criminal Justice Center, Judicial Center, and Historic Courthouse.
- While Chi-Ada has direct vendor experience with cleaning a courthouse, Sunshine's listed vendor experience does not demonstrate the same, yet Sunshine was ranked higher for Evaluation Criteria 2.1 by evaluators Tim Waln, Jeffrey White, and Andrew Sebo for Agreement No. 3, and likewise by the same evaluators and Elsie Lewin for Agreement No. 4.

County's Response No. 3:

You allege that Chi-Ada should have been scored higher than Sunshine for Evaluation Criteria 3.1 because Chi-Ada included all of its references at the time of submittal. For the reasons set forth in the County's Response to Protest Assertions No. 1(a) and No. 1(b), I do not find there are sufficient grounds on which to reasonably sustain the protest.

I am also unable to grant the protest based on the claim that Chi-Ada should have received higher scores than Sunshine under Evaluation Criteria 2.1, Vendor Experience. Each Evaluation Committee member, at their own professional discretion, scored each proposal independently and on its own merits, up to the maximum allowable points. Chi-Ada may believe its proposal should have been scored higher, but I do not find any reasonable or compelling evidence that the scores of the Evaluation Committee members were made in any manner that can be deemed to be arbitrary, capricious, or otherwise made beyond their professional discretion in reviewing all known information.

Protest Assertion No. 4:

Failure to Disclose Company Principals and Out-of-State PPB renders Sunshine Cleaning's Proposal Non-Responsible.

County's Response No. 4:

The disclosure of company principals and out-of-state principal place of business is not a matter of responsibility, per the terms of the RFP. (see *generally* Section C.1 of Standard Instructions to Vendors). As previously indicated in the County's response to Objection to Proposed Recommendation to Ranking dated July 7, 2023, Sunshine provided detailed additional information regarding their officers and management personnel; and certified that their local business location (3445 NE 12th Terrace, Oakland Park FL 33334) is their principal place of business (Exhibit 5).

Given that Sunshine provided detailed information regarding their officers and management personnel; and certified their local business location, this assertion does not have sufficient merit to deem a vendor non-responsive, and this protest assertion is denied.

Conclusion:

In conclusion, upon careful consideration of all protest assertions for Final Recommendations to Rankings for Agreements No. 3 and 4 and in consultation with the Office of the County Attorney, the protest filed by Chi-Ada is hereby denied. The Final Recommendation of Ranking shall remain as originally indicated.

While I understand this is not the conclusion you seek, I do hope the above information and clarifications address each of the concerns asserted. The County is always sensitive to and recognizes the time and effort involved in submitting a proposal and we sincerely appreciate Chi-Ada's participation in this procurement, and we look forward to considering future proposals.

Respectfully,

Assistant Director,
on behalf of
