EXHIBIT A

Project Description and Responsibilities

A. Project Description (description of Agency's project to provide context, description of project components funded via this Agreement (if not the entire project)): Funding for the Operations and Maintenance of I-95 Express Bus Service. The funding provides for 100% of the operations and maintenance cost of the I-95 express bus service, minus directly generated revenues (fare), at an hourly billable rate that is approved by the department.

B. Project Location (limits, city, county): Broward County & Miami Dade County

Illustration/graphic/map of project area is applicable and attached to this Exhibit A.

C. Project Scope (allowable costs: describe project components, improvement type/service type, approximate timeline, project schedule, project size): This project will provide Express Bus Service in Broward County and Miami Dade County. The service is designed to reduce time travel, increase reliability and provide Broward County and Miami Dade County commuters with travel options.

Broward County (Agency) will provide the Express Bus Service by operating the Express Bus routes on weekdays, Monday - Friday, during peak morning and the afternoon/evening hours. Additional trips may be added or reduced at the discretion of the Agency with prior written consent and approval from the Department.

The Agency will assure that all vehicles used for the Express Bus Service meet the Express Bus Service's accessibility needs for transporting ambulatory and customers using mobility devices.

The Agency will maintain, repair, and inspect all vehicles in compliance with manufacturers' requirements, and comply with Rule 14-90 of the Florida Administrative Code, and any requirement included in the agency's Transportation Operations Procedures.

The Agency will maintain appropriate commuter coach vehicles, as feasible for the Express Bus Service, and ensure that all State and Federal requirements are met regarding procurement, maintenance, inspection, and eventual disposal of all vehicles.

The Agency must ensure that consistent logo/branding is displayed on the vehicles used by Express Bus Services. In addition, vehicle color and markings must align with the standard statewide Express Bus graphics assigned by the Department. Each vehicle used in revenue service shall have EXPRESS BUS signage displays as determined by the agency and the Department during the negotiation of the Agreement.

The Agency will implement an operational management process to identify existing service deficiencies and improvement that may require restructuring and/or service level adjustments, to affect positive changes in the Express Bus Services operation and Management.

Fares for the Express Bus Service shall be determined by the Agency and provided to the Department for approval. Increase in the Express Bus Service fares shall be determined at the discretion of the Agency with the Department prior to review and approval and follow necessary Federal guidelines regarding fare changes.

D. Deliverable(s): Submit an annual performance target based on the I-95 Express Bus Service performance to the Department. The annual performance target should enable an enhanced evaluation of services. Create and submit to the Department an Assessment Report that details performance trends on a semi-annual basis, utilizing a performance-based evaluation tool to enhance the assessment of productivity and efficiency.

Submit a quarterly invoice with the following materials, data and information for the corresponding service period;

- a.) Accident Report (vehicle number, route, date, and time)
- b.) Incident Report (vehicle number, route, date, and time)
- c.) Monthly Ridership Report by stop location and time of day
- d.) Directly generated revenue report (fare box collections by month)
- e.) Vehicle mileage report (First day of the quarter and last day of the quarter)
- f.) Vehicle out of service report (any vehicle out of service for more than two full operational days)
- g.) Customer complaint log/report
- h.) On-time performance report by month
- j.) Planned vs Actual performance report by month

The project scope identifies the ultimate project deliverables. Deliverables for requisition, payment and invoice purposes will be the incremental progress made toward completion of project scope elements. Supporting documentation will be quantifiable, measurable, and verifiable, to allow for a determination of the amount of

E. Unallowable Costs (including but not limited to): candy, alcohol, decorations, greeting cards, lobbying, personal cell phone, office parties, entertainment, food, fans, coffee pots, portable heaters, refrigerators, microwave ovens, congratulatory telegrams, refreshments, banquets, catering, gift cards, flowers, or promotional items.

F. Transit Operating Grant Requirements (Transit Only):

Transit Operating Grants billed as an operational subsidy will require an expenditure detail report from the Agency that matches the invoice period. The expenditure detail, along with the progress report, will be the required deliverables for Transit Operating Grants. Operating grants may be issued for a term not to exceed three years from execution. The original grant agreement will include funding for year one. Funding for years two and three will be added by amendment as long as the grantee has submitted all invoices on schedule and the project deliverables for the year have been met.
