SUBJECT: Airfield Lighting Improvements - Construction

CONTRACT NUMBER: G2G27

AMENDMENT NUMBER: 1

FINANCIAL MANAGEMENT NUMBER: 448090-1

The Public Transportation Grant Agreement ("Agreement") between the Florida Department of Transportation ("Department") and Broward County ("Agency"), dated 03/14/2023, is scheduled to expire on the 31 day of December, 2025.

The Agency requests an Amendment of the Agreement, to extend the end date of the Agreement to the 30 day of September, 2026, for additional time to complete the Project for the following reasons: This additional time is necessary to complete construction of the new electrical vault, implement airfield electrical improvements, and install Precision Approach Path Indicator (PAPI) and Runway End Identifier Lights (REIL) units. The construction grant was executed in March 2023, with design work beginning in April 2023. However, several delays during the design phase pushed the anticipated completion date to December 2024. The project was subsequently advertised in April 2025, and the construction contract was executed in August 2025. Construction is now scheduled to begin in November 2025.

The Department agrees to the requested extension of the Agreement. All of the terms and conditions of the Agreement and any amendments thereto shall remain in full force and effect.
