I. Planning Council Staff Transmittal Recommendation

May 13, 2025

Due to concerns regarding sea level rise, stormwater management and the protection of natural resources, including wetlands and mangroves, consistent with several Broward County Land Use Plan Policies, Planning Council staff is unable to support the proposed amendment to remove approximately 3.5 acres of the overall 21.0-acre ESL Site 97 / Map Label 136 from the Natural Resource Map Series Environmentally Sensitive Lands Map.

Planning Council staff notes that the applicant may request the Planning Council support the amendment. It is suggested that any alternate Planning Council recommendation retain the 1.29-acre conservation easement on the Environmentally Sensitive Lands (ESL) Map.

As the Planning Council is aware, the Broward County Charter requires at least one Planning Council public hearing and Article 1.2(A) of the *Administrative Rules Document: BrowardNext* outlines the following circumstances in which a second Planning Council public hearing may be recommended or required:

- (1) At its initial public hearing, the Planning Council takes an action to recommend denial of a proposed amendment; or
- (2) At its initial public hearing, the Planning Council takes an action to recommend approval subject to meeting specific criteria or policy prior to a second Planning Council public hearing; or
- (3) At its initial public hearing, the Planning Council votes by a majority of the members present with a minimum of six (6) affirmative votes for a second Planning Council public hearing; or
- (4) If the County Commission requests by a vote of the majority of members present to request a second Planning Council public hearing; or
- (5) If an objection or comment on adverse impacts to important state resources or facilities is issued during the State of Florida Chapter 163 review process; or
- (6) If State of Florida Chapter 163 requires or is modified to require a second local planning agency public hearing.

RECOMMENDATIONS/ACTIONS (continued)

- I. Planning Council Staff Transmittal Recommendation (continued) May 13, 2025
