For purpose of this Lease, the term Lease Year is defined to mean a calendar year (beginning January 1 and extending through December 31 of any given year). Any portion of a year which is less than a Lease Year, that is, from the Lease Commencement Date through the next December 31, and from the last January 1 through the last day of the Lease Term, shall be defined as a Partial Lease Year.

ARTICLE 1.4: USE OF PREMISES

- A. Tenant shall use the Premises specifically and solely for the purpose as set forth in the Preamble of this Lease and shall only use the business name as set forth in the Preamble. Tenant represents that it has performed its due diligence and that such use is permissible and allowed by the requisite governmental authorities having jurisdiction over the Premises. Tenant's taking possession of the Premises shall be conclusive evidence against the Tenant that the Premises were in good order and satisfactory condition when Tenant took possession. Tenant has fully investigated the condition of the Premises, zoning and any other applicable laws and governmental and quasi-governmental regulations relating to or applicable to the Premises and Tenant's proposed use of the Premises or has knowingly waived its right to do so and is fully familiar with the physical condition of the Premises and every part thereof, including without limitation, the indoor air quality ("IAQ") generally and compliance with all laws, including, without limitation, Americans With Disability Act, zoning and use, and Tenant accepts the same "as is" therein. Any alterations, physical additions or improvements to the Premises made by Tenant shall at once become the property of Landlord and shall be surrendered to Landlord upon the termination of this Lease; provided however, Landlord, at its option, may require Tenant to remove any physical additions and/or repair any alterations in order to restore the Premises to the condition existing at the time Tenant took possession and all costs of removal and/or alterations to be borne by Tenant. Any Department personality or signage added to the property for business purposes is not considered an alteration under this agreement. Upon expiration or termination of the lease, the Department may remove personality or signage, otherwise the personality and/or signage becomes the property of the Landlord. The Tenant shall notify any and all contractors making any improvements to the premises of this provision herein. A notice pursuant to Florida Statute § 713.10 has or may be recorded by Landlord at any time and this Lease or a short form thereof may be recorded at any time by Landlord. Landlord and Tenant expressly acknowledge and agree that neither the Tenant nor any one claiming by, through or under the Tenant, including without limitation contractors, subcontractors, materialmen, mechanics and laborers, shall have any right to file or place any mechanics' or materialmen's liens of any kind whatsoever upon the Premises nor upon any building or improvement thereon; on the contrary, any such liens are specifically prohibited. The Premises and the immediate areas in front, behind and adjacent to it shall be left in the same condition as it was at Lease commencement and with all Landlord improvements, if any, reasonable wear and tear excepted, and in a broom-clean condition. Tenant shall also be responsible for surrendering all keys and codes (where necessary). Should Tenant fail to comply with this provision, Tenant shall reimburse Landlord for all costs and expenses incurred by Landlord in connection therewith and Landlord may deduct the cost of thereof from Tenant's Security Deposit. ARTICLE X: DAMAGE, DESTRUCTION AND CONDEMNATION

ARTICLE 10.1: DAMAGE OR DESTRUCTION BY FIRE OR OTHER CASUALTY

A. Tenant shall give prompt notice to Landlord in case of fire or other damage to the Premises

or the building(s) containing the Premises. Subject to the provisions of Article VI of this Lease which governs repair obligations of the Tenant and the Landlord, in the event the Property or Premises are damaged after the commencement of the Lease Term, the Lease or any extension or renewal thereof shall continue in full force and effect, unless Tenant's use of the Premises is materially and adversely affected. To the extent of the damage is less than 50% of the cost of replacement of the Premises, the damage shall promptly be repaired by Landlord, at Landlord's expense. In no event shall Landlord be required to replace Tenant's contents, including but not limited to, stock in trade, fixtures, furniture, furnishings, floor coverings and equipment which is the sole responsibility of Tenant at its sole cost and expense. In the event of any such damage and (a) Landlord is not required to repair as herein-above provided, or (b) the Premises shall be damaged to the extent of 50% or more of the cost of replacement, or (c) the building of which the Premises are a part is damaged to the extent of 25% or more of the cost of replacement, or (d) all buildings (taken in the aggregate) in the Property shall be damaged to the extent of more than 25% of the aggregate cost of replacement, Landlord may elect either to repair or rebuild the Premises or the building or buildings, or to terminate this Lease upon giving notice of such election to Tenant within Ninety (90) days after the occurrence of the event causing the damage. If Landlord elects to not to repair or rebuild, or the Premises becomes unusable by Tenant for the intended business purpose due to said damages, Tenant shall have the option to terminate this agreement with ten (10) days written notice to Landlord and Landlord and Tenant shall, upon receipt of notice, be released from any further liability hereunder.

B. If the obligation to repair the Premises falls upon the Landlord as provided for in Article VI of this Lease and if the casualty, repairing, or rebuilding shall render the Premises untenable, in whole or in part, and the obligation to repair the Premises does not fall upon the Tenant as provided for in Article VI of this Lease and if the damage shall not have been due to the fault or neglect of Tenant, its permitted subtenants, concessionaires, agents, customers or employees, a proportionate abatement of the Base Rent shall be allowed from the date when the damage occurred until the date Landlord completes the repairing or rebuilding, said proportion to be computed on the basis of the relation which the gross square foot area of the space rendered untenable bears to the floor area of the Premises, if Tenant elects to utilize the remaining undamaged space. If Landlord is required or elects to repair the Premises as herein provided, Tenant shall repair or replace its stock in trade, fixtures, furniture, furnishings, floor coverings and equipment, and if Tenant has closed for business, Tenant shall promptly reopen for business upon the completion of such repairs.

C. Subject to the repair obligations as set forth in Article VI of the Lease and as provided above, in the event the Premises or the building(s) shall be damaged in whole or in substantial part within the last 24 months of the original Lease Term, or within the last 24 months of the last Renewal Term, if renewals are provided for herein, Landlord shall have the option, exercisable within 30 days following such damage, of terminating this Lease, effective as of the date of receipt of mailing notice to Tenant hereof. If any such termination occurs during the Initial Lease Term, any options for renewal shall automatically be of no further force or effect.

D. No damage or destruction of the Premises or the building(s) shall allow Tenant to surrender possession of the Premises nor affect Tenant's liability for the payments of rent or any other covenant contained herein, except as may be specifically provided in this Lease. Notwithstanding any of the provisions herein to the contrary, Landlord shall have no obligation to rebuild the Premises or the building(s) and may at its own option cancel this Lease unless the damage or destruction is a result of a casualty covered by Landlord's policy and the Landlord elects to rebuild and the Landlord's lender consents to the same.

E. In the event that the entirety or majority of the Premises is destroyed by fire, lightning, storm or other casualty, Landlord may repair the damage to Premises at its own cost and expense. Rental payments shall cease until the completion of repairs. Landlord will immediately refund the pro rata part of any rentals paid in advance by Tenant prior to the destruction. Should the Premises be only partly destroyed, leaving the major part in usable condition, then the rental shall abate on the damaged portion

until the Premises is restored by Landlord. Upon the completion of such repairs, the full rental shall commence and the Lease shall then continue the balance of the term.

F. All property of any kind that may be on the Premises during the term of this Lease shall be at the sole risk of Tenant, and except for any negligence of Landlord, Landlord shall not be liable to Tenant for loss or damage to the property.

ARTICLE 10.2: CONDEMNATION

In the event the entire Premises shall be appropriated or taken under the power of eminent domain by any public or quasi-public authority, this Lease shall terminate and expire as of the date of title vesting in such proceeding, and Landlord and Tenant shall thereupon be released from any further liability hereunder. If any part of the Premises shall be taken as aforesaid, and such partial taking shall render that portion not so taken unsuitable for the business of Tenant, as determined by Tenant, then this Lease and the term herein shall cease and terminate as aforesaid. If such partial taking is not extensive enough to render the Premises unsuitable for the business of Tenant, then this Lease shall continue in effect, except that the Base Rent shall be reduced in the same proportion that the floor area of the Premises taken bears to the original floor area leased and Landlord shall, upon receipt of the award in condemnation, make all necessary repairs or alterations to the building in which the Premises are located so as to constitute the portion of the building not taken a complete architectural unit, but such work shall not exceed the scope of the work to be done by Landlord in originally constructing said building, nor shall Landlord, in any event, be required to spend for such work in an amount in excess of the amount received by Landlord as damages for the part of the Premises so taken. "Amount received by Landlord" shall mean that part of the award in condemnation which is free and clear to Landlord of any collection by mortgagee for the value of the diminished fee. If this Lease is terminated as provided in this paragraph, Landlord shall make an equitable refund of any rent paid by Tenant in advance. Tenant shall not be entitled to and expressly waives all claim to any condemnation award for any taking, whether whole or partial, and whether for diminution in value of the leasehold or to the fee although Tenant shall have the right, to the extent that the same shall not reduce Landlord's award, to claim from the condemning authority, and but not from Landlord, such compensation as may be recoverable by Tenant in its own right for damage to Tenant's business, fixtures and improvements installed by Tenant at its expense.

However, Tenant shall not bring suit for damages incurred due to a delay in the Commencement Date of this Lease if any such delay is caused solely by any delay, default or omission of Tenant.

No waiver by Tenant of any breach of this Lease by Landlord shall be construed as a waiver of any subsequent breach of any duty or covenant imposed by this Lease.

ARTICLE 11.2: LANDLORD'S RIGHTS ON DEFAULT

Should Landlord elect to reenter or should it take possession pursuant to legal proceedings or pursuant to any notice provided for by law, it may make such alterations and repairs as may be necessary in order to re-let the Premises or any part thereof, for such term or terms (which may be for a term extending

beyond the Lease Term) and at such rentals and upon such other terms and conditions as Landlord, in its sole discretion, may reasonably deem advisable.

ARTICLE 11.3: NON-WAIVER PROVISIONS

Any entry or re-entry by Landlord shall not be deemed to absolve or discharge Tenant from liability hereunder.
