Exhibit D	Support and Maintenance Minimum Standards
Exhibit E	Minimum Insurance Coverages
Exhibit F	Work Authorization Form

ARTICLE 3. SCOPE OF SERVICES & TERMS OF USE

3.1. Scope of Services. Contractor shall perform all Services, including without limitation the work specified in Exhibit A (the "Statement of Work"). The Statement of Work is a description of Contractor's obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks that are such an inseparable part of the work described that exclusion would render performance by Contractor impractical, illogical, or unconscionable.

3.2. Software and Subscriptions Rights.

3.2.1. Software License. Contractor grants to County a perpetual, royalty-free, nonexclusive license to the Software, with no geographical limitations, for the number of users stated in Exhibit A (if no number is stated, then an unlimited number of users), including to any embedded third-party software within the Software. This license is granted solely for County purposes, including on- and off-site access, and for the benefit of and use by all agencies within County, including the offices of the County constitutional officers if elected by County. The Software rights granted to County in this Agreement shall not require or otherwise be contingent upon the continuance of Support and Maintenance.

3.2.2. Subscription Rights. Contractor grants to County a royalty-free, nonexclusive right to access and use the Subscriptions for the duration of this Agreement, with no geographical limitations, for the number of users stated in Exhibit A (if no number is stated, then for an unlimited number of users), including the right to use any third-party software or technology embedded in or otherwise required to operate or allow access to the Subscriptions and the right to make any temporary files or copies required to utilize the Subscriptions. This right to use is granted solely for County purposes, including on- and off-site access, and for the benefit of and use by all agencies within the County, including the offices of the County constitutional officers if elected by County.

3.2.3. Authorized Users and Additional Licenses. Unless otherwise stated in Exhibit A, County and any of its employees, agents, contractors, suppliers, and other third parties authorized by County may concurrently operate and use the Products for County purposes. If additional licenses or users are requested by County, the Purchasing Director is authorized to execute a Work Authorization (in substantially the same form as Exhibit F), subject to the Purchasing Director's execution authority as stated in Section 3.8, to purchase additional licenses or users for the fee specified in Exhibit B.

3.2.4. Permitted Hardware and Environments. Unless otherwise stated in Exhibit A, County may install, use, and operate the Software and Subscriptions on any hardware. For any

Software, County may, at no additional cost: (a) install, use, and operate the Software on separate servers and in any and all development, test, failover, disaster recovery, and backup environments or configurations; (b) if required by reason of an emergency, disaster, or operational need, or for testing of recovery resources, temporarily use the Software on recovery resources, including recovery resources that may not be owned by County; (c) copy the Software for backup and archiving purposes for the purposes of support or maintenance by County or others hired by County to provide such support or maintenance; and (d) utilize a hosted environment, including without limitation through a third-party hosting provider, for any permitted uses of the Software.

3.2.5. Prohibited Uses. Except as otherwise provided in this Agreement or required under Applicable Law, County shall not reproduce, publish, or license the Software or Subscriptions to others. County shall not modify, reverse engineer, disassemble, or decompile the Software or Subscriptions, or any portion thereof, except (a) to the extent expressly authorized in Exhibit A, in which event such authorized actions shall be deemed within the license grant of Section 3.2, or (b) to the extent permitted under any applicable open source license.

3.3. Hosting. Any costs to County for any hosting provided by Contractor of the Software or Subscriptions are included within the Subscription Fee listed in Exhibit B and will be provided at no additional cost to County, unless otherwise expressly stated in Exhibit B.

3.4. Support and Maintenance. For so long as requested by County and for all Products other than Subscriptions, Contractor shall provide County with Support and Maintenance for the Products and the System as set forth in Exhibit D. Contractor shall provide County with Support and Maintenance for Subscriptions as set forth in Exhibit D, so long as County pays the Subscription Fee stated in Exhibit B. Support and Maintenance shall be invoiced and paid in accordance with the Payment Schedule set forth in Exhibit B. County may elect to discontinue or recommence Support and Maintenance for some or all Products upon thirty (30) days prior written notice, and County shall only be obligated to pay for the time periods actually covered by Support and Maintenance at the rates stated in Exhibit B.

3.5. Updates, Upgrades, and Releases. For the Term, Contractor shall promptly provide to County, with advance notice and at no additional cost, any and all software and firmware updates (including error corrections, bug fixes, security updates, and patches), upgrades, and new releases to the Products, including all that Contractor makes available at no additional cost to other licensees of the applicable Products or users of all or part of the System. All such updates, upgrades, and new releases shall remain the sole property of Contractor and shall be deemed to be included within the scope of the licenses and subscriptions for Products granted under this Agreement. Installation or implementation of any such update, upgrade, or release in the County's environment requires prior written authorization by the Contract Administrator.

3.6. Compatibility. For the Term, Contractor shall ensure the continued compatibility of the Products with all major releases, updates, or upgrades of any third-party software used by County for access or operation of the System, including without limitation Active Directory (AD) and Geographic Information System Mapping (GIS). If Contractor is not able to support any third-

party software update, upgrade, or new release that changes major functionality and is not compatible with the Products, Contractor shall use all reasonable efforts to resolve such issues and to provide optimal functionality of the Software or the Subscriptions consistent with this Agreement. If Contractor is unable to provide continued optimal functionality of the Products consistent with this Agreement due to any third-party software release, update, or upgrade, County shall be entitled to a refund of any Support and Maintenance Fee or Subscription Fee paid for the affected time period and affected Products and may, at County's sole election, terminate the Agreement upon written notice with no further obligation to Contractor.

3.7. Documentation. Contractor shall deliver copies of the Documentation to County concurrently with delivery of the Products, and thereafter shall promptly provide any updated Documentation as it becomes available during the Term of this Agreement. Contractor represents and warrants that the Documentation is sufficiently comprehensive and of sufficient quality to enable a competent user to operate the Products efficiently and in accordance with Exhibit A. County has the right to copy, reproduce, modify, and create derivative works utilizing the Documentation as County deems necessary provided such activities are solely for the purpose of use of the Products as permitted under this Agreement.

3.8. Optional Services. If any Services, or the quantity thereof, are identified as optional ("Optional Services"), County may select the type, amount, and timing of Optional Services pursuant to a work authorization ("Work Authorization") in substantially the form attached as Exhibit F, executed by Contractor and County pursuant to this section. Any Optional Services procured, when combined with the other required Services, shall not result in a payment obligation exceeding the applicable maximum amount stated in Section 5.1. Notwithstanding anything to the contrary in this Agreement, Work Authorizations shall be executed on behalf of County as follows: (a) the Contract Administrator may execute Work Authorizations for which the total aggregate cost to County is less than \$50,000; (b) the Purchasing Director may execute Work Authorizations for which the total aggregate cost to County is within the Purchasing Director's delegated authority; and (c) any Work Authorization above the Purchasing Director's delegated authority requires express approval by the Board. Contractor shall not commence work on any Work Authorization until receipt of a purchase order and a Notice to Proceed issued by the Contract Administrator.

ARTICLE 4. TERM AND TIME OF PERFORMANCE

4.1. Term. This Agreement begins on the date it is fully executed by the Parties ("Effective Date") and shall expire one (1) year after the Effective Date ("Initial Term"), unless otherwise terminated or extended as provided in this Agreement. The Initial Term, Extension Term(s), and any Additional Extension, as those terms are defined in this article, are collectively referred to as the "Term."

4.2. Extensions. County may extend this Agreement for up to nine (9) additional one (1) year terms (each an "Extension Term") on the same rates, terms, and conditions stated in this Agreement by sending written notice to Contractor at least thirty (30) days prior to the expiration of the then-current term. The Purchasing Director is authorized to exercise any Extension

Term(s), and notice of same to Contractor by electronic mail alone shall be effective and sufficient.

4.3. Additional Extension. If the Purchasing Director determines, in their sole discretion, that unusual or exceptional circumstances render the exercise of an Extension Term not practicable, or that no Extension Term remains available and expiration of this Agreement would result in a gap in necessary Services, then the Purchasing Director may extend this Agreement for period(s) not to exceed three (3) months in the aggregate (“Additional Extension”) on the same rates, terms, and conditions as existed at the end of the then-current term. The Purchasing Director may exercise the Additional Extension by written notice to Contractor at least thirty (30) days prior to the end of the then-current term stating the duration of the Additional Extension. The Additional Extension must be within the authority of the Purchasing Director or otherwise authorized by the Board.

4.4. Fiscal Year. The continuation of this Agreement beyond the end of any County fiscal year (October 1 through September 30) is subject to both the appropriation and the availability of funds pursuant to Chapter 129 and, if applicable, Chapter 212, Florida Statutes.

4.5. Time of the Essence. Time is of the essence for Contractor’s performance of the duties, obligations, and responsibilities required by this Agreement.

ARTICLE 5. COMPENSATION

5.1. Maximum Amounts. For all Products and Services provided under this Agreement, County will pay Contractor up to a maximum amount as follows:

Services/Products	Term	Not-To-Exceed Amount
Support and Maintenance Fees	Initial Term	\$161,000
Support and Maintenance Fees	Extension Term(s)	\$211,000 annually (\$1,899,000 total for all Extension Terms)
Optional Services	Duration of Agreement	\$50,000
TOTAL NOT TO EXCEED		\$2,110,000

Payment shall be made only for Services actually performed and completed pursuant to this Agreement as set forth in Exhibit B, which amount shall be accepted by Contractor as full compensation for all such Services. Contractor acknowledges that the amounts set forth in this Agreement are the maximum amounts payable and constitute a limitation upon County’s obligation to compensate Contractor for Products and Services. These maximum amounts, however, do not constitute a limitation of any sort upon Contractor’s obligation to perform all Services.

5.2. Method of Billing and Payment.

5.2.1. Unless otherwise stated in Exhibit B, Contractor must submit invoices no more often than once monthly, but only after the Services invoiced have been completed.

Invoices are due within fifteen (15) days after the end of the month covered by the invoice, except that the final invoice must be received no later than sixty (60) days after the expiration or earlier termination of this Agreement. Unless otherwise stated in Exhibit B or the applicable Work Authorization, any Optional Services shall be invoiced in accordance with the existing invoicing schedule for any like goods or services provided under this Agreement, including (if applicable) invoiced pro rata for the initial invoice period. Invoices shall describe the Services performed and, as applicable, the personnel, hours, tasks, or other details as requested by the Contract Administrator. Contractor shall submit a Certification of Payments to Subcontractors and Suppliers (Form 00924, available at <https://www.broward.org/Purchasing/Pages/StandardTerms.aspx>) with each invoice that includes Services performed by a Subcontractor. The certification shall be accompanied by a copy of the notification sent to each unpaid Subcontractor listed on the form, explaining the good cause why payment has not been made to that Subcontractor.

5.2.2. Invoices shall be in the amounts set forth in Exhibit B for the applicable Services, minus any agreed upon retainage as stated in Exhibit B. Retainage amounts shall only be invoiced upon completion of all Services, unless otherwise stated in Exhibit B.

5.2.3. County shall pay Contractor within thirty (30) days after receipt of Contractor's proper invoice in accordance with the "Broward County Prompt Payment Ordinance," Section 1-51.6 of the Code. To be deemed proper, all invoices must: (a) comply with all applicable requirements, whether set forth in this Agreement or the Code; (b) be submitted pursuant to instructions prescribed by the Contract Administrator; and (c) be submitted to both the County's Accounting Division (via email to AccountsPayable@Broward.org) and to the Contract Administrator. Payments shall be sent to Contractor's address in accordance with Article 13, unless otherwise requested by Contractor in writing and approved by the Contract Administrator in writing. Payment may be withheld for failure of Contractor to comply with a term, condition, or requirement of this Agreement. County may set off any amounts Contractor owes to County under this Agreement against any amounts County owes to Contractor under this Agreement.

5.2.4. Contractor must pay Subcontractors and suppliers within fifteen (15) days after receipt of payment from County for such subcontracted work or supplies. If Contractor withholds an amount as retainage from Subcontractors or suppliers, Contractor shall release such retainage and pay same within fifteen (15) days after receipt of payment of retained amounts from County. Failure to pay a Subcontractor or supplier in accordance with this section shall be a material breach of this Agreement, unless Contractor demonstrates to Contract Administrator's satisfaction that such failure to pay results from a bona fide dispute with the Subcontractor or supplier and, further, Contractor promptly pays the applicable amount(s) to the Subcontractor or supplier upon resolution of the dispute. Contractor shall include requirements substantially similar to those set forth in this section in its contracts with Subcontractors and suppliers.

5.3. Reimbursable Expenses. Contractor shall not be reimbursed for any expenses it incurs unless expressly provided for in this Agreement. Reimbursement of any travel costs or travel-related expenses permitted under this Agreement shall be limited to those permitted under Section 112.061, Florida Statutes, except to the extent that Exhibit B expressly provides otherwise. County shall not be liable for any expenses that exceed those allowed by Section 112.061 or that were not approved in writing in advance by the Contract Administrator.

5.4. Subcontractors. Contractor shall invoice Subcontractor fees only in the actual amount paid by Contractor, without markup or other adjustment.

5.5. Withholding by County; Overcharges. Notwithstanding any provision of this Agreement to the contrary, County may withhold payment, in whole or in part, (a) in accordance with Applicable Law, or (b) to the extent necessary to protect itself from loss on account of (i) inadequate or defective work that has not been remedied or resolved in a manner satisfactory to the Contract Administrator, or (ii) Contractor's failure to comply with any provision of this Agreement. The amount withheld shall not be subject to payment of interest by County. In the event of an overcharge by Contractor in any amount, Contractor shall promptly refund to County such overcharged amount. If the overcharge exceeds five percent (5%) of the total amount charged in the invoice where the overcharge occurred, Contractor shall, in addition to refunding the overcharged amount, pay liquidated damages in the amount of fifteen percent (15%) of the overcharged amount within thirty (30) days after demand by County as just compensation for damages incurred by County due to the overcharge, including, but not limited to, County's administrative costs and loss of potential investment returns (including interest).

5.6. Fixed Pricing. Unless otherwise stated in Exhibit B, prices shall remain firm and fixed for the duration of the Term, including any extension terms. However, Contractor may offer incentive or volume discounts to County at any time.

5.7. Foreign Entity Tax Withholding. Amounts due to certain foreign persons or entities may be subject to backup withholding taxes under federal law. If Contractor is a foreign person or entity that is required to complete an Internal Revenue Service ("IRS") form to evidence exemption from backup withholding (e.g., Form W-8ECI) ("Foreign Tax Form"), Contractor shall provide County a copy of Contractor's current Foreign Tax Form prior to issuance of any invoice or payment under this Agreement. If Contractor fails to timely provide a completed, current Foreign Tax Form, County will withhold all backup withholding taxes from the amounts due Contractor, remit such sums to the IRS, and pay Contractor only the remainder. County makes no representation regarding the tax treatment of amounts due to Contractor, and Contractor releases and holds County harmless from any claims or damages in any way relating to or arising from any tax withholding by County pursuant to this section.

ARTICLE 6. DELIVERY, TESTING AND ACCEPTANCE

6.1. Delivery. Unless otherwise stated in Exhibit A, Contractor shall, within seven (7) days after the Effective Date, make the Software and the Subscriptions available electronically to County.

All County license keys, usernames, and passwords shall be authenticated by Contractor and perform according to Exhibit A (Statement of Work).

6.2. Final Acceptance Testing. Section 22.148 of the Broward County Administrative Code requires that all applicable software purchases be inspected and tested by County, including verification by its Enterprise Technology Services Division (“ETS”), prior to final written acceptance of the software and software-related services. Within thirty (30) days after completion of all Services stated in Exhibit A relating to the installation, implementation, and integration of the Products and System provided under this Agreement, County shall conduct testing to determine whether the System: (i) properly functions with any applicable operating software; (ii) provides the capabilities stated in this Agreement and the Documentation; and (iii) if applicable, meets the acceptance criteria stated in the Statement of Work (the criteria referenced in (i), (ii), and (iii) are collectively referred to as the “Final Acceptance Criteria”). In the event of a conflict between the Documentation and the acceptance criteria stated in the Statement of Work, the Statement of Work shall prevail. Final payment shall not be made to Contractor prior to the written confirmation by the County’s Chief Information Officer or their written designee that the Products and System have successfully passed the Final Acceptance Criteria, and such written confirmation shall constitute “Final Acceptance.”

6.2.1. The testing period shall commence on the first business day after Contractor informs County in writing that it has completed the Services required to be performed prior to testing and that the System is ready for testing, and shall continue for a period of up to thirty (30) days. During the testing period, County may notify Contractor in writing of any error or defect in the System so that Contractor may make any needed modifications or repairs. If Contractor so elects in writing, testing will cease until Contractor resubmits for Final Acceptance testing, at which time the testing period shall be reset to that of a first submission for testing.

6.2.2. County shall notify Contractor in writing of its Final Acceptance or rejection of the System, or any part thereof, within fifteen (15) days after the end of the testing period, as same may be extended or reset. If County rejects the System, or any part thereof, County shall provide notice identifying the criteria for Final Acceptance that the System failed to meet. Following such notice, Contractor shall have thirty (30) days to (a) modify, repair, or replace the System or any portion thereof, or (b) otherwise respond to County’s notice. If Contractor modifies, repairs, or replaces the System or portion thereof, the testing period shall re-commence consistent with the procedures set forth above in this Section 6.2.

6.2.3. If Contractor fails to remedy the reason(s) for County’s rejection of the System, or any part thereof, within ninety (90) days after County’s initial notice of rejection, County may elect, in writing, to either accept the System as it then exists or to reject the Software or Subscriptions and terminate the Agreement or applicable Work Authorization. If County elects to reject the System and terminate the Agreement or applicable Work Authorization, all sums paid by County under the Agreement or applicable Work Authorization shall be reimbursed to County by Contractor within fifteen (15) days after such election is made. If County elects to accept the System as it then exists (partial acceptance), Contractor shall continue to use its best efforts to

remedy the items identified in the applicable notice of rejection. If, despite such continuing best efforts, Contractor fails to remedy the issue(s) identified by County within a reasonable time as determined by County, then County shall be entitled to deduct from future sums due under the Agreement the value of the rejected portion of the System as mutually determined by the Parties. If the Parties cannot agree upon such value, County shall have the right to reject the System and terminate the Agreement or applicable Work Authorization on the terms stated above in this section.

ARTICLE 7. CONFIDENTIAL INFORMATION, PROPRIETARY RIGHTS, SECURITY REQUIREMENTS

7.1. Contractor Confidential Information. Contractor represents that the Software and the Subscriptions contain proprietary products and trade secrets of Contractor. Accordingly, to the full extent permissible under Applicable Law, County agrees to treat intellectual property within the Software or the Subscriptions as confidential in accordance with this article. For any other material submitted to County, Contractor must separately submit and conspicuously label as “RESTRICTED MATERIAL – DO NOT PRODUCE” any material (a) that Contractor contends, constitutes, or contains its trade secrets under Chapter 688, Florida Statutes, or (b) for which Contractor asserts a right to withhold from public disclosure as confidential or otherwise exempt from production under Florida public records laws (including Chapter 119, Florida Statutes) (collectively, “Restricted Material”). In addition, Contractor must, simultaneous with the submission of any Restricted Material, provide a sworn declaration or affidavit in a form acceptable to County from a person with personal knowledge attesting that the Restricted Material constitutes trade secrets or is otherwise exempt or confidential under Florida public records laws, including citing the applicable Florida statute and specifying the factual basis for each such claim. Upon request by County, Contractor must promptly identify the specific applicable statutory section that protects any particular document. If a third party submits a request to County for records designated by Contractor as Restricted Material or for trade secret material in the Software or the Subscriptions, County shall refrain from disclosing such material unless otherwise ordered by a court of competent jurisdiction, authorized in writing by Contractor, or the claimed exemption is waived. Any failure by Contractor to strictly comply with the requirements of this section shall constitute Contractor’s waiver of County’s obligation to treat the records as Restricted Material. Contractor must indemnify and defend County and its employees and agents from any and all claims, causes of action, losses, fines, penalties, damages, judgments, and liabilities of any kind, including attorneys’ fees, litigation expenses, and court costs, relating to nondisclosure of Restricted Material or materials relating to the Software or the Subscriptions in response to a third-party request.

7.2. County Confidential Information. All materials, data, transactions of all forms, financial information, documentation, inventions, designs, and methods that Contractor obtains from County in connection with this Agreement, that are made or developed by Contractor in the course of the performance of the Agreement, or in which County holds proprietary rights, constitute “County Confidential Information.” All County-provided employee information, financial information, and personally identifiable information for individuals or entities

interacting with County (including, without limitation, social security numbers, birth dates, banking and financial information, and other information deemed exempt or confidential under Applicable Law) also constitute "County Confidential Information."

7.2.1. County Confidential Information may not, without the prior written consent of County, or as otherwise required by Applicable Law, be used by Contractor or its employees, agents, Subcontractors, or suppliers for any purpose other than for the benefit of County pursuant to this Agreement. Neither Contractor nor its employees, agents, Subcontractors, or suppliers may sell, transfer, publish, disclose, display, license, or otherwise make available to any other person or entity any County Confidential Information without the prior written consent of County.

7.2.2. Contractor expressly agrees to be bound by and to defend, indemnify, and hold harmless County and its officers and employees from the breach of Applicable Law by Contractor or its employees, agents, Subcontractors, or suppliers regarding the unlawful use or disclosure of County Confidential Information.

7.2.3. Upon expiration or termination of this Agreement, or as otherwise demanded by County, Contractor shall immediately turn over to County all County Confidential Information, in any form, tangible or intangible, possessed by Contractor or its employees, agents, Subcontractors, or suppliers.

7.3. Confidential Information; Generative Artificial Intelligence. Unless expressly authorized in this Agreement or in writing in advance by the Contract Administrator, Contractor is strictly prohibited from disclosing, uploading, or otherwise making available to third parties, directly or indirectly, including but not limited to through utilization of generative artificial intelligence tools, any exempt, confidential, sensitive security, or personal information of County. Contractor must ensure that any use of generative artificial intelligence tools by Contractor or its Subcontractors does not involve the disclosure of exempt, confidential, sensitive security, or personal information, including without limitation for large language model learning or training. Contractor must implement and maintain appropriate technological and operational safeguards to ensure compliance with the obligations of this section.

7.4. Maintenance of Confidential Information. Each Party shall advise its employees, agents, Subcontractors, and suppliers who receive or otherwise have access to the other Party's Confidential Information (as described in Section 7.1 or Section 7.2, as applicable) of their obligation to keep such information confidential, and shall promptly advise the other Party in writing if it learns of any unauthorized use or disclosure of said Confidential Information. In addition, the Parties agree to cooperate fully and provide all reasonable assistance to ensure the confidentiality of the other Party's Confidential Information as described in this article.

7.5. County Proprietary Rights. Contractor acknowledges and agrees that County retains all rights, title, and interest in and to all materials, data, documentation, and copies thereof furnished by County to Contractor under this Agreement, including all copyright and other

proprietary rights therein, which Contractor as well as its employees, agents, Subcontractors, and suppliers may use only in connection with the performance of this Agreement.

7.6. Contractor Proprietary Rights. Except for custom work products, if any, County acknowledges that all copies of the Software (in any form) and the Subscriptions are the sole property of Contractor or third-party licensor. County shall not have any right, title, or interest to any such Software or Subscriptions except as expressly provided in this Agreement and shall take reasonable steps to secure and protect the Software and the Subscriptions consistent with maintenance of Contractor's proprietary rights therein.

7.7. Data and Privacy. Contractor shall comply with all applicable data and privacy laws and regulations, including without limitation Section 501.171, Florida Statutes, and shall ensure that County data processed, transmitted, or stored by Contractor or in the System is not accessed, transmitted, or stored outside the United States. Contractor shall not sell, market, publicize, distribute, or otherwise make available to any third party any personal identification information (as defined by Sections 501.171, 817.568, or 817.5685, Florida Statutes) that Contractor may receive or otherwise have access to in connection with this Agreement, unless expressly authorized in advance by County. If applicable and requested by County, Contractor shall ensure that all hard drives or other storage devices and media that contained County data have been wiped in accordance with the then-current best industry practices, including without limitation DOD 5220.22-M, and that an appropriate data wipe certification is provided to the satisfaction of the Contract Administrator.

7.8. Entities of Foreign Concern. The provisions of this section apply only if this Agreement provides access to an individual's personal identifying information. By execution of this Agreement, the undersigned authorized representative of Contractor hereby attests under penalty of perjury as follows: Contractor is not owned by the government of a foreign country of concern, is not organized under the laws of nor has its principal place of business in a foreign country of concern, and the government of a foreign country of concern does not have a controlling interest in Contractor; and the undersigned authorized representative of Contractor declares that they have read the foregoing statement and that the facts stated in it are true. Terms used in this section that are not otherwise defined in this Agreement shall have the meanings ascribed to such terms in Section 287.138, Florida Statutes.

7.9. Security Requirements. Contractor, the Products, and the System must meet or exceed all security requirements set forth in Exhibit C at all times throughout the Term, unless otherwise expressly approved in writing by the County's Chief Information Officer or their designee. Contractor will cooperate with County and provide any and all information that County may reasonably request to determine appropriate security and network access restrictions and verify Contractor compliance with County security requirements, including as stated in this section.

7.10. Injunctive Relief; Survival. The Parties represent and agree that neither damages nor any other legal remedy is adequate to remedy any breach of this article, and that the injured party shall therefore be entitled to injunctive relief to restrain or remedy any breach or threatened

breach. The obligations under this article shall survive the termination of this Agreement or of any license granted under this Agreement.

ARTICLE 8. REPRESENTATIONS AND WARRANTIES

8.1. Ownership. Contractor represents and warrants that it is the owner of all right, title, and interest in and to the Software and the Subscriptions, or that it has the right to grant to County the rights and the licenses granted under this Agreement, and that Contractor has not knowingly granted rights or licenses to any other person or entity that would restrict rights and licenses granted hereunder, except as may be expressly stated herein.

8.2. Limited Warranty. For the Term, Contractor represents and warrants to County that the Products and System will perform substantially as described in the Documentation and in Exhibit A. This warranty does not cover any failure of the Products resulting from: (a) use of the Products in a manner other than that for which they were intended; (b) any modification of the Products by County that is not authorized by Contractor; or (c) County's provision of improperly formatted data to be processed through the System.

8.3. Warranty Regarding Viruses and PCI Compliance. Contractor further represents, warrants, and agrees that the Products are free from currently-known viruses or malicious software (at the time the Products and any subsequent versions thereof are provided to County), and that Contractor has and will continue, for the full term of this Agreement, to use commercially reasonable security measures to ensure the integrity of the Products from data leaks, hackers, denial of service attacks, and other unauthorized intrusions. If the Services or Products involve the acceptance, transmission, or storage of any credit cardholder data, Contractor represents and warrants that the Products comply with the most recent Security Standards Council's Payment Card Industry ("PCI") Payment Application Data Security Standard ("DSS") and that such compliance will be maintained throughout the Term. Contractor shall also ensure, for the duration of the Agreement, that all electronically printed receipts generated in connection with the Services or Products comply with the Fair and Accurate Credit Transactions Act ("FACTA"), 15 U.S.C. § 1681c(g), as amended, including that card numbers and expiration dates are properly truncated in accordance with the requirements of FACTA.

8.4. ADA Compliance. Contractor represents and warrants that the Products and System are, and for the duration of the Agreement will remain, fully accessible and compliant with the Americans with Disabilities Act, 42 U.S.C. § 12101, Section 504 of the Rehabilitation Act of 1973, and all other Applicable Law. Contractor further represents and warrants that the Products and System, and all deliverables provided to County for online utilization meet or exceed the World Wide Web Consortium/Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standard or any higher standard as may be adopted by the International Organization for Standardization or required by Applicable Law. Upon request, Contractor will provide County with any accessibility testing results and written documentation verifying accessibility, as well as promptly respond to and resolve accessibility complaints.

8.5. Intellectual Property Warranty. Contractor represents and warrants that at the time of entering into this Agreement, no claims have been asserted against Contractor (whether or not any action or proceeding has been brought) that allege that any part of the Products or System infringes or misappropriates any patent, copyright, mask copyright, or any trade secret or other intellectual or proprietary right of a third party, and that Contractor is unaware of any such potential claim. Contractor also agrees, represents, and warrants that the Products, System, Services, and Support and Maintenance to be provided pursuant to this Agreement will not infringe or misappropriate any patent, copyright, mask copyright, or any trade secret or other intellectual or proprietary right of a third party.

8.6. Representation of Authority. Contractor represents and warrants that this Agreement constitutes the legal, valid, binding, and enforceable obligation of Contractor, and that neither the execution nor performance of this Agreement constitutes a breach of any agreement that Contractor has with any third party or violates Applicable Law. Contractor further represents and warrants that execution of this Agreement is within Contractor's legal powers, and each individual executing this Agreement on behalf of Contractor is duly authorized by all necessary and appropriate action to do so on behalf of Contractor and does so with full legal authority.

8.7. Solicitation Representations. Contractor represents and warrants that all statements and representations made in Contractor's proposal, bid, or other supporting documents submitted to County in connection with the solicitation, negotiation, or award of this Agreement, including during the procurement or evaluation process, were true and correct when made and are true and correct as of the date Contractor executes this Agreement, unless otherwise expressly disclosed in writing by Contractor.

8.8. Contingency Fee. Contractor represents and warrants that it has not employed or retained any person or entity, other than a bona fide employee working solely for Contractor, to solicit or secure this Agreement and that it has not paid or agreed to pay any person or entity, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

8.9. Truth-In-Negotiation Representation. Contractor's compensation under this Agreement is based upon its representations to County, and Contractor certifies that the wage rates, factual unit costs, and other information supplied to substantiate Contractor's compensation, including without limitation those made by Contractor during the negotiation of this Agreement, are accurate, complete, and current as of the date Contractor executes this Agreement. Contractor's compensation may be reduced by County, in its sole discretion, to correct any inaccurate, incomplete, or noncurrent information provided to County as the basis for Contractor's compensation in this Agreement.

8.10. Public Entity Crime Act. Contractor represents that it is familiar with the requirements and prohibitions under the Public Entity Crime Act, Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that statute. Contractor further represents that there has been no determination that it committed a "public entity crime" as

defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a “public entity crime” regardless of the amount of money involved or whether Contractor has been placed on the convicted vendor list.

8.11. Discriminatory Vendor and Scrutinized Companies Lists; Countries of Concern. Contractor represents that it has not been placed on the “discriminatory vendor list” as provided in Section 287.134, Florida Statutes, and that it has not been identified as a company or other entity subject to scrutiny under Sections 215.473 or 215.4725, Florida Statutes. Contractor represents and certifies that it is not, and for the duration of the Term will not be, ineligible to contract with County on any of the grounds stated in Section 287.135, Florida Statutes. Contractor represents that it is, and for the duration of the Term will remain, in compliance with Section 286.101, Florida Statutes.

8.12. Claims Against Contractor. Contractor represents and warrants that there is no action or proceeding, at law or in equity, before any court, mediator, arbitrator, governmental or other board or official, pending or, to the knowledge of Contractor, threatened against or affecting Contractor, the outcome of which may (a) affect the validity or enforceability of this Agreement, (b) materially and adversely affect the authority or ability of Contractor to perform its obligations under this Agreement, or (c) have a material and adverse effect on the consolidated financial condition or results of operations of Contractor or on the ability of Contractor to conduct its business as presently conducted or as proposed or contemplated to be conducted.

8.13. Verification of Employment Eligibility. Contractor represents that Contractor and each Subcontractor have registered with and use the E-Verify system maintained by the United States Department of Homeland Security to verify the work authorization status of all newly hired employees in compliance with the requirements of Section 448.095, Florida Statutes, and that entry into this Agreement will not violate that statute. If Contractor violates this section, County may immediately terminate this Agreement for cause and Contractor shall be liable for all costs incurred by County due to the termination.

8.14. Warranty of Performance. Contractor represents and warrants that it possesses the knowledge, skill, experience, and financial capability required to perform and provide all Services and that each person and entity that will provide Services is duly qualified to perform such Services by all appropriate governmental authorities, where required, and is sufficiently experienced and skilled in the area(s) for which such person or entity will render Services. Contractor represents and warrants that the Services shall be performed in a skillful and respectful manner, and that the quality of all Services shall equal or exceed prevailing industry standards for the provision of such Services.

8.15. Prohibited Telecommunications. Contractor represents and certifies that Contractor and all Subcontractors do not use, and for the Term will not provide or use, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, as such terms are used in 48 C.F.R. §§ 52.204-24 through 52.204-26.

8.16. Criminal History Screening Practices. If this Agreement is subject to the requirements of Section 26-125(d) of the Code, Contractor represents and certifies that Contractor will comply with Section 26-125(d) of the Code for the duration of the Term.

8.17. Domestic Partnership Requirement. Unless this Agreement is exempt from the provisions of the “Broward County Domestic Partnership Act,” Section 16½-157 of the Code (“Act”), Contractor certifies and represents that it shall at all times comply with the provisions of the Act. The contract language referenced in the Act is deemed incorporated in this Agreement as though fully set forth in this section.

8.18. Breach of Representations. Contractor acknowledges that County is materially relying on the representations, warranties, and certifications of Contractor stated in this article, and County shall be entitled to exercise any or all of the following remedies if any such representation, warranty, or certification is untrue: (a) recovery of damages incurred; (b) termination of this Agreement without any further liability to Contractor; (c) set off from any amounts due Contractor the full amount of any damage incurred; and (d) debarment of Contractor.

ARTICLE 9. INDEMNIFICATION AND LIMITATION OF LIABILITY

9.1. Indemnification. Contractor shall indemnify, hold harmless, and defend County and all of County’s current, past, and future officers, agents, and employees (collectively, “Indemnified Party”) from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys’ fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and caused or alleged to be caused, in whole or in part, by any breach of this Agreement by Contractor, or any intentional, reckless, or negligent act or omission of Contractor, its officers, employees, or agents, arising from, relating to, or in connection with this Agreement (collectively, a “Claim”). If any Claim is brought against an Indemnified Party, Contractor shall, upon written notice from County, defend each Indemnified Party with counsel satisfactory to County or, at County’s option, pay for an attorney selected by the County Attorney to defend the Indemnified Party. The obligations of this section shall survive the expiration or earlier termination of this Agreement. If considered necessary by the Contract Administrator and the County Attorney, any sums due Contractor under this Agreement may be retained by County until all Claims subject to this indemnification obligation have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by County.

9.2. Infringement Remedy. If the Products or any portion thereof are finally adjudged to infringe, or in Contractor’s opinion are likely to become the subject of such a Claim, Contractor shall, at County’s option, either: (i) procure for County the right to continue using the Products; (ii) modify or replace the Products to make them noninfringing; or (iii) refund to County all fees paid under this Agreement. Contractor shall have no liability regarding any infringement claim caused by any County modification of the Products not specifically authorized in writing by Contractor.

9.3. Limitation of Liability. Neither Contractor nor County shall be liable to the other Party for any damages under this Agreement that exceed the largest of the following amounts: (a) \$100,000; (b) twice the maximum compensation amount specified in Section 5.1; or (c) the amount of insurance Contractor is required to provide under Article 10. Neither Party shall be liable for the other party's special, indirect, punitive, or consequential damages (including damages resulting from lost data or records other than costs incurred in the recovery thereof), even if the Party has been advised that such damages are possible, or for the other Party's lost profits, lost revenue, or lost institutional operating savings. These limitations of liability shall not apply to (i) any Claim resulting from Contractor's actual or alleged disclosure of County Confidential Information or resulting from an actual or alleged data breach in violation of Applicable Law, (ii) any Claim resulting from an actual or alleged infringement of any interest in any Product, or (iii) any indemnification obligation under this Agreement.

ARTICLE 10. INSURANCE

10.1. Throughout the Term, Contractor shall, at its sole expense, maintain the minimum insurance coverages stated in Exhibit E in accordance with the terms and conditions of this article. Contractor shall maintain insurance coverage against claims relating to any act or omission by Contractor, its agents, representatives, employees, or Subcontractors in connection with this Agreement. County reserves the right at any time to review and adjust the limits and types of coverage required under this article.

10.2. Contractor shall ensure that "Broward County" is listed and endorsed as an additional insured as stated in Exhibit E on all policies required under this article.

10.3. On or before the Effective Date or at least fifteen (15) days prior to commencement of Services, as may be requested by County, Contractor shall provide County with a copy of all Certificates of Insurance or other documentation sufficient to demonstrate the insurance coverage required in this article. If and to the extent requested by County, Contractor shall provide complete, certified copies of all required insurance policies and all required endorsements within thirty (30) days after County's request.

10.4. Contractor shall ensure that all insurance coverages required by this article remain in full force and effect without any lapse in coverage throughout the Term and until all performance required of Contractor has been completed, as determined by Contract Administrator. Contractor or its insurer shall provide notice to County of any cancellation or modification of any required policy at least thirty (30) days prior to the effective date of cancellation or modification, and at least ten (10) days prior to the effective date of any cancellation due to nonpayment, and shall concurrently provide County with a copy of its updated Certificates of Insurance evidencing continuation of the required coverage(s).

10.5. All required insurance policies must be placed with insurers or surplus line carriers authorized to conduct business in the State of Florida with an A.M. Best rating of A- or better and a financial size category class VII or greater, unless otherwise approved by County's Risk Management Division in writing.

10.6. If Contractor maintains broader coverage or higher limits than the insurance requirements stated in Exhibit E, County shall be entitled to all such broader coverages and higher limits. All required insurance coverages shall provide primary coverage and not require contribution from any County insurance, self-insurance, or otherwise, which shall be in excess of and shall not contribute to the required insurance provided by Contractor.

10.7. Contractor shall declare in writing any self-insured retentions or deductibles over the limit(s) prescribed in Exhibit E and submit to County for approval at least fifteen (15) days prior to the Effective Date or commencement of Services. Contractor shall be solely responsible for and shall pay any deductible or self-insured retention applicable to any claim against County. County may, at any time, require Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. Any deductible or self-insured retention may be satisfied by either the named insured or County, if so elected by County, and Contractor shall obtain same in endorsements to the required policies.

10.8. Unless prohibited by the applicable policy, Contractor waives any right to subrogation that any of Contractor's insurers may acquire against County, and shall obtain same in an endorsement of Contractor's insurance policies.

10.9. Contractor shall require that each Subcontractor maintains insurance coverage that adequately covers the Services provided by that Subcontractor on substantially the same insurance terms and conditions required of Contractor under this article. Contractor shall ensure that all such Subcontractors comply with these requirements and that "Broward County" is named as an additional insured under the Subcontractors' applicable insurance policies. Contractor shall not permit any Subcontractor to provide Services unless and until all applicable requirements of this article are satisfied.

10.10. If Contractor or any Subcontractor fails to maintain the insurance required by this Agreement, County may pay any costs of premiums necessary to maintain the required coverage and deduct such costs from any payment otherwise due to Contractor. If requested by County, Contractor shall provide, within one (1) business day, evidence of each Subcontractor's compliance with this article.

10.11. If any of the policies required under this article provide claims-made coverage: (1) any retroactive date must be prior to the Effective Date; (2) the required coverage must be maintained after termination or expiration of the Agreement for at least the duration stated in Exhibit E; and (3) if coverage is canceled or nonrenewed and is not replaced with another claims-made policy form with a retroactive date prior to the Effective Date, Contractor must obtain and maintain "extended reporting" coverage that applies after termination or expiration of the Agreement for at least the duration stated in Exhibit E.

ARTICLE 11. TERMINATION

11.1. Termination for Cause. This Agreement may be terminated for cause by the aggrieved Party if the Party in breach has not corrected the breach within ten (10) days after receipt of written notice from the aggrieved Party identifying the breach. This Agreement may be terminated for cause by County for reasons including, but not limited to, any of the following:

11.1.1. Contractor's (a) failure to suitably or continuously perform the Services in a manner calculated to meet or accomplish the objectives in this Agreement or Work Authorization, (b) suspension or debarment by a state or federal governmental entity or by a local governmental entity with a population in excess of one million people, or (c) repeated submission (whether negligent or intentional) for payment of false or incorrect bills or invoices;

11.1.2. By the County Administrator or the Director of Office of Economic and Small Business Development ("OESBD") for fraud, misrepresentation, or material misstatement by Contractor in the award or performance of this Agreement or that violates any applicable requirement of Section 1-81, et seq., of the Code; or

11.1.3. By the Director of OESBD upon the disqualification of Contractor as a CBE if Contractor's status as a CBE was a factor in the award of this Agreement, or upon the disqualification of one or more of Contractor's CBE participants by the Director of OESBD if any such participant's status as a CBE firm was a factor in the award of this Agreement.

Unless otherwise stated in this Agreement, if this Agreement was approved by Board action, termination for cause by County must be by action of the Board or the County Administrator; in any other instance, termination for cause may be by the County Administrator, the County representative expressly authorized under this Agreement, or the County representative (including any successor) who executed the Agreement on behalf of County. If County erroneously, improperly, or unjustifiably terminates this Agreement for cause, such termination shall be deemed a termination for convenience pursuant to Section 11.2 effective thirty (30) days after such notice was provided and Contractor shall be eligible for the compensation provided in Section 11.2 as its sole remedy.

11.2. Termination for Convenience; Other Termination. This Agreement may also be terminated for convenience by the Board with at least thirty (30) days' advance written notice to Contractor. Contractor acknowledges that it has received good, valuable, and sufficient consideration for County's right to terminate this Agreement for convenience including in the form of County's obligation to provide advance written notice to Contractor of such termination in accordance with this section. This Agreement may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate under the circumstances if the County Administrator determines that termination is necessary to protect the public health, safety, or welfare. If this Agreement is terminated by County pursuant to this section, Contractor shall be paid for any Services properly performed through the termination date specified in the written notice of termination, subject to any right of County to retain any

sums otherwise due and payable, and County shall have no further obligation to pay Contractor for Services under this Agreement.

11.3. Notice of termination shall be provided in accordance with the “Notices” section of this Agreement except that notice of termination by the County Administrator to protect the public health, safety, or welfare may be oral notice that shall be promptly confirmed in writing.

11.4. In addition to any termination rights stated in this Agreement, County shall be entitled to seek any and all available contractual or other remedies available at law or in equity including recovery of costs incurred by County due to Contractor’s failure to comply with any term(s) of this Agreement.

ARTICLE 12. EQUAL EMPLOYMENT OPPORTUNITY AND CBE COMPLIANCE

12.1. Contractor and Subcontractors shall not discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, pregnancy, or any other basis prohibited by Applicable Law in the performance of this Agreement. Contractor shall include the foregoing or similar language in its contracts with all Subcontractors, except that any project assisted by U.S. Department of Transportation funds shall comply with the nondiscrimination requirements in 49 C.F.R. Parts 23 and 26.

12.2. By January 1 of each year, Contractor must submit, and cause each Subcontractor to submit, an Ownership Disclosure Form (or such other form or information designated by County), available at <https://www.broward.org/econdev/Pages/forms.aspx>, identifying the ownership of the entity and indicating whether the entity is majority-owned by persons fitting specified classifications.

ARTICLE 13. MISCELLANEOUS

13.1. Contract Administrator Authority. The Contract Administrator is authorized to coordinate and communicate with Contractor to manage and supervise the performance of this Agreement. Contractor acknowledges that the Contract Administrator has no authority to make changes that would increase, decrease, or otherwise materially modify the Statement of Work except as expressly set forth in this Agreement or, to the extent applicable, in the Broward County Procurement Code. Unless expressly stated otherwise in this Agreement or otherwise set forth in the Code or the Broward County Administrative Code, the Contract Administrator may exercise ministerial authority in connection with the day-to-day management of this Agreement. The Contract Administrator may also approve in writing minor modifications to the Statement of Work that do not increase the total cost to County or waive any rights of County.

13.2. Rights in Documents and Work. Any and all reports, photographs, surveys, documents, materials, or other work created by Contractor specifically for County in connection with performing Services, whether finished or unfinished (“Documents and Work”), shall be owned by County, and Contractor hereby transfers to County all right, title, and interest, including any copyright or other intellectual property rights, in or to the Documents and Work and shall provide

any documentation necessary to effectuate such transfer. Unless otherwise expressly stated herein, County has the right to use, reproduce, modify, distribute, and publicly display the Documents and Work, in whole or in part, in any medium and for any purpose, in perpetuity and without restriction. Contractor represents and warrants that it has all necessary legal rights to provide the Documents and Work and to grant County the rights stated in this Agreement. Contractor must deliver the Documents and Work to the Contract Administrator within ten (10) business days after expiration or termination of this Agreement. Any compensation due to Contractor may be withheld until all Documents and Work are provided as set forth herein. Contractor shall ensure the requirements of this section are included in all of Contractor's agreements with Subcontractor(s).

13.3. Public Records. Notwithstanding any other provision in this Agreement, any action taken by County in compliance with, or in a good faith attempt to comply with, the requirements of Chapter 119, Florida Statutes, shall not constitute a breach of this Agreement. If Contractor is acting on behalf of County as stated in Section 119.0701, Florida Statutes, Contractor shall:

13.3.1. Keep and maintain public records required by County to perform the Services;

13.3.2. Upon request from County, provide County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time and at a cost that does not exceed that provided in Chapter 119, Florida Statutes, or as otherwise provided by Applicable Law;

13.3.3. Ensure that public records that are exempt or confidential and exempt from public record requirements are not disclosed except as authorized by Applicable Law for the duration of this Agreement and after completion or termination of this Agreement if the records are not transferred to County; and

13.3.4. Upon expiration or termination of this Agreement, transfer to County, at no cost, all public records in possession of Contractor or keep and maintain public records required by County to perform the Services. If Contractor transfers the records to County, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt. If Contractor keeps and maintains the public records, Contractor shall meet all requirements of Applicable Law for retaining public records. All records stored electronically must be provided to County upon request in a format that is compatible with the information technology systems of County.

If Contractor receives a request for public records regarding this Agreement or the Services, Contractor must immediately notify the Contract Administrator in writing and provide all requested records to County to enable County to timely respond to the public records request. County will respond to all such public records requests.

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS

AT 954-468-3508, EKENNEDY@BROWARD.ORG, 1850 ELLER DRIVE, FORT LAUDERDALE, FLORIDA 33316.

13.4. Audit Rights and Retention of Records. County shall have the right to audit the books, records, and accounts of Contractor and all Subcontractors that are related to this Agreement. Contractor and all Subcontractors shall keep such books, records, and accounts as may be necessary to record complete and correct entries related to this Agreement and performance under this Agreement. All such books, records, and accounts shall be kept in written form or in a form capable of conversion into written form within a reasonable time; upon request by County, Contractor and all Subcontractors shall make same available to County in written form at no cost and allow County to make copies. Contractor shall provide County with reasonable access to Contractor's facilities, and County shall be allowed to interview all employees to discuss matters pertinent to the performance of this Agreement.

Contractor and all Subcontractors shall preserve and make available, at reasonable times within Broward County, Florida, for examination and audit, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for at least three (3) years after expiration or termination of this Agreement or until resolution of any audit findings, whichever is longer. This section shall survive any dispute or litigation between the Parties, and Contractor expressly acknowledges and agrees to be bound by this section throughout the course of any dispute or litigation with County. Any audit or inspection pursuant to this section may be performed by any County representative (including any outside representative engaged by County). Contractor hereby grants County the right to conduct such audit or review at Contractor's place of business, if deemed appropriate by County, with seventy-two (72) hours' advance notice. Contractor shall make all such records and documents available electronically in common file formats, and/or via remote access, if and to the extent requested by County.

Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for County's disallowance and recovery of any payment based upon such entry. Contractor shall refund to County any overcharged amount identified as a result of an audit, regardless of the amount of the overcharge. If the overcharge exceeds five percent (5%) of the total contract charges audited by County, Contractor shall, in addition to refunding the overcharged amount, pay liquidated damages in the amount of fifteen percent (15%) of the overcharged amount as just compensation for damages incurred by County due to the overcharge, including, but not limited to, County's administrative costs and loss of potential investment returns (including interest). Any adjustments or payments due as a result of such audit must be made within thirty (30) days after presentation of County's findings to Contractor. Contractor shall ensure that the requirements of this section are included in all agreements with all Subcontractor(s).

13.5. Independent Contractor. Contractor is an independent contractor of County, and nothing in this Agreement shall constitute or create a partnership, joint venture, or any other relationship between the Parties. In providing Services, neither Contractor nor its agents shall act as officers, employees, or agents of County. Contractor shall not have the right to bind County to any obligation not expressly undertaken by County under this Agreement.

13.6. Regulatory Capacity. Notwithstanding the fact that County is a political subdivision with certain regulatory authority, County's performance under this Agreement is as a Party to this Agreement and not in its regulatory capacity. If County exercises its regulatory authority, the exercise of such authority and the enforcement of Applicable Law shall have occurred pursuant to County's regulatory authority as a governmental body separate and apart from this Agreement, and shall not be attributable in any manner to County as a Party to this Agreement.

13.7. Sovereign Immunity. Except to the extent sovereign immunity may be deemed waived by entering into this Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by County nor shall anything included herein be construed as consent by County to be sued by third parties in any matter arising out of this Agreement.

13.8. Third-Party Beneficiaries. Neither Contractor nor County intends to primarily or directly benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

13.9. Notices. Unless otherwise stated herein, for notice to a Party to be effective under this Agreement, notice must be sent via U.S. first-class mail, hand delivery, or commercial overnight delivery, each with a contemporaneous copy via email, to the addresses listed below and shall be effective upon mailing or hand delivery (provided the contemporaneous email is also sent). A Party may change its notice address by giving notice of such change in accordance with this section.

13.10. Subcontracting; Assignment; Change of Control. All Subcontractors must be expressly identified in this Agreement or otherwise approved in advance and in writing by County's Contract Administrator. Except for approved subcontracting, neither this Agreement nor any right or interest in it may be assigned, transferred, subcontracted, or encumbered by Contractor without the prior written consent of County. Any change of control (as defined herein) shall be deemed an assignment. Any assignment, transfer, encumbrance, or subcontract in violation of this section shall be void and ineffective, constitute a breach of this Agreement, and permit County to immediately terminate this Agreement, in addition to any other remedies available to County at law or in equity.

For purposes of this section, “change of control” means: (a) a transfer of more than fifty percent (50%) of the ownership interests in Contractor, whether in a single transaction or a series of related transactions; (b) a merger, consolidation, or other reorganization that results in a change in voting control in Contractor or in the entity that controls Contractor’s business; or (c) the sale, lease, or transfer of all or substantially all of Contractor’s assets. A change of control does not include (i) a transfer to an entity wholly owned, directly or indirectly, by Contractor or its parent, or (ii) a transfer between existing owners of Contractor that does not result in a change in majority ownership; provided, however, that any such transfer shall not relieve Contractor of its obligations under this Agreement unless County expressly agrees otherwise in writing.

13.11. Conflicts. Neither Contractor nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with Contractor’s loyal and conscientious exercise of judgment and care related to its performance under this Agreement. During the Term, none of Contractor’s officers or employees shall serve as an expert witness against County in any legal or administrative proceeding in which they or Contractor is not a party, unless compelled by legal process. Further, such persons shall not give sworn testimony or issue a report or writing as an expression of such person’s expert opinion that is adverse or prejudicial to the interests of County in connection with any such pending or threatened legal or administrative proceeding unless compelled by legal process. The limitations of this section shall not preclude Contractor or any persons in any way from representing themselves, including giving expert testimony in support of such representation, in any action or in any administrative or legal proceeding. If Contractor is permitted pursuant to this Agreement to utilize Subcontractors to perform Services, Contractor shall require such Subcontractors, by written contract, to comply with the provisions of this section to the same extent as Contractor.

13.12. Materiality and Waiver of Breach. Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm’s-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and important to the formation of this Agreement, and each is, therefore, a material term. County’s failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of this Agreement. To be effective, any waiver must be in writing signed by an authorized signatory of the Party granting the waiver.

13.13. Compliance with Laws. Contractor, the Products, the System, and the Services must comply with all Applicable Law, including, without limitation, the Americans with Disabilities Act, 42 U.S.C. § 12101, Section 504 of the Rehabilitation Act of 1973, and the requirements of any applicable grant agreements.

13.14. Severability. If any part of this Agreement is found to be unenforceable by any court of competent jurisdiction or contrary to Applicable Law, that part shall be deemed severed from this Agreement and the balance of this Agreement shall remain in full force and effect.

13.15. Joint Preparation. This Agreement has been jointly prepared by the Parties and shall not be construed more strictly against either Party.

13.16. Interpretation. The titles and headings contained in this Agreement are for reference purposes only and shall not in any way affect the meaning or interpretation of this Agreement. All personal pronouns used in this Agreement shall include any other gender, and the singular shall include the plural, and vice versa, unless the context otherwise requires. Terms such as “herein” refer to this Agreement as a whole and not to any particular sentence, paragraph, or section where they appear, unless the context otherwise requires. Whenever reference is made to a section or article of this Agreement, such reference is to the section or article as a whole, including all subsections thereof, unless the reference is made to a particular subsection or subparagraph of such section or article. Any reference to “days” means calendar days, unless otherwise expressly stated. Any reference to approval by County shall require approval in writing, unless otherwise expressly stated.

13.17. Priority of Provisions. If there is a conflict or inconsistency between any term, statement, requirement, or provision of any document or exhibit attached to, referenced by, or incorporated in this Agreement and any provision within an article or section of this Agreement, the article or section shall prevail and be given effect.

Support and Maintenance Fees	Commencing on September 1, 2025, and monthly in advance thereafter	\$13,416.67/ monthly (\$161,000/annually)

The fees specified above are fixed for the Initial Term. After the Initial Term, Contractor may increase the rate on an annual basis with at least ninety (90) days' advance written notice to County, provided that such increase per annum shall not exceed the lesser of 3% or CPI.

Any price adjustment will be consistent with the Consumer Price Index ("CPI"). The CPI data will be obtained from the U.S. Bureau of Labor Statistics' table for CPI for All Urban Consumers ("CPI-U"), All items in Miami-Fort Lauderdale-West Palm Beach, FL, all urban consumers, not seasonally adjusted or as amended or replaced by the agency. If no such index is published, the Contract Administrator will designate a reasonably similar index.

10. HIPAA Compliance

HIPAA Compliance. County has access to protected health information ("PHI") that is subject to the requirements of 45 C.F.R. Parts 160, 162, and 164 and related regulations. If Contractor is

considered by County to be a covered entity or business associate or is required to comply with the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) or the Health Information Technology for Economic and Clinical Health Act (“HITECH”), Contractor shall fully protect individually identifiable health information as required by HIPAA or HITECH and, if requested by County, shall execute a Business Associate Agreement in the form set forth at www.broward.org/Purchasing/Pages/StandardTerms.aspx. The County Administrator is authorized to execute a Business Associate Agreement on behalf of County. Where required, Contractor shall handle and secure such PHI in compliance with HIPAA, HITECH, and related regulations and, if required by HIPAA, HITECH, or other Applicable Law, include in its “Notice of Privacy Practices” notice of Contractor’s and County’s uses of client’s PHI. 11. Application Development Services

Application Development Services. To the extent applicable to the Services being provided by Contractor under the Agreement, Contractor shall develop, implement, and comply with industry-standard secure coding best practices as outlined by the County’s Service Provider Application Secure Coding Standard. In addition, if application development services are performed by Contractor augmented staff on behalf of County, staff must strictly follow and adhere to the County’s established application development policies, process, procedures, practices and standards. Upon request by County, Contractor shall provide an attestation letter to certify that security testing as specified above was performed along with security scan test results and tests performed. Any exceptions must be documented with the delivery of the attestation letter for acceptance by the County.

Exhibit D

Support and Maintenance Minimum Standards

Contractor shall provide County with Support and Maintenance so as to ensure and maintain optimal performance of the Products and System consistent with the Statement of Work and the Documentation, which service shall include the following:

- Timely response and resolution of any errors, defects, malfunctions, or other issues affecting the use or performance of the Products or System (collectively, “Events”) in keeping with the Required Response Times stated below;
- Providing and facilitating the installation of updates, upgrades, and releases as they are made available to Contractor’s other clients;
- Notifying County of patches and updates affecting security, and applying, testing, and validating the appropriate patches and updates and/or workarounds on a test version of the application before distribution;
- On-call availability via telephone and e-mail during Business hours to receive and respond to inquiries or questions from County regarding use, operation, or functionality of the Products or System;
- Emergency availability via telephone and e-mail after hours to receive and respond to specific technical problems and questions relating to the operation or functionality of the Products or System;
- Use of ongoing best efforts to maintain the optimal functioning of the Products and System, to correct programming and coding errors, and to provide solutions to known errors affecting the operation of the Software; and
- Routine notification to County as it becomes available of new or updated information pertaining to the Products, System, or the Documentation.

Support and Maintenance shall be provided via telephone, electronic communication, on-site, or as otherwise appropriate to address the issue. Any update, upgrades, releases, or other modifications to the Software shall be provided via electronic communication and for download via the Internet, if practicable. To the extent necessary to resolve an Event or other support request, Contractor shall provide support on-site at any office or location of a Broward County agency, as requested by County. Contractor agrees that its personnel shall be suitably trained in the operation, support and maintenance of the Software. If in the reasonable opinion of County, the personnel provided are not acceptable, Contractor agrees to provide suitable replacements.

Required Response Times. Upon notice by County of an Event, Contractor shall address and resolve the Event consistent with the following priority, response, and resolution levels:

Priority Description	Definition	Response Time After Notice	Resolution Time after Notice
Critical	Event that affects the core functionality of the Software from operating and for which there is no workaround. Use of Software is prevented or may result in material data corruption or loss.	Less than or equal to 1 hour	Work until corrected – resolution is Patch
Major	Event that prevents the core functionality of the Software from operating and for which there is a workaround (technically or by way of alternative business process). Use of the Software can proceed in a degraded mode.	Next business day	Next release or patch
Minor	Event that prevents non-core functionality of the Software from operating. Prevents use of the Software module or feature.	Within 1 week	Future patch or release
Trivial	Event that prevents non-core functionality of the Software from operating (technically or by way of alternative business process), that is non-compliant with the standards for presentation (layouts and forms) and that does not affect the operational integrity of the Software.	Within 1 week	Future release

Notwithstanding the above-stated schedule, Contractor shall use its continuing best efforts to correct the Event as expeditiously as it can. The Priority Description for each error or issue shall be reasonably determined by the Contract Administrator.

Records and Reports. Unless otherwise approved by the Contract Administrator, Contractor will maintain records of all Support and Maintenance requested and/or provided, and provide County with online access to an Event ticketing system, which shall include at least the following:

- a) Date, time, and name of contact for each Event;
- b) Date and time of response by Contractor;
- c) Description of Event and analysis of error, defect, or other issue causing Event;
- d) All steps and actions taken to resolve the Event;
- e) Date and time of resolution and County representative notified of resolution; and
- f) All equipment and/or labor costs associated with resolution.

At the request of County, Contractor shall provide monthly reports of the foregoing records as well as statistics of Contractor’s average monthly compliance with the Required Response Times.

Failure to Meet Required Response Times. If Contractor fails to meet the Required Response Times, County may offset against any sums due Contractor by \$3,000 for each Event that Contractor failed to meet the Required Response Time, which amount the Parties agree is a fair and reasonable approximation of County's negative financial impact caused by the delay in Contractor's response.
