

**FIRST AMENDMENT TO AGREEMENT BETWEEN  
BROWARD COUNTY AND CITY OF COOPER CITY FOR RIGHT-OF-WAY BEAUTIFICATION FOR  
PINE ISLAND ROAD FROM SHERIDAN STREET TO STIRLING ROAD**

This First Amendment ("Amendment") is entered into between Broward County, a political subdivision of the State of Florida ("County" or "COUNTY"), and City of Cooper City, a municipal corporation organized and existing under the laws of the state of Florida ("Municipality" or "MUNICIPALITY") (each a "Party" and collectively referred to as the "Parties").

**RECITALS**

A. The Parties entered into the Agreement Between Broward County and City of Cooper City for Right-of-Way Beautification for Pine Island Road from Sheridan Street to Stirling Road, dated March 10, 2009 (the "Agreement").

B. The Municipality wishes to improve the traffic sightlines, increase the visibility of traffic signage, and enhance the aesthetics of the landscaped median by modifying the Project's landscaping and irrigation plans.

C. The Parties desire to clarify procedures for submission and approval of revised landscaping and irrigation plans.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. The above Recitals are true and correct and are incorporated herein by reference. All capitalized terms not expressly defined within this Amendment shall retain the meaning ascribed to such terms in the Agreement.

2. Unless otherwise expressly stated herein, amendments to the Agreement made pursuant to this Amendment are indicated herein by use of strikethroughs to indicate deletions and bold/underlining to indicate additions. Except as modified herein, all remaining terms and conditions of the Agreement shall remain in full force and effect.

3. Article 2 of the Agreement is amended to add a new Section 2.1.8 as follows (bold/underlining omitted):

(a) MUNICIPALITY may propose modifications, replacement, or redesign of landscaping and irrigation improvements within the Property described in the Agreement. All such modifications, replacement, or redesign of landscaping and irrigation improvements shall be at MUNICIPALITY's sole cost and expense.

(b) Prior to commencement of any such work, MUNICIPALITY shall first obtain a permit from the Division and submit revised plans and specifications to the Contract Administrator for review and written approval.

(c) No installation shall occur and no permit shall be deemed authorized until written approval is issued by the Contract Administrator.

(d) Upon completion of the approved work, MUNICIPALITY shall provide signed and sealed as-built drawings reflecting the improvements prior to requesting final inspection.

(e) Any modification that materially expands the limits of the Property or changes the Scope of Participation shall require a written amendment executed in accordance with Section 9.11 of the Agreement.

4. Article 2 of the Agreement is further amended to add a new Section 2.5 as follows (bold/underlining omitted):

2.5 COUNTY retains the right, at any time and in its sole discretion, to require modification, relocation, or removal of any landscaping or irrigation improvements within the County right-of-way if COUNTY determines such action is necessary for roadway maintenance, safety, drainage, utility installation, roadway improvements, or other public purposes. Any such modification, relocation, or removal shall be performed by MUNICIPALITY at its sole cost and expense, unless otherwise agreed to by the Parties in writing.

5. Article 6 of the Agreement is deleted and replaced by the following (bold/underlining omitted):
