City shall pay such invoice within thirty (30) calendar days after receipt.

2.5 This Agreement does not change the functional classification of Hillsboro Boulevard.

2.6 City's maintenance obligations under this Agreement may be performed by City through the use of its employees, or City may enter into a contract with a third party to perform the services. ARTICLE 3. COSTS

3.1 City shall pay to County an estimated amount of Two Hundred Fifty Thousand Dollars (\$250,000.00) in accordance with Task One as described in Article 2.1.1 of this Agreement, within thirty (30) calendar days after the Effective Date of this Agreement (the "Project Payment"). 4.1 This Agreement starts on the Effective Date and continues in perpetuity following completion of the Project with respect to City's ongoing and perpetual obligation to maintain the landscape, irrigation, hardscape, and architectural improvements as set forth herein.

4.2 This Agreement may be terminated for cause by County if City breaches any of its obligations under this Agreement and has not corrected the breach within thirty (30) calendar days after receipt of written notice identifying the breach. County may, at the option of the Contract Administrator, cause such breach to be corrected and invoice City for the costs of the correction or may terminate this Agreement. If County opts to correct the breach and invoice City for the costs of correction, City shall pay such invoice within thirty (30) calendar days after receipt. If County erroneously, improperly, or unjustifiably terminates for cause, such termination shall, at County's sole election, be deemed a termination for convenience, which shall be effective thirty (30) calendar days after such notice of termination for cause is provided.

4.3 This Agreement may be terminated for convenience by the Board during the period ranging from execution of this Agreement until the City's completion of Task One. Such termination for convenience by the Board shall be effective on the termination date stated in the written notice provided by County to City, which termination date shall not be less than thirty (30) calendar days after the date of such written notice.

4.4 This Agreement may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate if the County Administrator determines that termination is necessary to protect the public health or safety. Termination under this section shall be effective on the date County provides notice to the City of such termination.

4.5 If this Agreement is terminated in accordance with this Agreement, City shall remove the Project, at City's sole expense, unless the Contract Administrator, in writing, authorizes City to leave the Project in place. If the Project must be removed:

4.5.1 County will have no obligation to remove, relocate, reinstall, or replace any part of the Project, or in any way compensate City for any loss resulting from or arising out of the termination of this Agreement.

4.5.2 City must obtain a permit from the Division to remove the Project and return the property to its original condition, or a condition acceptable to the Contract Administrator following removal.

4.5.3 City is obligated to repair any damage to the property resulting from the removal

of the Project. If City fails to comply with the removal and/or repair obligations within thirty (30) calendar days of termination, County may perform them, and then invoice City for the cost thereof. City shall pay the invoice within thirty (30) calendar days after receipt.

4.5.4 No later than thirty (30) days after the effective date of the termination, County shall return the amount of the Project Payment received by County pursuant to Section 3.1 that has not been expended by County on the Project (remaining balance) as of the date of County's notice of termination.

4.6 Notice of termination shall be provided in accordance with Article 5 of this Agreement, except that notice of termination by the County Administrator, pursuant to Section 4.4 of this Agreement, may be verbal notice that shall be promptly confirmed in writing in accordance with Article 5 of this Agreement.

herein is intended to serve as a waiver of sovereign immunity by any party to which sovereign immunity may be applicable. Nothing herein shall be construed as consent by either party to be sued by third parties in any matter arising out of this Agreement or any other contract.

6.2 If City contracts with a third party to perform any of City's obligations under this Agreement, City shall enter into a contract with such third party, which contract shall include the following provision:

6.2.1 Indemnification: Contractor shall indemnify and hold harmless Broward County, and all of Broward County's current, future, and former officers, agents, servants, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including, attorneys' fees, court costs, and expenses (collectively, a "Claim"), raised or asserted by any person or entity not a party to this Agreement, which Claim is caused or alleged to be caused in whole or in part, by any intentional, reckless, or negligent act or omission of contractor, its current or former officers, employees, agents, servants, or assigns, arising from, relating to, or in connection with this Agreement. If any Claim is brought against an Indemnified Party, contractor shall, at its own expense, upon written notice from Broward County, defend each Indemnified Party against each such Claim by counsel satisfactory to Broward County, or, at the option of Broward County, pay for an attorney selected by the County Attorney to defend the Indemnified Party.

6.3 The provisions of this article will survive the expiration or earlier termination of this Agreement.

7.4 The foregoing requirements shall apply to City's self-insurance, if any.

7.5 If City contracts with one or more third parties to perform any of City's obligations set

forth herein, City shall require that each third party procure and maintain insurance coverage that adequately covers the third party's exposure based on the services provided by that third party (and any subcontractors retained by the third party). City must ensure that all such third parties name "Broward County, Florida" as an additional insured and certificate holder under the applicable insurance policies. City shall not permit any third party to provide services required by this Agreement until the insurance requirements of the third party under this Section are met. If requested by County, City shall furnish evidence of all insurance required by this Section.

7.6 County reserves the right to periodically review any and all insurance policies required by this Agreement and to reasonably adjust the limits and/or types of coverage required herein, from time to time throughout the term of this Agreement.
